## **Big Cottonwood Creek Clean Up Was A Resounding Success**

MILLCREEK. 80-plus volunteers and collaborators removed more than 8,500 pounds of debris and litter from Big Cottonwood Creek on August 14th. Overgrown trees and invasive plant species joined discarded tires, metal, concrete, brick, food wrappers, and plastic and glass bottles in the removed trash heaps.

Keep Nature Wild, Save Our Canyons and Seven Canyons Trust came together to host the event.

The cleanup event was also supported by

- Caroline Gleich, a local professional athlete and outdoor activist
- Backcountry provided raffle prizes
- Uinta Brewing hosted our post-event social at The Brickyard Grill.

Several other projects are underway in this part of Millcreek. Find upcoming events from Seven Canyons Trust, Save Our Canyons and Keep Nature Wild on their websites: <https://sevencanyonstrust.org/>, <https://saveourcanyons.org/>, and <https://keepnaturewild.com/>

## **SCHOOL'S STARTED; BE ALERT AND SLOW DOWN**

MILLCREEK. School started yesterday, August 18th. This means students will be walking to and from school locations during the week, and drivers must use extra caution when traveling in neighborhood areas and school zones.

Granite School District urges drivers to follow the directions of crossing guards

and adhere to school bus cross arms. Vehicles must slow down in active school zones, and drivers must be on alert during morning and afternoon commutes. Failure to drive responsibly around schools puts our students at risk.

## **MONDAY** **Summer Jam Concert Series**

Millcreek Summer Jam Concerts continue Monday evenings at Canyon Rim Park (3100 S 2900 E). Join the Millcreek Arts Council at 7:30pm, sit in the shady amphitheater and enjoy some great music. Millcreek Summer Jam Concerts are free, open to the public, and family friendly.

**August 22: Ginger and the Gents**

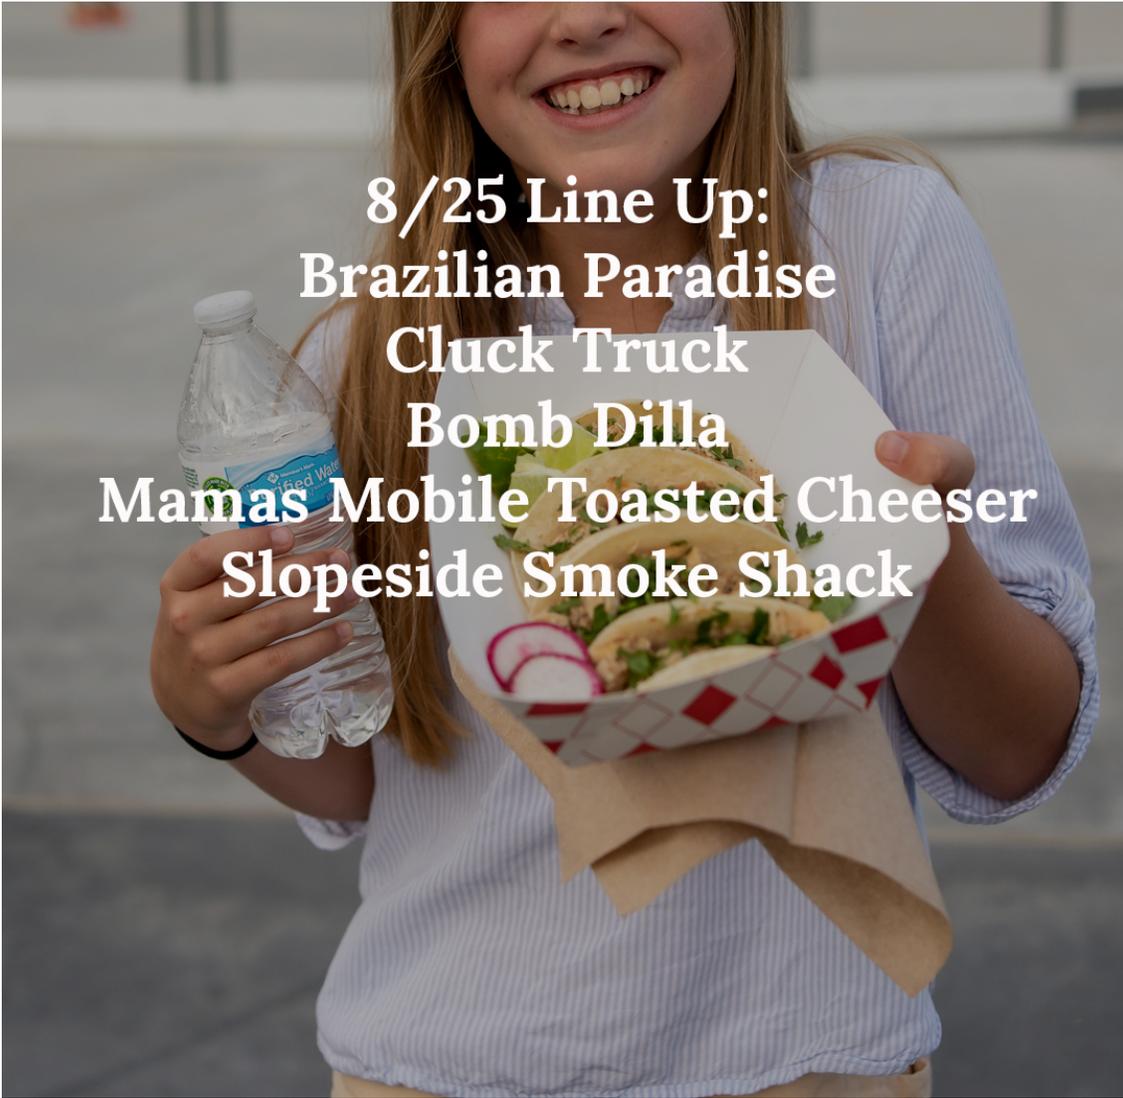

Dirty rock and soul resting on a bed of heavy blues with a psychedelic twist is one way to describe the music of G&TG. Defined by powerhouse vocals and transformative instrumentation, G&TG brings a new spin to a classic story we know as rock 'n' roll!

*Sponsored by Salt City Homes, The City of Millcreek, and Venture Outdoors. Please visit [www.millcreekartscouncil.org](http://www.millcreekartscouncil.org) for more on these and other artistic events in our community.*

An advertisement for roller skating classes. The top part shows a person's feet on roller skates with orange wheels on a paved surface. Below this is a white banner with the text "NEW AT MILLCREEK COMMON" in black. To the right of the banner is a logo consisting of several concentric, colorful arcs in shades of green, orange, and blue. Below the banner is a dark green box containing a white hand icon with the letters "TW" and the text "FOR ONE TUESDAY". To the right of this box is the text "learn to skate Monday Beginner Classes" in a mix of blue and orange fonts. At the bottom is a dark blue box with the text "WATER SLIDE WEDNESDAYS" in white, with a white water drop icon above the word "SLIDE".

## **Scoop the Poop—Protect Water Quality**

MILLCREEK. When dog waste is left on the ground, it breaks down and eventually washes into storm drains. Since storm drains and sewers discharge directly into streams, canals, rivers, and lakes without undergoing any treatment, bacteria from pet waste enters our shared waterways, impairing water quality, and making it unsafe for aquatic life and human health.

In the U.S., dogs produce 10 million tons of waste each year, and just one gram contains as many as 23 million fecal coliform bacteria. Other bacteria and parasites in dog waste, such as E.coli, Salmonella, and giardia, can spread disease and impair water quality.

On walks, always carry a baggie to scoop the poop and dispose of it in the trash. At home, clean up dog waste in your yard as frequently as possible and dispose of it in the trash.

## DONATIONS NEEDED!

Millcreek Promise is working in partnership with The Asian Association of Utah to begin an afterschool program for children in grades 1-5 who attend William Penn Elementary and who also reside at Holladay Hills Apartments. We want to serve this high-needs population with a 5-day week experience:

- 1 hour academic tutoring
- 1 hour of fun, safe activities for enrichment

We hope to start the program on Monday, August 29th. Anyone who would like to donate in support of this program is invited to do so. Donations can be dropped off at Millcreek City Hall (3330 S 1300 E).
