provided to Millcreek by Salt Lake County. During a big storm like the recent one on Sunday, all of the plows are out working 24-7. Top priorities are main roads, steep roads, emergency routes and schools. To help avoid a blocked driveway, the County encourages you to shovel snow to the “downstream” side of your driveway. For information and complaints about snow plow services, call the County’s 24-hour number: 385-468-6101.

A reminder that we all need to help the snow plow drivers to do their jobs. It is illegal to leave a car parked in the street from November through March when there is snow in the street. See Millcreek Ord. 11.20.130. If you see a chronic problem, you can report it to the UPD non-emergency number at 385-468-9620.
