The Millcreek City Council serves as the Community Reinvestment Agency Board. The purpose of the Community Reinvestment Agency is to help form and oversee Community Reinvestment Areas (C.R.A.), which allow the community to capture tax increments during a designated time period and reinvest it back into the area to help fund improvements. These funds are a valuable resource to help the City fulfill its planning, economic development, and place making goals. The Millcreek Community Reinvestment Agency currently manages four C.R.A.s: Millcreek City Center, Woodland Avenue, West Millcreek, and MedTech.

FY 2022-23 C.R.A. Budget Prepared By:

Mike Winder, *City Manager*

Christelle Gatoro, *Economic Development Assistant*

Josie Showalter, *CDBG / Grants Administrator*

Laurie Johnson, *HR-Finance Director*

Stephanie Bond, *HR Manager*

June 27, 2022

Community Reinvestment Agency Meeting (CRA):

- * Review, Public Hearing & Adoption of FY 2021-22 CRA Fund Final Budget Amendment

Millcreek City Center

The Millcreek City Center CRA was created in 2019 to assist in creating Millcreek's new City Center, Millcreek Common. This project aims to create a downtown City Center and will include community gathering spaces, plazas, and a mix of uses to promote civic pride and enhance the city's tax base—all while supporting local businesses and helping them thrive. Over the next 20 years, 75-80% of all new property tax revenue will be reinvested back into this project area for improvements such as Millcreek

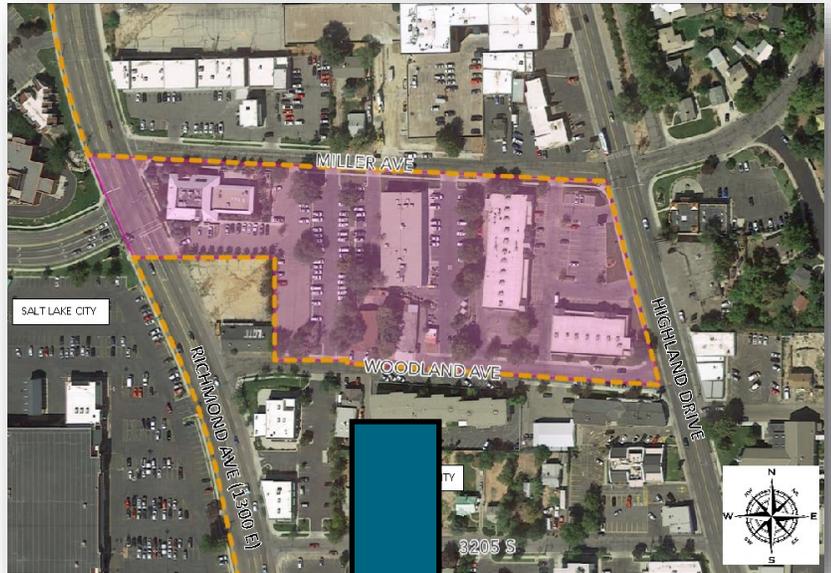

Common and the implementation of new sidewalks, street lights, planter boxes, parking spaces, and structures. For more information on this project, please visit <https://millcreek.us/275/Millcreek-Center-CRA>.

Millcreek City Center Rendering.

Woodland Avenue

The Woodland Avenue CRA is the Millcreek Community Reinvestment Agency's newest adopted community reinvestment area. This project area lies within the boundaries of Millcreek's new City Center, but the parcels within the new CRA were only annexed into Millcreek in July 2020; thus, Millcreek needed to create a new CRA to capture the tax increment to support the new City Center. This project aims to assist the Millcreek City Center CRA in creating a downtown City Center that will include community gathering spaces, plazas, and a mix of uses to promote civic pride and enhance the city's tax base—all while supporting local businesses and helping them thrive. Millcreek plans on triggering the Woodland Ave CRA on or before March 1, 2023. Over the 20 years following the trigger date, 75-80% of all new property tax revenue will be reinvested into this project area for improvements such as Millcreek Common and the implementation of new sidewalks, street lights, planter boxes, parking spaces, and structures. For more information on this project, please visit <https://millcreek.us/431/Woodland-Avenue-CRA>.

West Millcreek

The West Millcreek C.R.A. was transferred to the Millcreek Community Reinvestment Agency from Salt Lake County at the beginning of 2019. This project area includes 184 acres of multi-residential, minor commercial, and light industrial uses and is bordered by 200 East, I-15, 3900 South, and Big Cottonwood Creek. Recent focuses of this C.R.A. include the completion of the Artesian Springs apartment

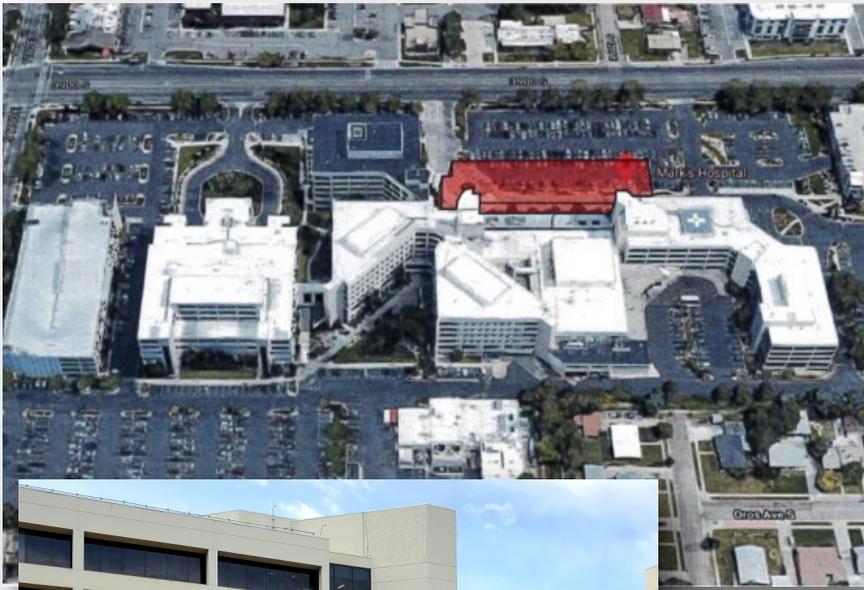

complex, and the development of the Opus Green townhomes project which will include a trail walk and a children's park. The goal of this C.R.A. is to bring increased property tax revenue to the participating taxing entities, who will receive 20% of the tax increment until the project is complete. Until then, over the next 20 years, 80% will be reinvested into this project area by the Millcreek Community Reinvestment Agency. For more information on this project, please visit <https://millcreek.us/293/West-Millcreek-CRA>.

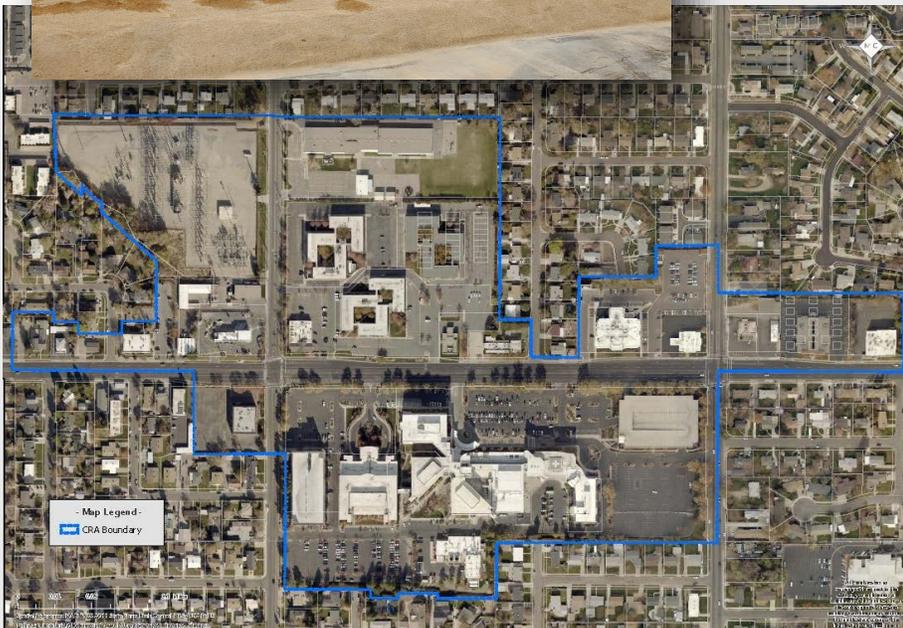

Artesian Springs
Apartments

MedTech

St. Mark's
North Tower
groundbreaking.

The MedTech CRA was adopted in the spring of 2021. This project area includes approximately 91 acres of commercial and institutional uses. This project aims to enable the development of a new medical tower with an enhanced façade at St. Mark's Hospital and influence the redevelopment of commercial and office space within the Project Area. This CRA aims to bring increased property tax revenue to the participating taxing entities, who will receive between 20-30% of the tax increment until the project is complete. Millcreek plans on triggering the MedTech CRA on or before March 1, 2025. Over the 20 years following the trigger date, 70-80% of all new property tax revenue will be reinvested into this project area for improvements such as the enhanced façade for St. Mark's Hospital and the implementation of new sidewalks, streetlights, and improved transit stops. For more information on this project, please visit <https://millcreek.us/392/MedTech-CRA>.
