MILLCREEK RESIDENT HELPS MILLCREEK KIDS GET FREE BIKES

MILLCREEK. John Michie is a long-time Millcreek resident. He and his wife, Sherri, are raising their daughters here. As a kid, Sherri went to school at Eastwood Elementary and lived in the neighborhood just above it.

John has a big BIG heart. Several years ago, he got involved with [Free Bikes 4 Kidz Utah](#), a non-profit that wants to help every child experience "the joys and freedom of riding their first bike."

With John's help, Free Bikes 4 Kidz Utah is partnering with Millcreek's Promise Program to help needy children in our community get that first bike. **Tomorrow, October 5th, from 9 am to 4 pm**, Free Bikes 4 Kidz Utah is holding its 4th annual bike collection event. Gently used kids' bikes, even tricycles, can be dropped off, where volunteers will clean them up. If enough bikes are collected, then as many as 450 Millcreek kids could be the happy recipients of your largesse.

Free Bikes 4 Kidz is a national movement founded by Terry Esau, after he asked some friends to help him get wheels to a needy family, and "quickly found there's an unused or outgrown bike in just about every garage." [USA Today](#), reporting on the Minneapolis chapter of Free Bikes 4 Kidz.

"For many kids, that first bike is the first taste of freedom. For lower-income kids, where transportation may be an everyday issue, that bike can mean so much more." *Id.*

So take a look in your garage tonight and tomorrow. After the Firehouse

Pancake Breakfast (see below), bring your unused or outgrown bikes to Nate Wade Subaru, 1207 South Main in Salt Lake City. Help "turn dusty bikes into shiny smiles!" For more information, visit FB4KUtah.org.

HB411 Renewable Energy Update

MILLCREEK. The Millcreek City Council continues to seek information about the HB411 process for transitioning to renewable electric power by 2030, and related ratemaking concepts. At its October 14th work meeting at 5 pm, the Council will hear again from Rocky Mountain Power, as well as Utah Clean Energy, and Sarah Inwood, a Millcreek resident with expertise in the electric power grid.

The public is welcome to attend and listen at this work meeting, however, public comment will not be taken until the regular City Council meeting on October 28th at or after 7:00 pm at City Hall. At that time, a public meeting during the council's regular meeting will permit Millcreek residents an opportunity to give comment.

Emails and correspondence to the mayor and council members from Millcreek residents on this issue are invited and welcome before and after both meetings. [Click here](#) for their contact information. After receiving public comment, the City Council will make a decision about whether to opt into the HB411 program, likely at its meeting on November 12, 2019 at or after 7:00 pm.

TOMORROW

Come get your NETWORKING on with other small business owners and employees.

RSVP through the Eventbrite link to save your seat!

NEXT SATURDAY

Help Design the Mountain Streetscape!

Millcreek recently hired a landscape architect to design the Mountain Streetscape (the strip between Highland Drive and Mountainair Drive from Elgin Avenue to Miller Avenue, also known as the lilac strip), and we need your input!

We would like to invite you to a stakeholder meeting to enjoy a light breakfast and to discuss design possibilities for the Mountainair Streetscape.

When: **Saturday, 12 Oct 2019, 8:30 am to 10 am**

Where: Adib's Rug Gallery - 3092 South Highland Dr.

The goal of this meeting is to give the design team guidance as they refine a concept for the Mountainair Streetscape. We will hold additional meetings in the future as the design progresses.

Questions? Call or email Francis Xavier Lilly - 801.214.2752 / flilly@millcreek.us

Here are some examples of similar spaces -
What are your ideas for your space??

IMPORTANT NOTICE LANE CLOSURES ON 4500 SOUTH

Beginning on October 7th, Dominion Energy will be installing a new gas main line along 4500 S between 1100 & 1300 E. This will require lane closures in the area that should last until October 14th. Please consider using another route during the construction period. If you are traveling in the area, remember to slow down and be very cautious. Fines for speeding in a construction zone are doubled, we don't want anyone getting a ticket or more importantly, getting hurt.

The graphic features a black header with a white recycling symbol and the text 'WASATCH FRONT Waste & Recycling District' on the left, and 'Recycling Tip #18' in large white font on the right. Below the header is a photograph of a pile of brown, dried leaves. At the bottom of the graphic is a black box with white text providing instructions on how to use fall leaves for composting and mulching.

Recycling Tip #18

Fall leaves are great for composting and providing nutrients around the yard. Mulch them for a ground cover over winter, or till them into your garden for a nutrient boost.

FALL LEAF COLLECTION

MILLCREEK. For those who don't use leaves for composting or have way too many to use that way, the annual Fall Leaf Collection Program will begin on October 15th and last through November 30th.

During this time Millcreek residents can pick up leaf bags at:

- Millcreek City Hall: 3330 S 1300 E (Bags are currently available)
- Millcreek Activity Center: 4405 S 1025 E
- Millcreek Community Center: 2230 E Evergreen Ave.

Filled leaf bags can be dropped off at:

- Canyon Rim Park: 3100 E 3100 S
- Cottonwood Ball Complex: 4400 S 1300 E

WFWRD leaf bags are limited to 10 bags per household, and available while supplies last. Residents can also use and drop off their own purchased leaf bags or lawn bags, as long as the bags contain only leaves.

SAVE THESE DATES:

- Sat., Oct 12 - Mountair Streetscape Open House
- Sat., Oct 19 - [Millfreaks](#)
- Wed., Oct 23 - 3900 S Reconstruction Open House, details to follow
- Sat., Oct 26 - [Trunk O'Treat at Olympus Hills](#)

Meetings with the Mayor

Fridays from **2-4pm** have been set aside for citizens to meet with Mayor Silvestrini. Please call 801-214-2700 to schedule a time.

Several young people chose to "color-blast" the Mayor when they met with him at East Mill Creek Elementary School's recent Dino Dash fundraiser.
