MT. OLYMPUS SENIOR CENTER REGULARS GET VACCINATED

MILLCREEK. Vulnerable seniors who regularly are served by Mt. Olympus Senior Center were vaccinated against the COVID-19 virus earlier this week. Encouraged to sign up ahead of time, more than 250 seniors came in to the Center to get the vaccine.

“COVID-19 has taken a particularly hard toll on our senior citizens,” said Mayor Jeff Silvestrini, who volunteered to help streamline the vaccination process . “I’m thrilled that our senior Millcreek residents are receiving this life-saving vaccine. This is the first step toward returning to life as normal.”

Mayor Silvestrini strongly encourages all Millcreek residents to receive the vaccination when able and at the appropriate time.

Utah Governor Cox announced yesterday that the age for vaccine availability will be lowered as of March 1st to age 65. Those with [certain vulnerabilities](#) will also be eligible. Salt Lake County will announce in the coming weeks how to get an appointment. [Click here](#) for the most current information available (the site is updated regularly).

The CDC [has assured the public that the COVID-19 vaccine is safe and effective](#). “I encourage all Millcreek residents to sign up for vaccination when their age group becomes eligible,” said Mayor Silvestrini. “Getting vaccinated not only protects you, but offers the best hope to protect those most vulnerable around you. Show your family, friends, and neighbors that you care about their

health and safety by getting vaccinated. The sooner we all do this, the sooner we can return to being with our loved ones again and regaining our normal lives.”

Only healthcare workers, first responders, and people 70 and older who live in Salt Lake County are currently eligible for vaccines from the Salt Lake County Health Department. Essential workers may also receive it from their employers. While all vaccine doses have been allocated at this time, [click here](#) to sign up to be notified when COVID vaccine appointments are available again.

We are immensely grateful to our frontline workers are tirelessly laboring to ensure the COVID-19 vaccine is distributed safely, widely, and efficiently.

The logo for Millcreek City is circular with a blue border. Inside the circle, there are four quadrants: top-left shows a mountain range, top-right shows a mountain range, bottom-left shows a house, and bottom-right shows a house. The text 'CANYON RIM • MT. OLYMPUS' is at the top and 'EAST MILL CREEK • MILLCREEK' is at the bottom. A blue banner across the center contains the word 'MILLCREEK' in white capital letters.

JOIN THE MILLCREEK ARTS COUNCIL

We all understand the challenges we faced in 2020 and, honestly, many of those challenges still remain... But we came together to create a safe, fun, magical and fun music festival last summer and we have the imagination, creativity, resources, and hand sanitizer to continue creating magic in 2021!

What we need now is a collective of volunteers, board members and committee chairs to create the possibility of the arts and artists thriving in Millcreek!

As we build awareness, appreciation and access to the Arts in our community, we need to get organized! Please join us on the 2nd Tuesday evening of each month at 7:30 PM via ZOOM. Visit <https://millcreekartscouncil.org>, and scroll to the bottom to subscribe to receive the ZOOM link and other announcements.

Still Seeking Millcreek Planning Commissioner

MILLCREEK. The City is still accepting applications for volunteers to serve on the Millcreek Planning Commission. This important commission helps make decisions regarding land use planning in our City.

In particular, the City is looking for a qualified applicant who resides in Council Districts 1 and 2, or generally the area west of 900 East.

Interested residents are asked to complete the [Planning Commission application](#) and return it to Francis Lilly, Planning & Zoning Director, by email at flilly@millcreek.us or by mail to Millcreek, attn: Francis Lilly, 3330 S 1300 E, Millcreek, UT 84106.

3900 SOUTH PROJECT UPDATE - FEBRUARY 2021

MILLCREEK. Utility improvements have been completed on the stretch of 3900 S between 2300 E and I-215. Pavement reconstruction is scheduled to begin as early as Monday, Feb. 15 and is anticipated to be completed in 2021. Residents can expect to see trucks and workers within the project limits conducting preconstruction activities as early as this coming Monday, Feb. 8.

Crews will start on the east end near I-215 and continue to work west toward 2300 E. [Click here](#) and then on the "3900 South Reconstruction" tab as work begins for more information on traffic patterns and property impacts during construction.

Two-way traffic and public transportation is expected to be maintained along 3900 S. Bicycle access will be restricted at times during construction, and detours will be provided. Services such as postal deliveries, and garbage or recycling pickup will also continue regularly.

What to Expect:

- Daytime work activities (sunrise to sunset)
- Reduced speed limit
- Lane closures and width restrictions
- Sidewalk closures
- Increased noise, dust and vibration
- Periodic driveway access restrictions
- Street parking limitations
- Traffic delays

Residents and drivers are encouraged to plan for delays on 3900 South and use an alternate route when possible to avoid construction activities.

To learn more about the revised schedule or planned improvements for the corridor, please email 3900southproject@gmail.com or call (801) 509-6639. You can also visit our [Current Projects page](#) for more information.

UNIFIED POLICE

A Message from the Unified Police Department of Greater Salt Lake:

As you are aware, crime is a problem which impacts everyone. Fortunately, technological improvements have allowed the wide use of a variety of cameras in both businesses and residential areas. The Unified Police Department is creating a program to help you, the business or homeowner, do your part to deter and detect criminal acts.

How it works:

A business or property owner installs a surveillance system on their property. At this point, the camera likely serves as a deterrent to criminal activity. However, unbeknownst to them, the surveillance system may have recorded criminal activity occurring nearby. The UPD SafeCam program identifies surveillance systems in the area which may have captured the event. An officer may contact the owner and request they search their camera system for anything relating to the crime. If anything was captured, the officer uses this information to help identify the perpetrator.

The UPD SafeCam program broadens the investigative leads available to solve the crime. UPD SafeCam program gives you and the Unified Police Department the chance to work collaboratively in solving the crime.

What UPD WILL do if you are registered:

- 1. Notify you of a crime in your area request you to review your cameras*
- 2. If you observe anything suspicious, UPD will follow up on that investigative lead*

3. *UPD will pass that information on to patrol officers and others involved in solving the crime*
4. *Hopefully, the criminal will be identified and apprehended. This might not have been possible without your assistance*
5. *Issue you a window decal to show your participation in the program*

What UPD WILL NOT do:

1. *"Tap" into your surveillance system*
2. *Ask for any of your vital personal information*
3. *Continuously monitor your surveillance system*
4. *Release any of your information unless mandated by court order*

Participation in this program is voluntary and, if enrolled, you may opt out at any time. The business or property owner must already own an existing security system that can be hooked up to the SafeCam (ex: Nest, ADT, Ring, etc.)
