African-Caribbean fusion to Millcreek.

As [Kafé Mamai's website](#) explains, "Chef Abudu moved to the United States in 2001, and Utah in 2016. He is from Lamu, an island off the coast of Kenya. Abudu has been in the kitchen since he was a child. He's worked various levels in restaurants including owning an eco-lodge with a restaurant in Kenya."

Chef Abudu is a graduate of the International Rescue Committee's Spice Kitchen Incubator program. "I am beyond excited to come to Millcreek!" he said.

The vision of the concept kitchen in the Millcreek Public Market is to help nurture budding restauraners, helping them take their ideas to the next level. Kafé Mamai is a perfect fit and brings something very unique and delicious to the area: jerk chicken sandwiches and salads, fried plantains, sambusas, Moroccan lamb burgers, vegan dishes, daily specials, and more.

“Millcreek is doing something very special with Millcreek Common, and I’m so happy to be part of it,” Chef Abudu said.

Join The Strut Your Mutt Team

Join Salt Lake County Animal Services' Strut Your Mutt Team! We're raising funds to save the lives of homeless pets through a community celebration of our favorite furballs.

FREE microchips will be provided to all Salt Lake County pets who stop by our booth at the event. This year, it will take place on **Saturday, October 15th** at **Liberty Park** in Salt Lake City.

This year's donations will be used to improve the dog kennels at the shelter. We seek to provide each animal with an enhanced feeling of safety and protection in their kennel while at the same time creating an environment that feels welcoming for people looking to adopt a canine companion. This is the launch of a long-term capital campaign for **JUST** the dog kennels that will span several years and cost approximately \$500,000. This does not include plumbing, HVAC, flooring, etc.

Please join us either by registering for our team or donating to one of our team members. Your donation is tax deductible and each participating animal welfare organization keeps 100 percent of the money raised after transaction fees. And the best part? That money is used to improve the lives of homeless pets.

Thank you for your support. Questions? Email events@slco.org.
