REPORTS and BUSINESS:

1. **Unified Police Department Report** (by Detective Ronnie Prescott (Detective Prescott was excused from MOCC meeting for 8/15/17)

2. **Unified Fire Authority Report** will be presented at next meeting. [Capt. Ayers was excused from MOCC meeting 8/15/17]

3. **Report – (Mayor Silvestrini).**
 - a. The city has hired a City Manager and are interviewing for a planning director.
 - b. Millcreek may be leaving SLVLESA but we will not be leaving the services of the Unified Police Department. This decision is the recommendation of a study commissioned by the city. Due to a bill passed in this last legislative session we are not required to hold a public vote in order to make this decision. If we are going to make this move we have to do it now in order to have time to enact a tax to support decision. The City's decision to commission a study around this was because Riverton and Herriman announced their intention to leave. With approximately 40% of the population and a contribution of more than 54% of SLVLESA's taxable value, Millcreek

will have only one vote out of nine on the new board. We are all encouraged to participate in the planning sessions

- c. We will not be sponsoring our own Prepare Fair this year. We will be partnering with other cities. Bill and Ken will be distributing posters. Entry tickets are available for \$5 from the city if purchased before 9/8/17.
4. **4th Annual Community Cleanup**
 - a. Greg Bertola was complimented on all his organization efforts and for the way the event was facilitated
 - b. A record number of participants turned out and completed all of the assigned work in the allotted time.
 - c. The community Council was very happy with the results of the cleanup effort and the beautification of Wasatch Boulevard
 - d. David to send a thank you letter to Greg Bertola and Guy Woodbury for their efforts in the community cleanup day on behalf of the community council
 5. **City Planner Report** (John Jansen)
 - a. Our city attorney has drafted a fence ordinance which is being reviewed and a draft will be published soon and available for discussion at our September meeting.
 - b. The ordinance will focus on 1) fence materials 2) what is allowable in front yards 3) fence heights; and 4) Double fences
 - c. We are all invited to provide input and/or pictures
 - d. David to forward all of us an email he received re: multi-family housing
