# FILE FOR CITY OFFICE

## AUGUST 8-15

### AT CITY HALL

## ELECTION NEWS

**CANDIDATE FILING.** Candidate filing for Millcreek's election began on Tuesday, August 8 and will run through **Tuesday, August 15, 2023**, during regular business hours, Monday through Friday, 8 a.m. - 5 p.m., at Millcreek City Hall (3330 S 1300 E). Eligible candidates must declare their intent to run for office of Mayor, Council District 1, or Council District 3, with the Recorder's Office during that timeframe to have their name printed on the ballot. Candidate qualifications, declaration procedure information, and information on ranked choice voting can be found [HERE](#).

**ELECTION BOX LOCATION CHANGE.** Salt Lake County has moved the ballot drop box it maintains in Millcreek. The box used to be located at the Millcreek Precinct of the Unified Police Department on 39th South, but has moved to a new temporary location on the north end of Millcreek Common (approximately 1354 E Chambers Avenue (3205 S)) between the Granite Credit Union Adventure Hub and the new Millcreek City Hall on Chambers Avenue. Completed ballots may be dropped off there, in any Salt Lake County drop box in the county, or in the U.S. mail. Although Millcreek is not having a Municipal Primary Election due to opting into ranked choice voting for the general election, the drop box is available to every Salt Lake County resident for the primary election on September 5, 2023, and again for the general election on November 21, 2023.

## Millcreek Sustainability Committee Visits Rocky Mountain Recycling Services

MILLCREEK. Some of the members of Millcreek's new Sustainability Committee visited Rocky Mountain Recycling Services to learn more about how these facilities operate. The group was able to tour the facility and see firsthand how this stage of recycling works and how machines and employees work to sort out recycling materials. The group had these takeaways from their visit:

- It's important to learn exactly what is recyclable and what isn't to help the machines work to the best of their abilities. Did you know shredded pieces of paper should not be added to your curbside recycling bin?
- Recycling is just one of the three components of Reduce, Reuse, and Recycle. It's good practice to consider the other two components besides recycling. This facility processes about 25 tons of materials an hour—reducing and reusing your stuff would go a long way toward cutting down that process.
- In addition to sorting machines, there are also people who help to sort out unwanted materials. Their jobs are easier when people at their houses are aware of recycling best practices.

## A MESSAGE FROM TRAILS UTAH —

### Grandeur Peak Bonneville Shoreline Trail Fundraiser

*Hello, Trail Lovers*

You may have heard about the newest section of Bonneville Shoreline Trail (BST) being built across Grandeur Peak that will finally connect Parleys Canyon to Millcreek Canyon. \*

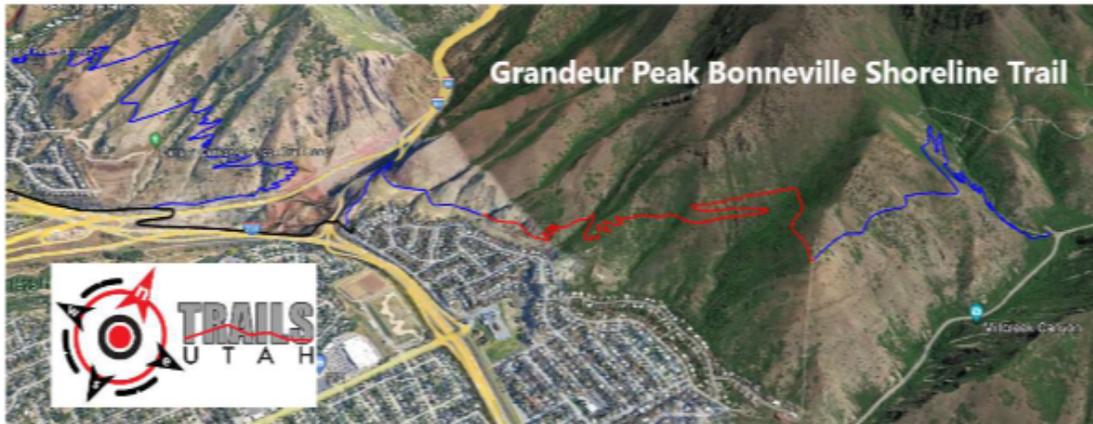

This new segment of the BST will create a 20-mile out-and-back trail between Rattlesnake Trailhead (Millcreek Canyon) and Carrigan Canyon (at the north end of the new Parley's Pointe Trail). It also gives the community a direct connection between the Grandeur Peak Trailhead and the paved Parley's Trail into the US Forest Service trail system in Millcreek Canyon.

Trails Utah has been hard at work to provide new local community recreational trails that are part of, or connect to, the BST, like the The Rattlesnake Trail, Parleys Pointe Trail, Millcreek Upper Pipeline Trail, and now the Grandeur Peak segment, all built in the last two years.

We underestimated the cost to build the Grandeur BST due to some unexpected expenses, and are still in need of funding to finalize the project. The total trail cost will be \$105,000 for planning, permitting, construction, and signage. **We are \$15,000 short and need your help.** Established funding has been provided by the City of Millcreek, Athletic Brewing, Bonneville Shoreline Trail Committee, and the Utah Office of Outdoor Recreation. Construction should be complete in early September of this year, and we need to pay the contractor, Nature Trails. We ask that you help support us in the completion of this wonderful neighborhood asset

**Please go to <https://trailsutah.org/donate/> to support this project and more!**
