Millcreek's Future Grown-ups Weigh in on Millcreek Commons

MILLCREEK. Mill Creek Elementary students have worked hard over the last several months designing their version of the open space that will

Millcreek City Hall
3330 S 1300 E
Agenda below

CITY HALL CLOSED

Mon., 1/22/20

Martin Luther King, Jr.

Calendar of Events](#)

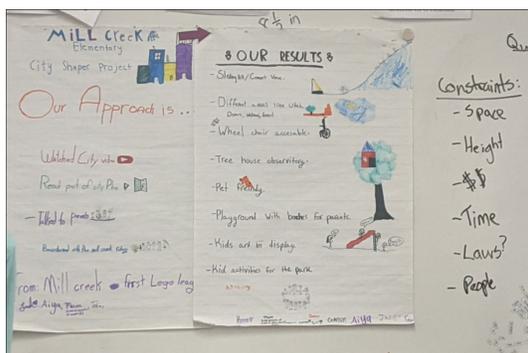

be the centerpiece of our new "downtown".

Fourth, fifth and sixth grade students in the school's [First Lego League](#) were asked "What if you could build a better world? Where would you begin?" Their challenge was to work together to imagine a better future for everyone. Led by Mill Creek teacher Jackson Bellaimy, and sponsored by the Millcreek Rotary Club, the Lego League determined to weigh in on what they wanted to see in the Millcreek Commons, the City's not-yet-built project that is still in the planning stages.

Above all, the students love the idea of a big park in our city center. After taking into consideration such constraints as space, height, and the people the space will serve, these future planners concluded the park should include multiple "biomes", including a desert scape, a wetland, and a forest, all of which could be conducive to local insects and birds.

They also planned an observatory; different playgrounds with plenty of seating for adults; a sledding hill that could double as amphitheater seating in the summer months; and space for food vendors.

They then created these spaces with Lego building blocks, which helps the rest of us visualize how their ideas fit together.

Our kids -- our future -- came up with a remarkably similar concept to what the professionals and grown-ups in the community have been angling toward.

If you want to see what the grown-ups have in the works, come to the Millcreek Common Open House on next Wednesday at City Hall (see flyer below). The

professionals have reviewed the results of the Open Space Poll released last November and come up with a master plan design. We look forward to your comments on what they've been doing.

Many thanks to Mr. Bellamey for his terrific teaching ability and extra work on this big project. And many thanks to the Millcreek Rotary Club for its sponsorship of the school's Lego League.

WEDNESDAY, JANUARY 22ND
6:00-7:30 PM
MILLCREEK CITY HALL (3330 S 1300 E)

MILLCREEK COMMON OPEN HOUSE

The preferred master plan design for Millcreek Common, the open space area in the City Center, will be presented at this open house.

ACCESSORY DWELLING UNITS

OPEN HOUSE THIS THURSDAY

The graphic features a collage of images related to ADUs. At the top left is the Millcreek logo. The central text reads 'ADU OPEN HOUSE' in large white letters. Below this, the event details are listed: 'THURSDAY, JAN. 23RD @ 6-8 PM' and '3330 S 1300 E MILLCREEK'. A URL is provided: 'https://millcreek.us/341/Accessory-Dwelling-Units-ADUs TO TAKE THE SURVEY AND SEE RESULTS'. The graphic also includes several questions: 'Basement Apartment?', 'Studio Garage?', and 'Mother In Law Apartment?'. The background shows various ADU units and interior views.

MILLCREEK. Accessory dwelling units (ADUs) have been a discussion item in Millcreek for many months. Your comments have been collected through two surveys and an open house.

An additional Open House will be held on Thurs., 1/23/20, at 6:00 pm at City Hall (3330 S 1300 E) to present information and collect additional comments from city residents. We need your comments as we determine whether to move forward with an ADU ordinance and if so, how it should look.

Salt Lake City Announces Temporary Emergency Shelter in Sugarhouse

SUGARHOUSE. Plans are going forward to open a temporary emergency shelter in Sugarhouse this winter for people experiencing homelessness. This new shelter, located on the corner of Simpson Avenue. and Highland Drive in the old Deseret Industries building, is intended to be an overflow for the four nearby existing resource centers, three in Salt Lake City and one in South Salt Lake City. [Click here](#) for more information.

Because it is so close to our boundaries, the shelter should help alleviate the recent uptick of campers in Millcreek parks and other areas of our city.

If you want to help with the new shelter, you can drop off donations of blankets, money, and other resources at City Hall, 3330 South 1300 East. [Click here](#) for a list of ten other ways you can help homeless individuals.

For more information, visit www.slc.gov/temporary-shelter, email temporaryshelter@slcgov.com or call 801-535-7711.

Help Millcreek Create a Cultural Facilities Plan

*Do you Love Music?
Dance?
Visual Arts?*

*Everybody Enjoys Arts
and Culture in some
way.*

*We want to know what
you like best and what
you would like to see in
Millcreek.*

MILLCREEK. Salt Lake County and Millcreek are sponsoring a survey to take stock of current arts and culture facilities in the region and improve the overall experience for the community.

This survey is part of a larger effort to create an updated Master Arts and Cultural Facilities Master Plan, with a focus on Millcreek. Your feedback will

help create a plan that is reflective of the city's real needs.

The survey is now in its second phase. So, even if you took the first survey, please help again by completing this new one. It takes only 10 minutes, is completely anonymous and very important. Every response counts and your participation ensures that the plan reflects the actual needs of our community.

Thank you for your ongoing participation and support!
