### **Minutes:**

Minutes from June 5th, 2018 were discussed and approved.

## **REPORTS and BUSINESS:**

In addition to regular agenda items this special meeting was called to discuss the Millcreek City General Plan and speed calming strategies for the Mount Olympus Community and hence participation from Millcreek City (Mayor Jeff Silvestrini, Rita Lund, Francis Lilly, Council Woman Cheri Jackson).

1. Neighborhood Clean Up day will be September 15<sup>th</sup> most of the Cleanup Committee members were present including Kyle Taft and Scott Johnson (Community Cleanup Coordinator). Details will be provided at the forthcoming MOCC meetings.
2. Mayor reported that a town hall meeting is scheduled for July 26<sup>th</sup> at Wasatch Junior High. The Millcreek city council working meeting will be from 5:30-6:30P.M., followed by public meeting from 6:30-8:30P.M. Town Hall will focus on shifting of UPD taxes as shown on property tax notices that are being mailed. Also question and answers about Millcreek City General Plan will be entertained.
3. The Mayor and MOCC Chair David Baird discussed UDOT preliminary alternative analysis for the redesign of every lane of traffic in the mouth of Parleys Canyon. Currently four separate traffic designs are being considered to address long term traffic concerns. We are not in favor of UDOT plans as proposed as these plans may severely limit or eliminate the Grandeur Peak Trailhead, along with a considerable risk that Wasatch Blvd may be severely narrowed or eliminated, plus there is a chance that homes along the northern sections of Wasatch Blvd. north of 3300 S. may be at risk. So what can we do

to help? Let us join them in voicing formal **opposition to** these alternatives by reviewing the plans on the link: [udot.utah.gov/parleysEIS](http://udot.utah.gov/parleysEIS). then leaving a voicemail on the UDOT hotline (801) 743-7885 and sending an email. Please voice concerns immediately as comments must be received prior to August 10, 2018. Plus, please attend the next public meeting on this project, scheduled with the Salt Lake City Council on July 31st at 4 pm (451 S. State Street 3rd floor).

4. UPD and UFA monthly reports were presented, the good news is that compared to last year the number of calls during 4<sup>th</sup> of July holiday dropped significantly.

**Meeting Adjourned** at 8:30 pm.

Next Meeting Tuesday August 7<sup>th</sup> 2018.
