

**Bond Agreement General Improvements
(Escrow Form)**

THIS BOND AGREEMENT (this “*Agreement*”) is made and entered into effective _____, 20____, by and between **MILLCREEK**, a municipal corporation of the State of Utah, whose address is 1330 E Chambers Ave, Millcreek, Utah 84106 (the “*City*”), and the undersigned, (referred to in this Agreement as “*Contractor*”).

RECITALS:

A. Contractor proposes to improve certain property in the location (the “*Location*”) that is described on exhibit “A” annexed hereto.

B. Various improvements are required by the Millcreek Code of Ordinances or the planning commission for such improvements and in lieu of actual completion of such improvements the Contractor may file a bond with the City in the form of this Agreement.

C. The City is willing to permit the Contractor to pursue development conditioned on Contractor’s promise to install the improvements and on Contractor’s deposit into an escrow controlled by Escrow Agent of an amount equal to the estimated cost of installation of the Improvements (as defined below) as described on exhibit “B” annexed hereto.

D. The parties intend to set forth herein their entire agreement regarding the Improvements and to supersede hereby and to consolidate herein all of their prior negotiations and agreements, whether oral or written, regarding the same.

AGREEMENT:

NOW, THEREFORE, in consideration of the recitals above, the mutual covenants and undertakings of the parties hereto, and for other good and valuable consideration, the receipt and legal sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

Section 1. **Contractor’s Completion and Warranty Obligations.** Contractor irrevocably acknowledges its obligation to install the improvements (“Improvements”) as described on exhibit “B” in the Location without cost to the City and hereby agrees to satisfactorily complete the installation of the Improvements in a good, workmanlike, lien-free manner. For purposed hereof Improvements shall mean installation of the Improvements as described in and pursuant to City ordinances and standards or planning commission requirements. Further, Contractor hereby warrants that the Improvements will be free of defects for a period of one (1) year after all the Improvements have been installed and finally accepted by the City (the “*Warranty*”).

Section 2. **Repairs.** Contractor and the City agree that all responsibility for repair and maintenance of the Improvements remains with Contractor until all the Improvements have been installed and finally accepted by the City (the Improvements and acceptance by the City collectively, “*Improvements/Acceptance*”) and the Warranty has expired.

Section 3. **Deposit.** To assure and guarantee (a) the satisfactory and timely Improvements/Acceptance of the Improvements, and (b) the Warranty (all as provided in Section 1 above), contemporaneously herewith Contractor shall deposit into a segregated escrow account (the “Escrow”) controlled by Escrow Agent for the amount and in the sum of \$_____ (the “Deposit”), which is the estimated cost of the Improvements as set forth in exhibit “B.” Contractor shall pay all escrow fees and other charges charged by Escrow Agent in connection with the Escrow. Escrow Agent hereby acknowledges the Deposit and the establishment of the Escrow and hereby irrevocably agrees to hold and disburse the Deposit only in accordance with the express terms of this Agreement.

Section 4. **Assignment of Deposit.** Contractor hereby assigns, transfers, and sets over to the City all of Contractor’s right, title, and interest in and to the full proceeds of the Deposit and also hereby assigns, transfers, and sets over to the City the right to use the Deposit in the event of any default or noncompliance in the performance for which this bond is posted and filed.

Section 5. **Release of Deposit.** If Improvements have been constructed to the reasonable satisfaction of the City, then the City will release ninety percent (90%) of the Deposit that is associated with the Improvements. Further, if one (1) year after final Improvements/Acceptance of the Improvements and the Improvements are then free of defects, normal wear and tear excepted, the City will release the remaining amount of the Deposit.

Section 6. **Failure to Install Improvements/Failure of Warranty.** If (a) Improvements/Acceptance of the Improvements has not occurred within two (2) years from the effective date at the beginning of this agreement, or (b) the installed Improvements are not free of defects for one (1) year after final acceptance by the City, then the City may unilaterally (without consent or approval of any kind from Contractor) at any time thereafter use the Deposit (full or any amount). The City shall be deemed fully authorized (without further action or notice whatsoever) to use as much of the Deposit as is required (in the City’s sole opinion) to satisfactorily complete installations of the Improvements and/or to repair any defects therein, including (without limitation) the cost of any and all incidental construction, legal, administrative, or engineering fees or expenses incurred by the City to affect such work. Any balance of the Deposit remaining after payment of all such costs, fees, and expenses, and a reasonable reserve, in an amount determined by the City, shall be refunded to Contractor.

Section 7. **No Waiver or Estoppel.** This Agreement is irrevocable unless revoked by the mutual consent of Contractor and the City. Neither this Agreement nor deposit of the referenced escrow by Contractor and the acceptance of the Deposit or this Agreement by the City shall constitute a waiver or estoppel by or against the City concerning the Improvements, nor shall any such matters in any way relieve Contractor from the obligations to (a) timely achieve satisfactory Improvements/Acceptance of the Improvements or (b) fully perform under the Warranty, regardless of whether or not the Deposit is adequate to pay for the satisfactory

Improvements/Acceptance of the Improvements or the satisfactory fulfillment of the Warranty. If the Deposit is inadequate to pay for the cost of Improvements for whatever reason, Contractor agrees to pay such deficiency independent of this Agreement, which amount may include all incidental construction, legal, administrative, or engineering fees or expenses incurred by the City to affect such work. Additionally, no further permits or approvals shall be issued to the Contractor until such deficiency is cured.

Section 8. **Inspection.** The City shall have the right to inspect Improvements during construction. If Improvements involves underground Improvements, then the Contractor shall notify the City in writing when underground Improvements are ready to be backfilled and agrees not to backfill such trenches or excavations until such underground improvements have been inspected by the City.

Section 9. **General Provisions.** The following provisions are also an integral part of this Agreement:
