UPCOMING PUBLIC MEETINGS

Millcreek City Council & Community

7 ADULTS, 2 KIDS, 2 DOGS, AND 12 DUCKLINGS OWE THEIR LIVES THIS WEEK TO MILLCREEK FIREFIGHTERS

MILLCREEK. A whole slew of people and critters are the fortunate recipients this week of Millcreek firefighters' rescue efforts.

Reinvestment Agency

Mon., 4/27/20, 6 pm
City Hall 3300 S 1300 E
Agenda below
(*electronic meeting*)

Firefighters from two Unified Fire Authority stations located in Millcreek, #101 at 790 E 3900 S and #106 at 1911 E 3300 S, were involved in the two separate rescues.

In the first event, firefighters from UFA Station #101 rescued 12 ducklings that had fallen down a storm drain located at 7th East and 42nd South. To the cheers and applause of (socially-distanced) local residents, the entire brood was reunited with their frantic mother and moved to a safe location. Thank you, Station #101, for your successful efforts.

**The
second
event
was
much more
dramatic**

The second event was early Wednesday morning, when a Medic Ladder unit from Millcreek's Station #106 responded to a 3-alarm fire at an apartment building at 4th East and 33rd South in South Salt Lake. On arrival, they found the front of the building fully ablaze, with all three stories of the building and the attic on fire. At that point, the stairwells had become inaccessible, and it was apparent that any residents who hadn't already escaped couldn't.

The ML unit quickly pulled into an adjacent parking lot in the back of the building. Two adults and two kids were hanging out of the windows of an apartment on the third floor, unable to escape. The ML unit cut through a fence to set up their aerial equipment and pulled the victims to safety. The ML unit members then launched a high risk operation to search through all 24 apartments in the building for any more victims. Despite the extreme fire and smoke conditions, they were able to rescue five more adults and two dogs. Thanks to their work and that of firefighters from across the valley, the fire resulted in no fatalities.

Kudos and many thanks to Captain Bob Claudianos, Engineer Roland Gilmore, Paramedic Mike Washburn, Firefighter Jason Barney, and

Paramedic Mitch King, all of Millcreek's Station #106 Medic Ladder unit, for their risky and commendable work.

A MESSAGE FROM THE MAYOR ABOUT THE QUARANTINE:

To Millcreek residents and businesses:

Later today, Salt Lake County Unified Command will issuing a recovery plan for gradual return to normalcy, broken down into four categories of businesses. There is NO relaxation of the Health Order at this time. However, everyone is hopeful we will be able to act in lockstep with the state of Utah, which anticipates beginning the relaxation of the Governor's directive beginning May 1. From all indications, the trends of the infection rate and hospital capacity are heading in the right direction and we have made good progress in slowing the spread/flattening the curve. Nice work, Millcreek! Masks and social distancing will remain in our future for some time, but we can expect a gradual return of our economy and shopping/dining options. We will provide more details as they become available. Thanks for everyone's cooperation!

--Mayor Jeff Silvestrini

Every year, the US News & World Report ranks every High School in the nation. This year, Skyline High School was ranked the **#1 best non-charter public high school in Utah** (outranked only by four charter schools).

ROCKY MOUNTAIN POWER WORKING ON WILDFIRE

MITIGATION ALONG EAST BENCH OF MILLCREEK

MILLCREEK. Rocky Mountain Power (RMP) is conducting its annual wildfire mitigation vegetation maintenance program in the Fire High Consequence Areas (FHCA) of the Salt Lake Valley's East Bench, including Millcreek. If you are subject to this program, you will be receiving (or may have already received) a door card, mailer, or even a knock on your door to let you know. According to RMP, the work has four main objectives:

1. Annually inspect all circuits located in the FHCA.
2. Mitigate trees that are of high risk for structural failure and have a high likelihood of contacting an overhead powerline if they fail.
3. Prune or remove encroaching trees to ensure vegetation does not violate minimum clearance distances prior to the next annual inspection.
4. Remove vegetation to bare ground within a 10-foot radius of some poles, using EPA-approved herbicide to prevent plants from growing back.

RMP advises that this work is critical to aid in the prevention of potential fires and to protect our communities, public lands, watershed and more. For more information, call 801-220-7429.

Helpful Tips for Parents During Distance Learning

By Victoria Hatton - Skyline High School, School Psychologist

- Take care of your mental health
- Ask for help: Talk to your child's teachers, other parents, friends, and family. You don't have to do this alone.
- Focus on what you **can** do rather than what you can't – There is still fun, happiness, and joy in the world, go find it!
- Establish a routine and workspace
- Make time for physical exercise
- Have patience with yourself: Even trained teachers run out of steam and make mistakes. The best you can do today may be different from the best you could do yesterday, but the best you can do is the best you can do, and that is enough.
- Celebrate your child's positive behaviors like kindness, honesty, resilience, patience, and perseverance.

If You Live in a Home Built Before 1978 - This Program May Help Protect Your Kids

Salt Lake County's Lead-Safe Housing Program is Taking Applications

MILLCREEK. Millcreek homeowners may be eligible to obtain help from Salt Lake County to protect their families from the hazard of lead paint.

Most homes built in the U.S. before 1978 were painted with lead paint, which was then-touted as quick-drying, moisture-resistant, and color-enhancing. Unfortunately, as it turns out, lead paint flakes also taste sweet to small children. Evidence that ingesting lead can cause seizures, as well as developmental and behavioral disorders, resulted in a federal ban of the substance in the 1970s.

Though banned, lead paint remains in many homes, and many Millcreek homes have not undergone appropriate lead testing and removal. Salt Lake County is

offering to help.

Pursuant to their Lead Safe Housing Program, the County provides free lead testing for parents expecting a child and for children under the age of 6. The program also offers free home remediation services (like repainting, or replacing windows) for eligible homeowners, renters, and landlords in dwellings built before 1978. For more information and to see if you qualify for free services, visit [Salt Lake County Lead Safe Housing](#) or call 385-468-4892.

WFWRD Offers New Mobile App

Wasatch Front Waste & Recycling District has launched a free mobile app to help us all identify recyclable materials. Search for “Wasatch Front Waste” on the [Apple](#) or [Android](#) app stores. Available in English and Spanish, the app also offers pickup day reminders.

Changes to 2020 Area Cleanup Plan

Due to the COVID-19 pandemic and the need to ensure a safe work environment for employees, Wasatch Front Waste & Recycling District has had to change the way the area cleanup service will be delivered in 2020. This year, **containers will not be placed in the street**, nor will WFWRD staff physically handle any waste, so DO NOT place any waste at curbside. Green waste will not be collected separately.

Instead, residents will be allowed on a first-come, first-served basis to reserve one container to be placed in their driveway on their normally scheduled pickup day. WFWRD will mail you a notice advising of your assigned day. There will be no additional fee for this service. [Click here](#) for more details.

General Watering Guide for Central/Northern Utah

Millcreek is an Idle-Free City

MILLCREEK. Olympus Hills Shopping Center became the first Millcreek business center to install Idle Free signs reminding residents to "Turn the Key, Be Idle Free" while waiting in their parking lot.

Under current pandemic restrictions more people are using drive through and pick up locations and it is important to remember to turn your car off if wait times are more than 2 minutes. Let's do what we can to keep the air we breathe clean.

A limited number of idle free signs are available for Millcreek businesses. Contact Josie Angerhofer at businesscouncil@millcreek.us.

MARCH

Business of the Month

CHILDREN'S SERVICE SOCIETY

Children's Service Society is the oldest non-profit organization in Utah, focused on child welfare. Beginning in 1884, CSS has helped thousands of families in need of social service. Utah Addiction Medicine (4659 S Highland Dr)

We are a team of seven who work closely to provide medical care for people who are currently experiencing substance use disorders, or who are in recovery from them. Addiction Medicine is very rewarding. To see people find hope, to watch them heal and find freedom is incredibly rewarding. COVID has caused us to "retool" so that we can continue to support our folks through this extraordinarily difficult time. In these days of social distancing, we remain "virtually open" and are seeing new and established patients via telemedicine. While it is not the same as spending time with them in person, it is necessary and important that we remain available, albeit remotely. Our team is delighted to be part of the Millcreek community. We wish you and yours good health. Please feel free to stop in and say hello once our doors are open again. 801-852-9440; <https://www.utahaddictionmed.com/>

Vivian Dowsett Interiors

Because we care about your health and safety, we'll do phone and virtual meetings until we can meet you in your home, which are an excellent way to begin a process of change. With most people self-isolating and working and recreating at home, this is a unique opportunity to take a closer look at how your home can become more comfortable and efficient. Perhaps a new paint color, furniture replacement or re-arrangement, better lighting or a well-organized workspace is just what's needed. Once we're able to be out and about, re-doing these elements becomes even more important because you've had time to really understand what works and what doesn't. Change can be so refreshing! Vivian Dowsett Interiors has been designing and decorating homes for over 25 years. In these more challenging times, it's so important to be living your best life in your home. Why not contact Vivian to see how, together, you can make that can happen? 801-870-7900

Meetings with the Mayor
