NEWS

SCHOOL HAS STARTED--BE ALERT & SLOW DOWN

MILLCREEK. School started on Wednesday, August 16th. This means students will be walking to and from school locations during the week, and drivers must use extra caution when traveling in neighborhood areas and school zones. The Utah Department of Public Safety says that "children are more at risk when approaching or leaving a school bus." When you see the yellow flashing lights come on, be prepared to stop. When the red flashing lights come on and the stop sign

comes out, traffic in both directions must stop until the stop sign has been pulled back and the bus starts moving.

Granite School District urges drivers to follow the directions of crossing guards and adhere to school bus cross arms. Vehicles must slow down in active school zones, and drivers must be on alert during morning and afternoon commutes. UPD will be strictly enforcing speeding in school zones or failing to stop for a bus. Failure to drive responsibly around schools puts our students at risk.

Speaking of driving carefully...

Now that school has started at Skyline, many students, parents, and teachers have gotten the chance to use the recently constructed roundabout as they head to school - some for the very first time.

As a reminder, when approaching the roundabout, yield to any oncoming traffic. When traffic is clear, enter the roundabout by turning right and driving counterclockwise.

I Spy....

MILLCREEK. This is a recent picture of what came out of the recycle collection trucks after visiting residences in the county. The facility, both people and machines, sort through the collection at a rate of over 20 tons per hour. In this picture you can spot plastic bags, plastic wrap (around cardboard drink packages), air filters, and other non-recyclables. Please do not bag recyclables. If there is any doubt about what can be recycled, throw it away in the regular trash can. Visit, <https://wasatchfrontwaste.org/how-recycle> to learn more!

ELECTION DROP BOX LOCATION CHANGE

Millcreek's Salt Lake County ballot drop box has moved! The box used to be located at the Unified Police Department Millcreek Precinct (1580 E 3900 S) but has moved to a new temporary location on the north end of Millcreek Common (approximately 1354 E Chambers Avenue) between the Granite Credit Union Adventure Hub and the new Millcreek City Hall on Chambers Avenue. Voted ballots may be dropped off there, in any Salt Lake County drop box in the county, or in the U.S. mail.

Although Millcreek is not having a Municipal Primary Election due to opting into ranked choice voting for the general election, the drop box is available to every Salt Lake County resident for the primary election on September 5, 2023, and again for the general election on November 21, 2023.

Garden Donations Are Going Great - Keep Up The Good Work!

MILLCREEK. Donate your garden surplus to those in need. WasteLess Solutions and GardenShare help you get your surplus produce to families who do not have access to fresh veggies. Donation sites are scattered across the city. Take your excess produce to one of the locations and you can be assured

that it will be put to good use. Find donation locations and the collection day [HERE](#).

MILLCREEK. Wasatch Lawn Memorial Park is working with Dignity Memorial and HomeAid Utah to host a Diaper Drive for The Utah Diaper Bank. They need your help to make a lasting difference in the lives of families and individuals in need.

Your contribution can provide the necessities that struggling families need to care for their little ones, including clean diapers that keep babies healthy, happy, and comfortable. With your support, we can make a lasting impact on the lives of those who need it most.

Join us today, and be a hero to families in need.

You can drop off diapers or wipes daily from 9:00am-4:00pm at Wasatch Lawn (3401 S Highland Dr.) or consider making a monetary donation by clicking the button below.
