PUBLIC MEETINGS

City Council

Cancelled - Members of the City Council and the Mayor will be attending the National League of Cities Conference

FILL YOUR OWN SANDBAGS AVAILABLE AT VARIOUS MILLCREEK LOCATIONS

MILLCREEK. As the threat of spring flooding looms, take some time to look over your property and determine if you should have some sandbags on hand. So much depends upon the weather over the next few weeks that it is extremely difficult to predict what will happen. A sudden warm spell or rapid warming combined with a

spring thunderstorm might cause problems. If you have had problems in the past, having some sandbags at the ready is most likely a good idea.

In addition to the salt pile location at 3800 S Wasatch Blvd., sandbags and sand to fill them are now available at the following church meetinghouse locations:

- 4176 S Adonis Drive
- 4407 S Fortuna Way

- 3570 S 2000 E
- 2125 E Evergreen Ave

Please bring your own shovel and have at least two people present to fill sandbags. We ask that residents take no more than 25 sandbags due to limited supply.

You can find information about how to fill sandbags and then stack them in the [Flood Preparedness Manual](#) on the [Salt Lake County Flood Control](#) website. Please remember, do not place sandbags on top of snowbanks or along roadways.

Residents should place bags only on private property and are responsible for cleaning up and disposing of bags.

Crews are out inspecting and clearing culverts throughout the city. If you notice an area that should be looked at, please let us know. You can put information on the [Report a Concern](#) button on the city website or contact Rita Lund, rlund@millcreek.us.

We appreciate our residents who help let us know about concerns in their neighborhood. An additional huge thank you to the congregations of these four church meetinghouses who have allowed us to use their parking lots— their cooperation is extremely valuable.

SANDBAG FILLING EVENT

VOLUNTEERS NEEDED

Prepare for Spring flooding. Fill & keep sandbags to protect your home or business.

Saturday, April 1st & April 8th

8:00am - 4:00pm

Wasatch Public Works Lot

3800 S. Wasatch Blvd.

Scan to register:

The city will be holding a volunteer sandbagging event at the salt pile location at 3900 S Wasatch Blvd. on Saturday, April 1st and Saturday, April 8th from 8 a.m. to 4 p.m. (or until resources run out). We would like to track all volunteer hours, so have created a volunteer event for you to reserve a time to fill bags for yourself and your neighbors. Please visit our event [HERE](#) to reserve your timeslot.

Please bring your own shovels, work gloves, and eye protection. Bottled water will be provided. Parking will be limited so please carpool if you can. Additional parking will be available along Virginia Way.

If you have any questions, please contact: Millcreek Emergency Manager Andrew Cark, 801-688-8608, aclark@millcreek.us.

REMEMBER - VERY IMPORTANT!!

PLEASE TAKE THE TIME TO CLEAR OUT ANY STORM DRAINS NEAR YOUR PROPERTY!! Getting the snow melt into the storm drains is the best way to protect your property and those downhill.

STAY AWAY FROM STREAMS!! They are running fast and deep, people and pets can get swept away in a matter of seconds.

Milo the Moose Makes an Appearance

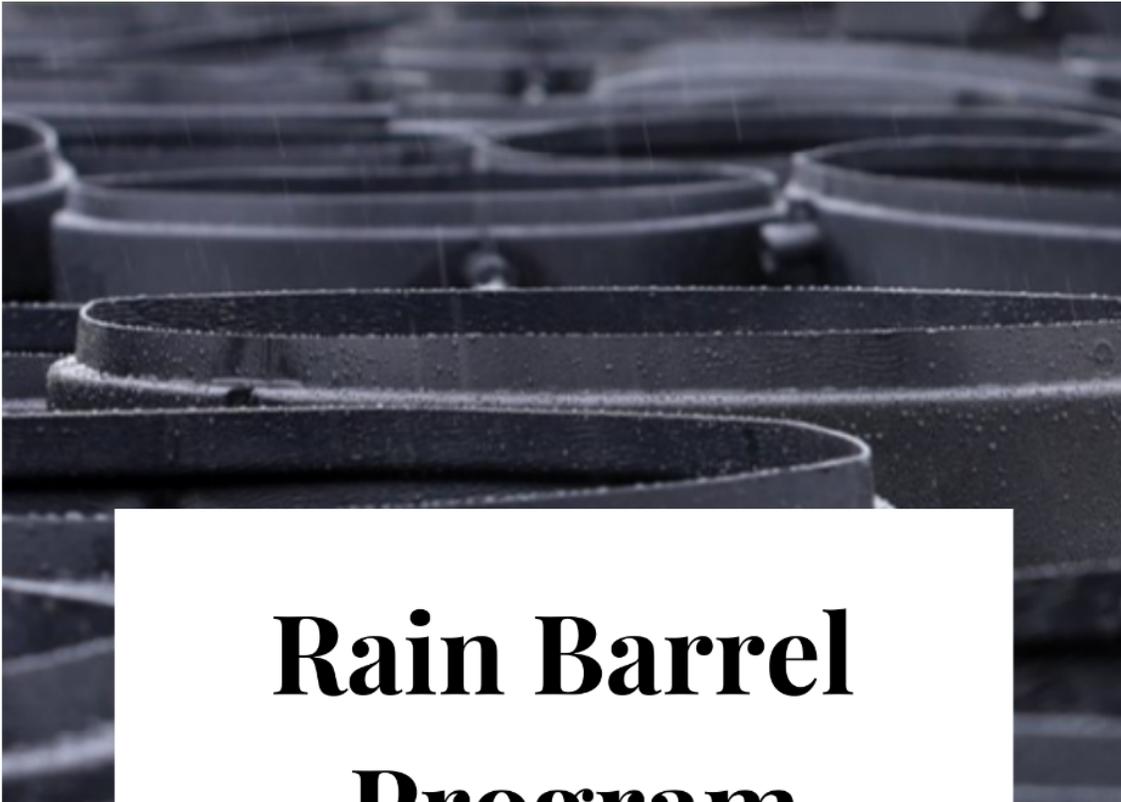

MILLCREEK. Millcreek's mascot Milo the Millcreek Moose made his first appearance at Millcreek Common last Saturday to celebrate the last day of ice skating and the upcoming roller skating season. To the delight of the kids present, he took a turn at driving the Zamboni!

In addition to showing up in the Kids Corner in the printed newsletter, we anticipate Milo to make personal appearances from time to time at Millcreek Common, Venture Out, Promise Program activities, and Business Council ribbon cuttings.

Milo was a huge hit and made many new friends!! Watch for Milo and when you see him give him a high five and say "hello" but don't expect him to say anything - everyone knows a moose can't talk!!

A HUGE thank you to the Millcreek Business Council for donating the Milo costume to the city. We look forward to many fun times with Milo!

PLAN AHEAD FOR NEXT WEEKEND'S REPLACEMENT OF 1300 EAST BRIDGE OVER I-80

SALT LAKE CITY. The UDOT I-80 & I-215 Renewed project team is replacing the 1300 East bridge over I-80 in Salt Lake City. The new 1300 East bridge is being built next to the existing bridge. When the new bridge is finished, crews will demolish the existing 1300 East bridge and slide the new bridge into place. This work will require closures of 1300 East and I-80.

Depending on weather, 1300 East over I-80 will be closed from Thursday night, March 30, through Friday morning, April 7. I-80 will be closed in both directions between 700 East and Foothill Drive from Friday night, March 31, through Monday morning, April 3.

Please plan ahead and prepare for heavy traffic delays. Check out the map above for alternate routes. Questions? Reach out to the project team at 844-

909-3278 or saltlakeeast@utah.gov. Visit the [UDOT website](#) for more information.

Fun fact: The new 1300 East bridge weighs approximately 5 million pounds, which is about 13 times as heavy as a Boeing 747 airplane.
