Millcreek Councilmember Catten Will Chair the Jordan River Commission

MILLCREEK. Millcreek Councilmember Silvia Catten, who represents Millcreek's District 1, will serve as the Chair of the Jordan River Commission Governing Board for the 2023 term.

The [Jordan River Commission](#) was created in 2010 to help implement the [Blueprint Jordan River](#), a plan that outlines the public's vision for

the river's corridor. Serving as a technical resource to communities along the river, the 43-member Board coordinates planning, restoration and development along the corridor. The [Board's membership](#) is comprised of representatives from 17 cities, two counties, six regional special service districts, and two state agencies.

Millcreek borders a short section of the Jordan River along its western boundary. The city is in the process of developing a trail, trailhead, bridge, and boat ramp along our side of the river. These projects will provide a place to enjoy the beauty and tranquility of the river as it undergoes changes geared toward its becoming a healthy functioning river.

Visit the [Jordan River Commission website](#) to read an interview with Councilmember Catten outlining her thoughts and feelings about the Jordan River and why she has chosen to serve.

We thank Councilmember Catten for her work to make the Jordan River a wonderful place to visit and recreate!

IMPORTANT NOTICES

Waste & Recycling Collection Delayed

Due to the major snowstorm, waste & recycling collections have been delayed a day. Friday pickups will be completed on Saturday. If you have put your

cans out and they haven't been emptied, please leave them for collection on Saturday. We appreciate our partners at [Wasatch Front Waste & Recycling](#) and the great service they provide Millcreek.

A reminder - always place your cans out of the way of snowplows and bring them in as soon as possible after collection.

Clear Snow From Fire Hydrants

Unified Fire reminds residents to clear snow from around fire hydrants. A buried hydrant can add extra precious minutes to a fire fighting event. We recognize that some hydrants are completely buried but if at all possible, take a shovel and dig out what you can. Your efforts could help avoid a tragedy.

Emergency Cache Pods — What Are They?

MILLCREEK. Residents may have noticed unmarked shipping containers scattered throughout our neighborhoods and wondered what they are. These are emergency supply caches, and are located in school and church parking lots at Rosecrest Elementary, Canyon Rim Academy, Skyline High, Evergreen Jr. High, Moss Elementary, Churchill Jr. High, Eastwood Elementary, and the Ward House at 3900 S and Main.

These emergency caches have been purchased, placed, and stocked with supplies by Millcreek's four community councils. The pods are equipped with supplies that can aid in search and rescue, debris management, medical response, and damage assessment. Some have been in place for many years, and some have been placed recently. There are plans to add more, particularly in the western part of the city. Regular maintenance of the caches along with annual inventory and recycling of supplies is an integral part of keeping the caches in a useable condition.

These cache pods do not contain food or water.

Residents trained as Community Emergency Response Team (CERT) members will be able to access the caches in the event of an emergency. CERT trained residents are an essential component of the city's emergency preparation. CERT is a nationwide approach to training and organizing volunteers that professional responders can rely on during disasters. Combined with the caches, CERT volunteers help us to aid ourselves, our neighbors, businesses, etc. until outside help can arrive (which we can anticipate taking up to seven days).

Millcreek's spring CERT training sessions start March 1st. Click [HERE](#) for more information and to sign up.

Millcreek offers CERT training twice yearly in the spring and fall. This spring's session starts March 1st, and runs bi-weekly through mid-May. Click on the blue button above for more information and to sign up,

The more residents who are CERT trained, the better Millcreek will fare when emergencies happen. Residents who sign up for CERT courses are taught skills that include:

- How to prepare 96-hour kits and emergency supplies
- How to conduct damage assessments on buildings/neighborhoods
- Cribbing (how to support and lift heavy materials)
- Perform building search and rescue and fire suppression
- Disaster medical operations (First-aid, CPR, stopping excessive traumatic bleeding, patient triage and transport, etc.)
- Disaster psychology
- Incident command system (ICS) structure

Another essential component during an emergency is establishing communications. Licensed HAM radio operators in Millcreek coordinate with city Emergency Management and fill this important need. Watch this newsletter next week for additional information on HAM and how you can become a licensed HAM technician.

Click [HERE](#) for more information about Millcreek's CERT program or contact Andrew Clark, Millcreek Emergency Manager, at aclark@millcreek.us.

Preparing for Spring Runoff

MILLCREEK. The snowpack this year is well above average. While we are happy that we will see some relief from our extended drought, there are concerns about potential flooding in the spring if the weather warms too quickly.

The Millcreek Public Works and Emergency Management departments are coordinating with Salt Lake County Public Utilities to identify areas where sandbags can be staged for the use of residents in the event flooding does occur. While it is early, we want residents to know that we are preparing and will keep you updated with site locations if it becomes necessary.

Let's all keep our fingers crossed for a slow, steady snow melt!

MILLCREEK PROMISE VOLUNTEER ANNOUNCEMENT

Bud Bailey Apartments, located at 3790 South Main Street is home to market rate tenants, as well as immigrant families, formerly homeless youth, and elderly/retired folks. The resident community is diverse and vibrant. Its members contribute to Millcreek in all sorts of ways: as entrepreneurs, part of the workforce, parents, students, and taxpayers.

On-site English as a Second Language ("ESL") classes are conducted for tenants who want to learn or improve their English **every Tuesday and Thursday, from 9:30-11AM in Building C of the Complex.** The ESL students are typically stay-at-home parents with young children below school **age.** Millcreek Promise seeks to initiate a twice-weekly child care program on site, in Building C, at no charge to residents, so that those attending class can focus on class work. Learning English will undoubtedly make these adults more secure and able to prosper in our community.

If this is a volunteer opportunity of interest to you, please contact Millcreek Promise, mdraper@millcreek.us to sign up. We will schedule a group visit to Bud Bailey for interested persons in early March.

The Details

Target start date: March 21.

A Team Approach: Volunteers will work together, in teams of 2 persons

The children: Infants to children aged 5. (Currently 6 children, with the potential to grow, at which point more volunteers will be added.)

Diapering/Toileting/Snacks: No diaper changes or trips to the bathroom on the part of volunteers...if those needs arise, parents will be summoned from class. No snack will be served, to avoid choking and food allergy questions. Care will be provided in a gated environment

Lesson plans/Activity rotations: Volunteers will not need to create activities to engage the children. Lesson plans, supplies & age-appropriate toys/games provided.

Timing: Volunteer for one or two sessions per week, on Tuesday and/or Thursday, as frequently as you would like. Arrive at Bud Bailey by 9:15 AM and conclude by 11:45 AM

Substitutes: Millcreek Promise will set/manage the volunteer schedule. If a volunteer cannot make a scheduled session, it will be their responsibility to give Millcreek Promise advance notice

On site management will always be present during childcare.

Criminal background check must be successfully completed by all volunteers. Millcreek Promise/SL Housing Connect can help with the process of completing the background check.

Age: Volunteers must be 18+ years of age (or if a minor wishes to volunteer, they must be accompanied by an adult parent or guardian).

Commitment: 3 months minimum preferred.

**MILLCREEK
ARTS COUNCIL**
in collaboration with the **Millcreek Library** presents

Getting Visual at the Library

March Artist: Amy Pernich

Save the date! Amy Pernich will be displaying her art through the month of March. Come meet her at our public reception on March 3 from 6-7 PM. Musical accompaniment will be provided by jazz guitarist Jason Dreher. Light refreshments will be served.

Millcreek Library - 2266 E Evergreen Ave, Millcreek 84109

Watch for Bridge Construction Over I-80 on 13th East

SUGAR HOUSE. UDOT is replacing the 1300 E bridge over I-80 in Sugar

House. Using the innovative Accelerated Bridge Construction (ABC) method, the new bridge is being built next to the existing bridge.

As the team builds the new bridge, crews will intermittently close lanes on 1300 E and close the I-80 on- and off-ramps at 1300 E. Drivers should plan ahead and check current traffic conditions on [UDOT Traffic](#) before traveling.

When the new bridge is finished, crews will demolish the existing one and slide the new one into place. This work will require a long weekend closure of I-80 between 700 E and Foothill Drive and a seven-day closure of 1300 E over I-80.

The 1300 E bridge demolition and slide will occur in March or April 2023. To stay in the loop, sign up for updates at udot.utah.gov/saltlakeeast. Contact the project team with any questions at saltlakeeast@utah.gov or [844-909-3278](tel:844-909-3278).

How to Greet a Dog Properly

A Message From Our Friends at Salt Lake County Animal Services

Before you go putting your hand (or face) in front of a dog you don't know, make sure you check with the owner AND the dog.

Salt Lake County Animal Services has some suggestions on *How to Greet a Dog* safely. Did you know these most common mistakes that lead to getting bit by a dog?

#1 – DON'T Put your hand up to a dog's nose. A dog's sense of smell is extremely powerful. They could smell you before your hand is in their face.

#2 – DON'T Lean over a dog or put your face in front of a dog's face. If you're going to pet them for the first time, pet their shoulder.

When approaching a dog:

Step 1: Make sure the dog has a leash, a collar, and an owner. If it doesn't, call Animal Control.

Step 2: Look at the dog's body language. Look to see if it is a happy/relaxed dog.

Step 3: Ask permission from the Owner: "May I please pet your dog?" It is okay if the owner says "no!"

Step 4: If you have permission, do a quick body language check again.

Step 5: Angle body slightly away from dog.

Step 6: Keep hands to yourself until the dog approaches you, seeking out interaction.

Step 7: Pet the dog calmly and quietly, avoiding sensitive areas.

Step 8: Remain standing if it is a large or medium sized dog. If it is a small dog, you can crouch down, making sure you are still not leaning over the dog.

If you are bitten by a dog, contact your local Animal Control to file a bite report. Visit AdoptUtahPets.org for more information.

- City Council Mtg., 3/13/23, 7:00 p.m.

9. Closed Session (If Needed)

The Council may convene in a closed session to discuss items as provided by Utah Code Ann. §52-4-205.

10. Adjournment

In accordance with the Americans with Disabilities Act, Millcreek will make reasonable accommodation for participation in the meeting. Individuals may request assistance by contacting the ADA Coordinator, [801-214-2751](tel:801-214-2751) or khansen@millcreek.us, at least 48 hours in advance of the meeting.

Public Comment Policy and Procedure: The purpose of public comment is to allow citizens to address items on the agenda. Citizens requesting to address the Council may be asked to complete a written comment form and present it to the City Recorder. In general, the Chair will allow an individual two minutes to address the Council. A spokesperson, recognized as representing a group in attendance, may be allowed up to five minutes. At the conclusion of the citizen comment time, the Chair may direct staff to assist the citizen on the issue presented; direct the citizen to the proper administrative department(s); or take no action. This policy also applies to all public hearings. Citizens may also submit written requests (outlining their issue) for an item to be considered at a future council meeting. The Chair may place the item on the agenda under citizen comments; direct staff to assist the citizen; direct the citizen to the proper administrative departments; or take no action. Public comment can be submitted via the City's

website at: <https://millcreek.us/FormCenter/Contact-Us-5/Public-Comments-61>.

The meetings will be live streamed via the City's website at: <https://millcreek.us/373/Meeting-Live-Stream>. The Council may convene in an electronic meeting. Council members may participate from remote locations and may be connected to the electronic meeting by GoToMeeting, Zoom, or telephonic communications. The anchor location will be City Hall.

THE UNDERSIGNED DULY APPOINTED CITY RECORDER FOR THE MUNICIPALITY OF MILLCREEK HEREBY CERTIFIES THAT A COPY OF THE FOREGOING NOTICE WAS EMAILED OR POSTED TO: City Offices; City Website <http://millcreek.us>; Utah Public Notice Website <http://pmn.utah.gov>; Those listed on the agenda.

DATE: February 22, 2023

CITY RECORDER: Elyse Sullivan

Agenda items may be moved in order, sequence, and time to meet the needs of the Council.
