BUSINESS LICENSES

FIREWORKS PROHIBITED IN MANY AREAS OF MILLCREEK

MILLCREEK. The north and east boundaries of our city are at high risk for wildland urban interface fires. A large section of our north boundary is the Parleys Nature Park. Our east boundary is Forest Service property. Fires in these brush/grass covered and gamble oak/pine-tree forested areas could be devastating to Millcreek residents.

Here is a list of of [all active business licenses](#) in Millcreek as of June.

I-80 - FOOTHILL / PARLEYS PROJECT

Foothill southbound to I-215 closes July 5th until September. [Click here](#) for information on this week's traffic jams. Oh, UDOT, keep it coming!

[Here is a map](#) that shows the level of threat to our neighborhoods. (Use the zoom rather than the search feature). Already this week, [the use of illegal fireworks above Wasatch Blvd. caused a one-acre brush fire](#). We were fortunate the UFA was able to extinguish it before it got larger.

The UFA has prohibited the use of ground-based and aerial fireworks in many parts of Millcreek. [This is a map](#) that shows areas in Salt Lake County where UFA has prohibited fireworks. Use the zoom to see Millcreek up close.

As you'll see, in addition to anywhere east of Wasatch Blvd., fireworks are prohibited in many areas below the Boulevard, and near Parleys Nature Park.

In those areas within Millcreek where fireworks are allowed, use your brain and extreme caution. The UFA's safety tips [can be found here](#). One hint - don't create a fire hazard by putting smoldering fireworks or embers from BBQs into your trash can. And if winds are high, don't set off any fireworks at all. For more complete information about dates and times that fireworks are legal, [click here](#). (Note that state law prevents local governments from imposing greater restrictions.)

AND PLEASE REMEMBER: No fireworks after 11 PM. Except on the 4th of July, you can enjoy them until midnight. Stay legal, and be kind to your neighbors!

VENTURE OUT! FANTASTIC BEASTS OF THE WILD WASATCH

EVERGREEN PARK | 2266 E. EVERGREEN AVE

JUNE 30TH

6PM - TWILIGHT

It's all creatures great and small tonight. Come see some of the fantastic wild (and tame) beasts of the Wasatch. Do you and your pet look alike? There may just be a prize for that. Bring along your furry friends and strut your mutt. Don't have a pet? Cuddle with loveable dogs and cats available for adoption or see the amazing K-9 unit in action.

MOVIE

FANTASTIC BEASTS (PG-13)

An author studying fantastic beasts arrives in 1926 NYC, and gets caught up in a larger conflict when some of the creatures in his care are accidentally released.

MUSIC

HOLLYWOOD TOWNHALL

Hollywood Townhall brings a blend of Indie, Americana, Roots, and Alt Country sound. Think Ryan Adams mixed with Tom Petty mixed with The Captain and Tennille. It's comfort food for the ears--without all the calories.

PARTY IN MILLCREEK!

International Plastic Bag-Free Day Recognized

SALT LAKE COUNTY. On July 3, Wasatch Front Waste & Recycling District (WFWRD) will join other organizations around the world to raise awareness of the challenges of recycling plastic bags and to educate residents of sustainable replacements. [International Plastic Bag-Free Day](#) is an annual awareness event sponsored by Zero Waste Europe with “aims to eliminate the use of single-use plastic bags in the world.”

WFWRD notes that plastic bags in recycling cans create issues for the recycling processors, increasing their costs and often resulting in additional charges to residents. They should be returned to the store that gave them to you or, better yet, use reusable bags; but **plastic bags should never be placed in a curbside recycle container.**
