NEW PROPERTY MAINTENANCE CODE TOOK EFFECT THIS WEEK

MILLCREEK. Last May, the Millcreek City Council discussed and approved a new [Property Maintenance Code, Section 15.44](#). The new code went into effect this past Wednesday, September 1, 2021.

In the past, property maintenance regulations covered only a few neighborhood safety and nuisance concerns, such as weeds, junk vehicles,

and trash. The new property maintenance code expands those concerns to vacant structures, dead trees, graffiti, poor drainage, open storage, and other like nuisances.

The intent of this new code is to provide our city's code officers with additional tools to assist in keeping Millcreek safe, secure, and looking good. The new code includes the following:

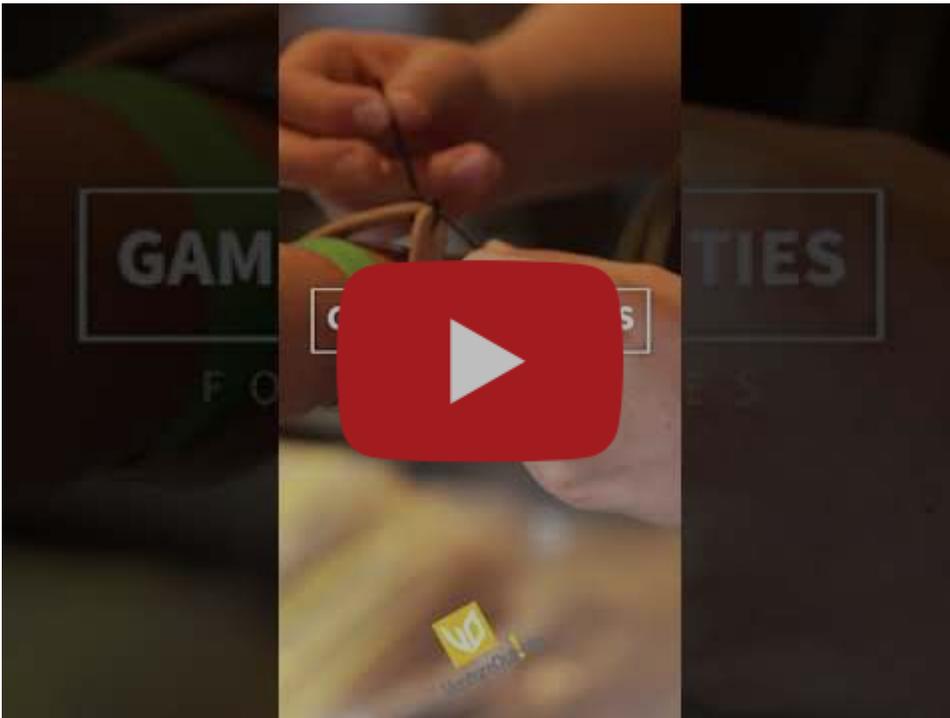

- Code compliance inspector responsibility – to ensure that property areas seen from the city right-of-way (street or sidewalk) meets the minimum standards of the code
- Property owner responsibility – ultimate responsibility for the care of a property is the owner
- Vacant structures and land – these shall be kept clean, safe, secure, and sanitary
- Outdoor storage – this should be kept under roof and on a solid surface, not in the open
- Yard drainage – water shall drain away from foundations and not puddle
- Dead or damaged trees – the hazard shall be eliminated
- Accessory structures (sheds, fences) – maintain them in good structural condition
- Graffiti or destruction of property – shall be cleaned up or repaired
- Driveways and sidewalks – maintained in good repair
- Swimming pools and pool fences – shall be maintained in a safe and clean condition
- Structures – shall be maintained. This means surfaces shall be finished with paint, stucco, siding, etc., windows and doors shall operate correctly, stairways and rails shall be secure and safe, roofing and skylights shall be sound, and property features such as fences and gates shall be well maintained
- Property identification – a posted address
- Appliances and interior furniture – not to be stored on site and all trash shall be removed
- Electrical, plumbing, mechanical, and storm drains – shall be maintained in a safe condition

If you have any questions, please call [801-214-2700](tel:801-214-2700) and ask for a

code compliance inspector.

The League of Women Voters and East Mill Creek, Millcreek, and Mt. Olympus Community Councils invite you to attend:

Millcreek 2021 Candidate Forum

Wednesday, October 6, 2021
Millcreek City Hall, 3330 So. 1300 East

Become an informed voter!

Join us for moderated Q&A discussions being held for Millcreek District 2 and District 4 City Council races. You'll have an opportunity to hear directly from candidates about their views and positions on issues impacting our community.

Candidates will appear together in groups as follows:

5:30-6:30 pm Council District 2 (Promise Room)
6:30-7:30 pm Candidate Meet & Greet (Lobby)

7:30-8:30 pm Council District 4 (Promise Room)

To encourage broad participation, we are offering the Forum as a hybrid event, enabling candidates and residents to choose the format -- in person or via video teleconferencing -- that best accommodates their needs. If you choose to attend in person, please arrive 10 minutes before the start time for the Q&A discussion you wish to attend as we'll begin promptly. The log-on details for those opting to participate via video teleconference will be provided in an upcoming issue of this e-newsletter.

To help ensure candidates address a wide range of topics, including those top of mind for voters, your participation in this process is critical. We invite you to submit questions in advance in writing to the League of Women Voters for consideration for the Q&A discussion. The link to the online form will be provided shortly. Deadline for online submission is September 22nd.

The League of Women Voters, a nonpartisan political organization, encourages the informed and active participation of citizens in government, works to increase understanding of major public policy issues, and influences public policy through education and advocacy.

Millcreek's election this year will be by ranked choice voting. Information on ranked choice voting can be found at rankthevote.org. Ballots will be mailed to District 2 and District 4 voters during the week of October 11th. [Click here](#) for more information on Vote By Mail.

Local government is one of the areas where citizens can have the most influence to affect the change they want to see, but participation in municipal elections is nearly always low. This is a hugely important part of our democracy, so we want to make Utah's young voices heard in local government.

IF I RAN THE CITY is a video contest for 16-29-year-old Utah residents to share ideas about what YOU would change in your city- and to make civic participation fun!

To enter the contest, post a public video with the hashtag **#IfIRanTheCity** on TikTok, Instagram, Twitter, and/or Facebook with your idea to run YOUR city by 5:00pm on October 22, 2021.

Winning participants will get prizes including cash and the chance to shadow your Mayor or City Councilperson!
