CRIME STATISTICS

Parley's Trail Progress

MILLCREEK. Parley's Trail was conceived as a walking and bicycling corridor connecting the Bonneville Shoreline Trail from the mouth of Parley's Canyon to the Jordan River Parkway Trail. During years of planning and building, the segment of trail in Millcreek is currently improved from Suicide Rock to the bridge over I-215 (just north of the 33rd South exit), down through Parley's Nature Reserve, and then up into Tanner Park, where the segment ends.

Connecting to Sugarhouse Park, where the trail recommences, has been a conundrum. To get there, the trail must cross the 23rd East exit from I-80, and then I-80 itself.

UDOT and Salt Lake County, working with the PRATT (Parley's Rails, Trails & Tunnels) Coalition and Salt Lake City, have resolved the problem. The map above shows that a tunnel and a bridge will be built to cross the 2300 East

Millcreek resident Pepa Taufi has headed a Neighborhood Watch group in Millcreek for many years. His map and summary of 2016 general crime statistics can be found on our website [here](#).

The UPD prepares maps monthly showing the locations in Millcreek of offenses, calls reported, and cases opened. We will post them monthly on the website [here](#). The maps for January 2017 are [here](#).

Roundabout exit. The map below shows that the trail will then continue west on the south side of I-80, across a pedestrian bridge at 2000 East, and then on to the 1700 East overpass across I-80, to connect with the trail in Sugarhouse Park.

Construction is currently ongoing, and will last at least through the spring. Salt Lake County provides periodic updates. You can subscribe to their email list [here](#).

Theft of Cargo Trailers on Upswing

MILLCREEK. The UPD reports that thieves in Millcreek have been focusing on utility and cargo trailers in the last few months. Stolen trailers are difficult to trace, as many are not licensed and do not have a VIN number. Thieves sell these types of trailers on local classified sites for far less than their real value. The common claim: "My [relative] died and my [other relative] asked me to help get rid of this."

The UPD reminds us all that we are the best first defense. The UPD's suggestions for solutions can be found on our website and [here](#).
