MILLCREEK. Based on residents' requests and because we have been seeing Bird scooters in our city with no way to regulate them, Millcreek has entered into a license agreement with Bird. This will allow Bird scooters to be more available to Millcreek residents starting on May 27th, and establish some ground rules for their operation.

The scooters will be accessible through a mobile phone application. Riders will pay to use the scooter per minute, at no cost to the city.

"We welcome Bird to Millcreek as a responsible partner and look forward to

having the scooters available in a way which balances various interests -- riders, vehicle operators, residents and businesses." said Mayor Silvestrini. "I am hopeful Bird scooters will prove a valuable addition to our community, helping to achieve transportation equity, reducing carbon emissions and traffic congestion, and providing an eco-friendly alternative to traveling around Millcreek."

Riders must be at least 18 years-old to access the scooters, and are encouraged to wear a helmet on every ride. Scooters have a maximum speed of 15mph, and can be used on roads and in bike lanes. Riders are required to obey all standard rules of the road. Scooters must be parked out of the way of pedestrians and never blocking driveways.

"These scooters can be utilized for a number of different activities, such as traveling to work, making a quick trip to the grocery store, or visiting a local Millcreek business," said Mayor Silvestrini. "We anticipate that the scooters will help people without cars get around more readily, and also provide that last-mile connection to public transit."

Bird offers the following programs that are available for all who qualify:

- **Community Pricing** - Bird's [Community Pricing Program offers a 50% discount](#) to low-income riders, Pell grant recipients, select local nonprofit and community organizations, veterans, and senior citizens. It's designed to be the most inclusive micromobility discount program available anywhere. To sign up for the Community Pricing Program, download the Bird app, create an account, and email your proof of eligibility to access@bird.co.

- **Free Rides for Healthcare Workers and Emergency Personnel** - Bird is proud to offer [free rides to healthcare workers and emergency personnel](#). To sign up, simply email a copy of your medical identification card along with your name and phone number to together@bird.co. Eligible riders will receive two free 30-minute rides per day for as long as it takes to help our communities to recover from this global health crisis.
- **Community Mode** - Community Mode allows anyone with a Bird account to report or provide feedback on vehicle-related issues, such as poorly parked or damaged vehicles. When a report is submitted, a member of the Bird team is assigned to correct the issue. Anyone can access Community Mode by tapping the yield sign on the bottom left of the map in the Bird app.

Questions or concerns about the scooters can be directed to Bird at [1-866-205-2442](tel:1-866-205-2442) or hello@bird.co. More information about the company can be found on their website (www.bird.co) and on their blog (www.bird.co/blog).

Millcreek's Recent Job Fair Was a Success

MILLCREEK. We want to thank the 40+ employers that participated in the Millcreek Job Fair last Friday. Approximately 80 job seekers were in attendance (and there were plenty of delicious waffles from Waffle Love!). Many Millcreek businesses are struggling to hire right now, and [Utah's 2.9% jobless rate is the lowest in the U.S.](#) Our Business Council advises we'll do another job fair soon, and encourages us all to shop locally and continue to look for ways to help our Millcreek businesses flourish.
