New Suicide Prevention Lifeline

Active July 16th

988

The [National Suicide Prevention Lifeline](#) will go live this July. **988** has been designated as the three-digit dialing code that will route callers to the National Suicide Prevention Lifeline and increase accessibility of the Lifeline for individuals beginning July 16, 2022.

A direct three-digit line to trained counselors can open the door for millions of Americans to seek the help they need, while sending the message to the country that healing, hope, and help are happening every day. As the universal dialing code for the National Suicide Prevention Lifeline, 988 will increase the accessibility of these life-saving interventions and resources.

Similar to the National Suicide Prevention Lifeline, a 988 crisis line that is effectively resourced and promoted will be able to:

- Connect a person in a mental health crisis to a trained counselor who can address their immediate needs and help connect them to ongoing care
- Reduce health care spending with more cost-effective early intervention
- Reduce use of law enforcement, public health, and other safety resources
- Meet the growing need for crisis intervention at scale
- Help end stigma toward those seeking or accessing mental healthcare

Increased collaboration between 911 and 988 can provide more options for those in crisis, such as dispatching mobile crisis teams to individuals in mental health or suicidal crisis rather than police or EMS, and greater coordination of care options like crisis stabilization units. Such collaborations can reduce the burden on the costly use of hospital emergency departments.

Even If Someone In Crisis Knows Where The Key Is, The Time It Takes to
Unlock a Firearm May Be Just Enough Time For Them to Change Their Mind!

Store Your Firearms Safely!!

Pick up a **FREE** gun lock at City Hall (3330 S 1300 E) during
regular business hours 8-5.

Thanks to Intermountain Healthcare for providing this important
safe firearm storage tool to our community.

Granite Branch Library Open House

Celebrate the opening of the County Library's new Granite branch with crafts, games, activities, and scavenger hunts for adults and kids, along with a ribbon cutting and speeches from local leaders.

In 2020 Salt Lake County broke ground on the Granite branch, a 33,000 square-foot facility in South Salt Lake, located at the corner of 3300 South and 500 East. The Granite branch is built on the site of the old Granite High School building, which was closed in 2009. Community feedback was instrumental in the design and planned services of the Granite branch, which focuses on preserving the history and community of the neighborhood.

Be a Part of the New City Hall!

Millcreek City Hall is well on its way! You may be able to see the cranes, elevator shafts, and general excitement as you drive past the Millcreek Common. Our new city hall is going to be a hub of community activity when it is opened for business in August of 2023. It will be the new headquarters for all

Millcreek City staff, Millcreek's police precinct, and (more importantly to some) a restaurant and café!

Artist rendering of a future restaurant space (left) and cafe space (right) on the first floor of the new City Hall.

Millcreek is now seeking RFPs (Requests for Proposals) for the new café and concept kitchen going in on the bottom floor of City Hall. These new spaces will be located right next to the already popular Millcreek Common skating ribbon and down the hall from the upcoming 10,250-sf public market area. These state-of-the-art facilities will become a gathering place for our Millcreek community.

Is YOUR business a great fit for the new café or concept kitchen in City Hall? Reach out to our Economic Development team at mgray@millcreek.us for more information!

Mayor Silvestrini and his wife, Leslie, get ready to join the Lions Club Fourth of July parade with a cart full of candy!!

Fridays from 2-4pm have been set aside for citizens to meet with Mayor Silvestrini. Please call [801-214-2700](tel:801-214-2700) to schedule a slot.
