Brave the Cones—Support City Center Businesses

MILLCREEK. If you've been driving lately in the Millcreek City Center area, i.e., the area circumscribed by Highland Drive, 1300 East, 3300 South, and Miller Ave, you've most definitely encountered cranes, orange cones, temporary barriers, and some travel delays. The City and its utility partners are diligently working to upgrade utilities and improve connections in the area.

Despite all the construction, our City Center is a great place to shop, get fit, stay healthy, fix a car, eat well, and look good! We understand the temptation to stay away from the cones, cranes, and delays, but we encourage you to brave the construction to visit our hometown businesses in Millcreek's City Center, and along the way discover hidden gems and boost the local economy. And remember—sales tax generated in Millcreek is the main source of funding for services like snowplowing, animal control, sidewalks, and parks maintenance!

Here is a list of Millcreek businesses in the area that provide excellent services to Millcreek residents. Please check them out!

ELECTIONS FOR THE DISTRICT 1 AND MAYORAL RACES TO BE CANCELLED

MILLCREEK. In this coming Monday's meeting, the City Council will be passing a resolution to cancel the 2023 election for the races for City Council District 1 and for Mayor.

Only incumbent City Councilperson Silvia Catten declared candidacy as the District 1 representative. Only incumbent Mayor Jeff Silvestrini declared candidacy for Mayor. The deadlines for a declaration have now passed, so state law would not allow any other person to declare a candidacy in those races.

State law allows a city to cancel the local election for races that will not include any contested races and to declare that the candidate for the race is considered elected. See [Utah Code § 20A-1-206\(3\)](#). The City Council anticipates that cancelling the election for those two seats will save Millcreek taxpayers roughly \$85,000 from the budgeted amount.

Three candidates have declared for City Council District 3—incumbent City Councilperson Cheri Jackson, as well as David F. Holz and Scott Springer. A ranked choice voting election will be held on November 21, 2023, to determine

that race. [Click here](#) for contact information for each of the candidates and for information on ranked choice voting.

MILLCREEK'S OCTOBER 2023 BUSINESS OF THE MONTH

MILLCREEK. Evergreen Framing Co. & Gallery is **Millcreek's October 2023 Business of the Month**. With a legacy that spans almost four decades, their commitment to the local art scene has truly set them apart. Here's a message from them describing their unique business and their joy in being a part of the Millcreek community:

We're not just about offering a range of artistic services; we're the go-to place for exceptional custom framing, unique gifts, and thoughtful artwork consultation. From day one, our deep-rooted connection with our community has been at the heart of everything we do. Not only do we provide a vast array of framing options, but we've also become a hub that proudly showcases the remarkable local artwork that defines Utah's unique identity. In addition, we strive to give back to our community by hosting events for a variety of causes such as ALS, Wildlands Network, NAMI, Carmen Pingree School for Autism, Utah Food Bank, Pamela Atkinson Resource Center, Pay it Back foundation, as well as donations to many of the local schools for their fundraisers.

Our story begins right here in Millcreek, where as a couple, we turned our love for art into a thriving gallery and framing haven. With almost four decades of history, we've sculpted a space where creativity thrives, a place where local artists and art enthusiasts come together. Our mission from the start has been crystal clear: to create a welcoming platform where local artists can showcase their incredible work, enveloped by the warmth of our community. Our deep commitment to uplifting local talent and our loyal customers have woven Evergreen Framing Co. & Gallery into the very fabric of Millcreek's cultural

landscape and far beyond.

Regardless of whether our clients are preserving a treasured heirloom, framing a masterpiece, or just embarking on their art journey, our inviting atmosphere and personalized approach ensure an unforgettable experience. As the proud October Business of the Month, Evergreen Framing Co. & Gallery is happy to be a part of the local art community, and we hope to promote creativity in this amazing place we call home.

Grandeur Peak Bonneville Shoreline Trail Fundraiser

Hello, Trail Lovers

You may have heard about the newest section of Bonneville Shoreline Trail (BST) being built across Grandeur Peak that will finally connect Parleys Canyon to Millcreek Canyon. *

This new segment of the BST will create a 20-mile out-and-back trail between Rattlesnake Trailhead (Millcreek Canyon) and Carrigan Canyon (at the north end of the new Parley's Pointe Trail). It also gives the community a direct connection between the Grandeur Peak Trailhead and the paved Parley's Trail into the US Forest Service trail system in Millcreek Canyon.

Trails Utah has been hard at work to provide new local community recreational trails that are part of, or connect to, the BST, like the The Rattlesnake Trail, Parleys Pointe Trail, Millcreek Upper Pipeline Trail, and now the Grandeur Peak segment, all built in the last two years.

We underestimated the cost to build the Grandeur BST due to some unexpected expenses, and are still in need of funding to finalize the project. The total trail cost will be \$105,000 for planning, permitting, construction, and signage. **We are \$15,000 short and need your help.** Established funding has been provided by the City of Millcreek, Athletic Brewing, Bonneville Shoreline Trail Committee, and the Utah Office of Outdoor Recreation. Construction should be complete in early September of this year, and we need to pay the contractor, Nature Trails. We ask that you help support us in the completion of this wonderful neighborhood asset.

Please go to <https://trailsutah.org/donate/> to support this project and more! For more information about the Grandeur to Pipeline Trail, visit <https://trailsutah.org/bst-connector-grandeur/>
