MILLCREEK. Millcreek has been gathering input this past year to discuss the future of our proposed City Center. We had great success and participation in our recent Sugar House and Holladay walking tours. We want to gather the community again at an Open House this coming Thursday, October 11th, 6:30-8:30PM at the Millcreek City Hall Annex, 3330 South 1300 East.

This time, we will be digging into specifics, such as the types of businesses we'd like to see, other city centers in our region that we like, and what can we do to make the city center uniquely ours.

[Click here](#) to review the notes we made of your comments at the April meeting, and to jog your memories about some of the issues, concerns, and aspirations that have been raised.

We are excited to hear from residents, businesses, and property owners. Drop by anytime from 6:30 to 8:30 pm. Light refreshments will be served.

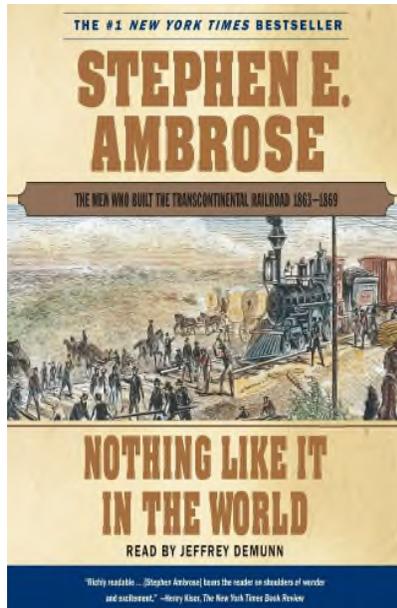

MILL CREEK KIDS GET DICTIONARY DONATIONS

MILLCREEK. A BIG thanks to the Sugarhouse Rotary (and their many

Millcreek residents) for their annual program that distributes dictionaries to kids at Mill Creek Elementary School. Earlier this week Steve Knudson, Allen Frost and Troy Neerings from the Rotary Club spent a morning passing out dictionaries to students at the school. There were many smiling faces as each student in three classes received their very own dictionary complete with their name on the front page. The students will use the dictionaries at school for the school year and then they can be taken home.

Thank you to the Sugarhouse Rotary for the wonderful gift to Mill Creek Elementary students and for involving the city in the fun event.

You're Invited to Book Club!

UNITED WAY EXECUTIVE BOARD LEARNS ABOUT MILLCREEK'S PROMISE PROGRAM

MILLCREEK. Earlier this week, Millcreek hosted the executive board of United Way of Salt Lake. Millcreek Mayor Silvestrini talked to the board about the Millcreek Promise Program, a community initiative rooted in partnership and committed to collective impact, to help all children and families have opportunities for success. Millcreek Promise aims to bridge divides, build community and lift all boats using volunteer efforts, grants and a data-driven philosophy.

HELP WANTED!

MILLCREEK. Earn extra income while helping the community. The U.S. Census Bureau is recruiting thousands of people across the country, including

in Millcreek, to assist with the 2020 Census count.

The Bureau is hiring for a variety of temporary jobs, including census takers, recruiting assistants, office staff, and supervisory staff. To be eligible, you must be at least 18 years old, have a valid Social Security number, and be a U.S. citizen. For more information and to apply visit the U.S. Census website by [clicking here](#).

Fall Leaf Collection

MILLCREEK. The annual Wasatch Front Waste & Recycling District (WFWRD) Fall Leaf Collection Program will run October 15 through November 30. Millcreek residents can pick up leaf bags at the following locations:

- Calvin Smith Library: 810 E. 3300 S.
- Millcreek City Hall: 3330 S. 1300 E.
- Millcreek Recreation Center: 2230 E. Evergreen Ave.
- Olympus Fire Station: 3612 E. 3900 S.
- Millcreek Activity Center: 4405 S. 1025 E.

Filled leaf bags can be dropped off at:

- Canyon Rim Park: 3100 E. 3100 S.
- Cottonwood Ball Complex: 4400 S 1300 E.

WFWRD leaf bags are limited to 10 bags per household, and available while supplies last. Residents can also use and drop off their own purchased leaf bags or lawn bags. **ONLY LEAVES PLEASE! NO OTHER TRASH.**

Preventing the Spread of Illness

(Reprinted from Granite School District's website). Recently there have been

reports in the news regarding outbreaks of Norovirus in Utah schools. Norovirus is a highly contagious infection that causes gastroenteritis, leading to diarrhea, vomiting, and stomach pain.

Granite School District is taking steps to prevent the spread of illness at schools by spraying disinfectant in every classroom and in every school bus on at least a weekly basis. Custodians are also ensuring hand sanitizer and soap stations remain filled.

While these efforts will help curb the spread of illness, the most effective preventative measures are simple, personal habits of hygiene. These habits should be applied at all times to prevent the spread of any contagious illness:

WASH HANDS often, especially after using the restroom and before eating meals. Wash with soap for at least 20 seconds, and avoid touching your mouth and eyes.

STAY HOME IF YOU'RE SICK. Students should remain home from school for any of the following reasons:

- The child has a temperature higher than 100 degrees. Children should be fever free and should only return to school if they have gone 24 hours without taking fever reducing medications.
- Students experiencing vomiting and/or diarrhea must remain home until 24 hours after symptoms have subsided without medication.
- Symptoms such as a heavy coughing, chest congestion, discolored nasal drainage, or a rash of unknown origin should be evaluated and cleared by a physician prior to returning to school.
- As a general rule, students should remain home until they have been symptom free for 24 hours.

CLEAN SURFACES using an effective cleaner to disinfect surfaces and objects that are frequently touched.

RINSE FRUITS & VEGETABLES AND COOK SHELLFISH THOROUGHLY.

AVOID PREPARING FOOD FOR OTHERS IF YOU'RE SICK. Use gloves when touching or caring for patients to reduce exposure. Wash soiled laundry thoroughly.
