### **Late Fall / Early Winter Street Issues**

#### ***Announcements***

#### **PUBLIC MEETINGS**

**Special Meeting of  
City Council, Planning  
Commission, and  
Historic Preservation  
Commission**

Wed., 11/9/22, 7 pm  
City Hall, 3330 S 1300 E

MILLCREEK. It's that time of year. Snow and leaves are both falling and things are getting a bit sloshy. It's time to get out the snow shovels but not yet time to put away the leaf rakes.

Fallen leaves left on roadways clog drains, which in turn causes flooding, frozen puddles and pooling water that can back up into yards and homes. Please help out —while you are out raking and bagging those pesky leaves, take

Or join virtually [HERE](#)  
*Agenda below*

some time to clear them from the storm drain you may have in the front of your home. A little extra effort can go a long way to avoid problems.

## **Historic Preservation**

### **Commission**

Thurs., 11/10/22, 6 pm  
City Hall, 3330 S 1300 E  
Or join virtually [HERE](#)  
*Agenda below*

You can pick up free leaf bags at City Hall, 3330 S 1300. Through November 30th, you can drop off your bagged leaves at [designated locations](#) to be picked up by the [Wasatch Front Waste & Recycling District](#).

This week's snowstorm reminds us that it is time to get out the snow shovels. Millcreek provides snowplowing services through a contract with the Salt Lake County Public Works department. We appreciate the hard work the Public Works crews devote to keeping Millcreek streets clear and safe but it also takes the help of our residents to make sure these storms do not have major impacts. Keeping sidewalks clear, not pushing snow onto streets, and not parking vehicles on the street when it is snowing or there is snow on the street are important ways residents can help.

City Hall receives many phone calls and emails the day after a major snow storm from residents wondering about snow removal code or calling to report an unplowed street or sidewalk. Here are answers to commonly asked questions:

### **WHY CAN'T I PARK ON THE STREET WHEN IT'S SNOWING?**

Millcreek ordinance states (11.20.130 Parking Prohibited When) that no person shall park a vehicle on any city street when it is snowing or snow is on the street during the months of November, December, January, February, March, and April. If there are cars parked on the street, the plows cannot clear the roadway adequately and cars are at risk of being hit by a plow. If a driver does not feel the plow can be safely maneuvered around illegally parked cars, that street will not be cleared.

### **WHAT ABOUT MY DRIVEWAY APPROACHES?**

Snowplow drivers make every effort to push snow off of roadways onto park strips or along the edge of roadways, but it is impossible to not push snow into driveway approaches. The City does not have the resources to clear the thousands of driveways throughout the City. Unfortunately, therefore, snow removal on driveway approaches is the resident's responsibility.

### **WHY CAN'T I SHOVEL MY SNOW INTO THE ROADWAY?**

It is unlawful

Residents should remove all vehicles from roadways, including trailers and campers. Garbage and recycling cans should also be removed from the street as soon as possible on collection day.

### **HOW LONG DO I HAVE TO CLEAR MY SIDEWALKS?**

Clearing sidewalks is the responsibility of the property owner, occupant, or business owner whose property abuts the sidewalk (Ordinance 14.32.100 Snow Removal; Required). Property owners, occupants, or business owners are required to clear snow from sidewalks within 12 hours after the snow has ceased falling. In the case of a storm happening between the hours of 5:00 PM to 6:00 AM, sidewalks should be cleared by 8:00 AM. If you need help clearing your sidewalk, consider reaching out to family, friends, neighbors, or local community groups. Please be considerate of pedestrians and keep your sidewalk clear.

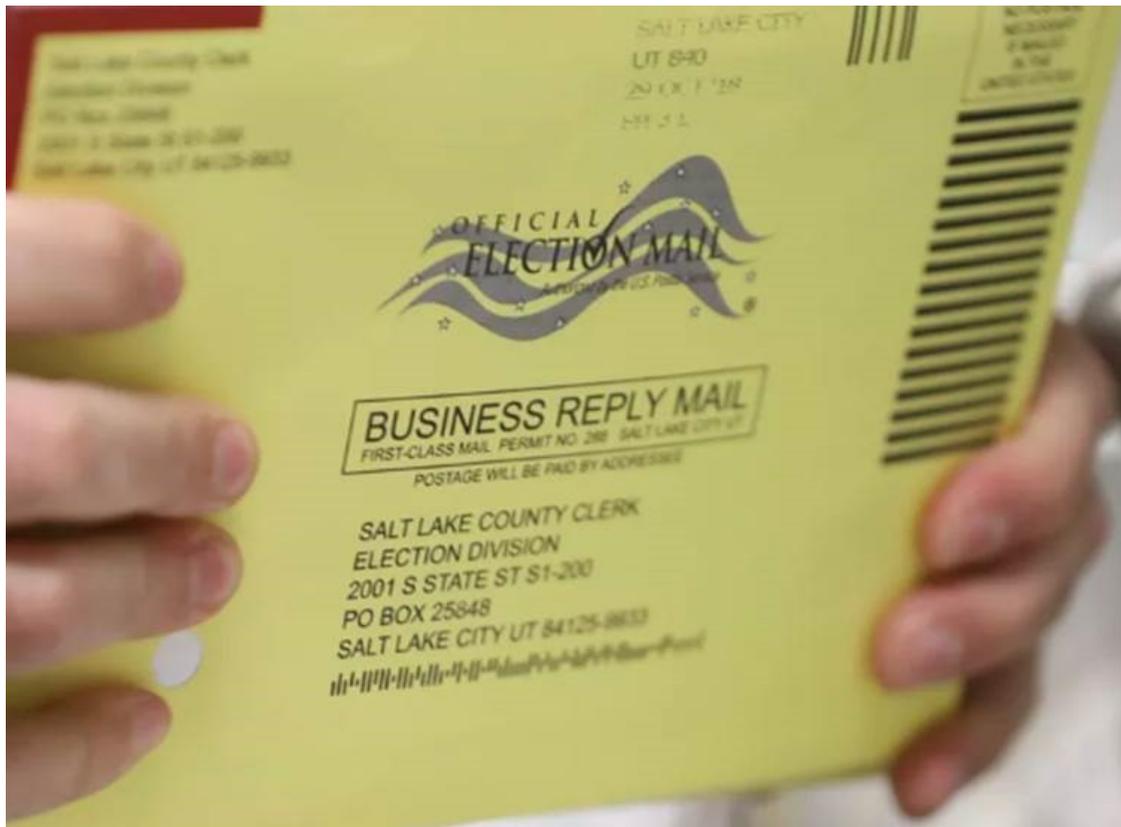

You can report any concerns you have about snow removal through the city's [Report a Concern](#) button on the [city website](#). More information on snow removal in Millcreek can be found on the city website under ["Snow Removal FAQs."](#)

---

for any person removing snow, ice or other material from a sidewalk or driveway to place or deposit said materials on any city roadway. (Ordinance 14.20.105 Placing Snow Upon Highway Prohibited) Do not shovel or use your snowblower to push snow onto the street. It makes it more difficult to plow the street later, and the resulting icy patches pose a safety hazard for drivers and pedestrians. Also, please be aware of storm drain inlets and keep them clear of snow and debris so that melting snow doesn't back up into the streets or the neighborhood yards.

### **WHAT IF MY STREET HASN'T BEEN PLOWED?**

Please allow at least 24 hours after a storm before calling to report it. The best and most effective way to report a missed street is by calling the Salt Lake County Public Works Operations 24-hour emergency phone number at 385-468-6101 or by emailing [pwops-online@slco.org](mailto:pwops-online@slco.org).

## Voting Reminders for the 2022 Election

MILLCREEK. Election Day is this coming Tuesday, November 8th. Here are some general reminders:

- If you are mailing in your ballot, your ballot must be postmarked no later than the day before Election Day, November 7th
- You can drop off your ballot at any ballot drop-off location in Salt Lake County until 8 PM on Election Day. The Millcreek ballot box location is at the Millcreek Precinct UPD station at 1580 E 3900 S (the box is located around the back at the southeast corner of the building)
- You can vote in-person at any Salt Lake County voting center from 7 AM - 8 PM on Election Day and you must bring valid identification. The Millcreek voting center is located at the Millcreek Library at 2266 E Evergreen Ave

For more election-related questions, visit the [Salt Lake County Clerk's website](#), or contact the Clerk's office at [vote@slco.org](mailto:vote@slco.org) or at [385-468-7400](tel:385-468-7400).

# Millcreek Canyon Road closure scheduled for Rocky Mountain Power wildfire mitigation work

MILLCREEK CANYON. Millcreek Canyon Road will be closed next Tuesday through Thursday, November 8th to 10th, from 8 am to 4 pm each day to all vehicular, pedestrian and cyclist traffic. Rocky Mountain Power will be removing existing powerlines and poles as part of the Millcreek Canyon Wildfire Mitigation Project.

For more information on this project and the efforts to relocate portions of the overhead distribution lines underground along the Millcreek Canyon Road, please visit the [Rocky Mountain Power Millcreek Wildfire Mitigation Project](#).

Smoke a Billy BBQ  
Happy Tummie  
Tasteful Noods

HEALTH DEPARTMENT

SALT LAKE COUNTY. With the introduction of the bivalent COVID booster, the CDC has simplified its definition of “Up to Date” to include people who completed their primary vaccine series and have received the most recent booster recommended for their age. For ages 5 and up, that means having received the bivalent booster; kids 4 and younger are “Up to Date” when they complete their primary series.

**The new definition will change the proportion of people in Salt Lake County who are considered “Up to Date” from about 24% to about 6%.**

With flu season upon us and RSV circulating at high levels locally, it is especially important for people to be protected from serious illness or hospitalization due to COVID. You can visit the [Salt Lake County Health Department COVID-19 Data Dashboard](#) to view the latest data.

## **Announcement from WFWRD About Proposed Fee Increases for 2023**

The Wasatch Front Waste & Recycling District is proposing fee increases for

next year. The Board of Trustees will hold a Public Hearing on Monday, November 14, 2022, at 6:00 p.m. to allow public comment for the Tentative 2023 Budget that includes fee increases. The location will be at WFWRD's offices located at 604 West 6960 South in Midvale.

The last fee increase occurred January 2018. The 2023 increased fees will help to keep up with the rapidly rising costs with labor markets, maintenance shop rates, processing costs at the landfills and recycling facilities, and truck prices to purchase replacement trucks.

Here is an outline of the proposed fee increases:

- The base fees garbage and recycling collections will increase \$2.50 per month/\$7.50 per qtr./\$30.00 per year. (\$19.50 per mo./\$58.50 per qtr./\$234 per year.
- Additional waste (black) cans will increase to \$19.50 per month/\$58.50 per qtr./\$234 per year. For collections.
- Additional recycling (blue) cans will be \$5.00 per month fee (\$2.00 per month increase). For collections.
- There will be a \$70.00 per can rental fee for a new can, or \$45.00 for a refurbished can will pay for the can plus delivery.
- Trailer Rental for Bulk: \$190.00 from \$175.00 and Green: \$55.00 from \$45.00.

Details can be found at <https://wasatchfrontwaste.org/fees-logistics>

Greetings from the  
**UTAH STATE  
CAPITOL**

## Girls Lobby Wants YOU!

**What is this?** Girls Lobby empowers high school girls to advocate for social issues and expand their leadership abilities by engaging in the Utah state legislative session.

**Why should you register?** Young people don't need to be told that they can change the world. They only need to be equipped to! At Girls Lobby, we believe girls are powerful. However, this power is not justly represented in Utah politics. Our programs empower high school girls and gender-nonconforming leaders to engage with politics directly and make their voices heard.

**Who should register?** High school-aged girls and gender non-conforming leaders can register for our programs.
