 ■ Program (6th Floor): 7:00 PM ■ Fireworks: 7:30 PM

Here's Millie!

MILLIE MILLCREEK

I'll be the first to admit that I have a bit of a perfectionist problem. Each year as my family continues to grow, I find myself getting extra stressed about having even MORE people to impress at the holidays. Well, after I hit peak stress last year, something finally clicked.

I realized I seem to be stuck on my interpretation of holiday giving, which is "The Season of Giving Unnecessarily Large Amounts of Time and Money for the Perfect Gift or Experience." But you know what means so much more to people? Giving your time, talents, and service—giving love. Truly serving someone is one of the best feelings in the WORLD, so why don't I do it more??

So Milford and I did some research on service opportunities around us, and these are some of the opportunities we're most excited about:

- Set up a home for newly arriving refugees through the International Rescue Committee: rescue.org/volunteer-opportunities/salt-lake-city-ut
- Sign up for a shift at the Utah Food Bank: utahfoodbank.org/give-time/
- Donate items to the Santa Sacks program for Granite Education Foundation: granitekids.org/what-we-do/programs/santa-sacks.html
- Donate new or gently used winter coats to Millcreek's Warm Winter Coat Drive: www.millcreek.us

Or these simple small acts of kindness:

- Send a text to check-in on someone who has recently lost a loved one
- Rake leaves or shovel the driveway & sidewalk for a sick or elderly neighbor
- Invite someone over for dinner who's feeling lonely
- Drop off some freshly baked bread or cookies to a friend

Now there's NOTHING wrong about creating a fun Thanksgiving dinner, or getting excited about giving a gift you know someone will love. But take it from me, serving shouldn't be stressful!! I'm going to work hard this year on finding ways, big or small, that I can serve during this Season of Giving.

Millie, XOXOXO

CELEBRATE A GRAND LEGACY

Millcreek has a rich history of industry and civic leadership that began in 1847 when John Neff built the first flour mill on the creek. The new city hall provides a place to preserve and build on Millcreek's unique legacy.

Today, Millcreek is a diverse and welcoming hub of businesses, outdoor recreation, and neighborhoods of belonging. The new city hall advances objectives gathered from residents and community leaders to better serve Millcreek's 64,110 residents. Much more than merely office space, it will provide unique public amenities that will bring our remarkable city even closer together.

MAYOR'S MESSAGE JEFF SILVESTRINI

An Unusual Election Year for the City

The municipal election of 2023 will be an odd one for Millcreek. Delayed state-wide this year until November 21 due to the resignation of Congressman Chris Stewart and the need to elect his replacement, Millcreek residents who live in Congressional District 2 will vote to elect a new Congressperson. But the city-wide elections for Millcreek Mayor and for City

Council District 1 have been cancelled because those races are uncontested. No candidates except for myself and incumbent Councilmember Silvia Catten, who represents Council District 1 in Millcreek's far west side, declared candidacy for those positions.

New legislation in Utah permits a city to cancel an election where races are uncontested. This saves tax dollars when the election would simply be a formality with no choice on the ballot. Millcreek will save roughly \$85,000 from this year's budgeted amount as the result of cancellation of the city-wide mayoral election.

Residents of Millcreek's Council District 3 (mainly the Mountain Acres and Canyon Rim neighborhoods) will be the only Millcreekers voting in the city election this November. That ranked-choice race features David F. Holtz, Scott Springer, and incumbent Cheri Jackson.

Brave the Cones—Support City Center Businesses

If you've been driving lately in the Millcreek City Center area, i.e., the area circumscribed by Highland Drive, 1300 East, 3300 South, and Miller Ave, you've most definitely encountered cranes, orange cones, temporary barriers, and some travel delays. The City and its utility partners are dili-

gently working to upgrade utilities and improve connections in the area.

Despite all the construction, our City Center is a great place to shop, get fit, stay healthy, fix a car, eat well, and look good! We understand the temptation to stay away from the cones, cranes, and delays, but we encourage you to brave the construction to visit our hometown businesses in Millcreek's City Center,

and along the way discover hidden gems and boost the local economy.

And remember—sales tax generated in Millcreek is the main source of funding for services like snowplowing, sidewalks, and parks maintenance!

Here is a list of Millcreek businesses in the area that provide excellent services to Millcreek residents. Please check them out!

What's With the Big Blank Wall?

Residents driving along 1300 E or 3300 S who have noticed the big blank wall on the west side of the new City Hall may be asking, "Did they forget to put windows on the west side and what is with that funny little door to nowhere near the top?"

Construction is often downright baffling but there is a good explanation. Directly west of the new building will be a parking garage to serve City Hall, Millcreek Common, and events that take place there. The funny little door to nowhere will connect to City Hall with the parking structure. And why in the world is there only one door? The floors of the two structures only line

up properly on that floor because the offices and parking structures have differing floor heights. There will also be public pedestrian access on the ground level that will lead directly onto Millcreek Common.

Wrapped around the west of the parking garage and south of City Hall will be a multi-use development "The Westerly" that will have living spaces above and retail space on the first floor, including shops and restaurants that will face the Common and will provide additional spots that residents can enjoy. The top floors of the parking structure will also provide parking for residents of The Westerly.

HAPPENINGS

SKATE WITH THE WORLD!

World Ice Skating Day (WISD) is a fun and festive day on Sunday, December 3 2020 at 7:00 PM. This special day is dedicated to ice skating across the world. Events focus on celebrating ice-skating sports, but also on diversity, inclusion, and togetherness with an aim to make ice skating more accessible for everyone.

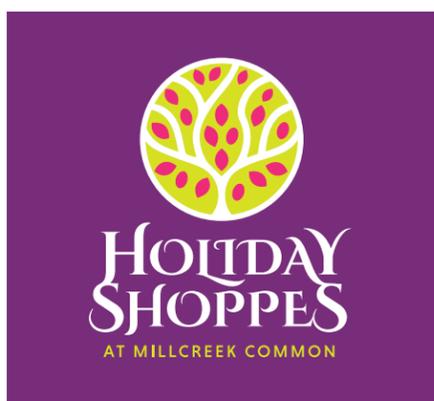

To celebrate WISD, Millcreek Common's Skate Loop will provide a unique WISD Parade of Skaters at 7:00 PM. Utah figure skating clubs, hockey teams, and speed

skaters will showcase skaters and it's an opportunity to learn about their fun skate programs.

After the parade, Skate Loop admission and ice skate rental are free to the public.

THE MAGIC OF MIGRATIONS

The mystery and movement of animal migrations is alluring. Especially observing millions of animals, moved by powerful primeval desires, perform astonishing feats of endurance on their journey towards "home."

Millcreek is proud of its motto Connected by Nature. For our 2nd annual ice show, come experience our

interpretation of this impressive, natural phenomenon of animal migration.

Incredibly talented ice skaters and performers will showcase the epic journeys of various animal migrations. This unique show perfectly ties performance artists and ice-skaters together with music, amazing lighting, projection mapping, and other fun special effects.

Curbside Christmas Tree Collection

Our partners at the Wasatch Front Waste & Recycling District (WFWRD) will be collecting Christmas trees during the month of January. **To ensure your tree is picked up, please fill out a Curbside Tree Pick Up Request Form on their website (wasatchfrontwaste.org), or call the WFWRD office at (385) 468-6325.** Place your undecorated trees on your curb and they will be collected the day after your regular collection day during the month of January. If WFWRD doesn't get your tree one week, they will be back the following week.

DO THE FOLLOWING IF YOU WANT YOUR TREE PICKED UP:

- Please remove all snow off the tree
- We cannot accept trees with decorations, lights, tree stands or flocking.
- Do not place the tree in your garbage, recycling, or green waste can.
- If the tree is over eight feet tall, please cut it into smaller sections.

BUSINESSES OF THE MONTH

BUSINESS OF THE MONTH AWARD SPONSORED BY 

Evergreen Framing
3295 S 2000 E Ste A

We're grateful to be Millcreek's October Business of the Month. With a legacy that spans almost four decades, our commitment to the local art scene and our vibrant community has truly set us apart. We're not just about offering a range of artistic services; we're the go-to place for exceptional custom framing, unique gifts, and thoughtful artwork consultation. Not only do we provide a vast array of framing options, but we've also become a hub that proudly showcases the remarkable local artwork that defines Utah's unique identity. In addition, we strive to give back to our community by hosting events for a variety of causes such as ALS, Wildlands Network, NAMI, Carmen Pingree School for Autism, Utah Food Bank, Pamela Atkinson Resource Center, Pay it Back foundation, as well as donations to many of the local schools for their fundraisers.

Le Studio
4636 S Highland Dr

Get healthy, gorgeous skin when you take advantage of a skin care treatment from this salon, such as acne treatment, chemical peel, and microdermabrasion. Take advantage of a signature nail treatment, such as no-chip gel manicures, nail art, and mani-pedis, and leave with some sassy nails. Looking for easy and quick hair removal options? Try one of Le Studio's remedies, such as waxing. Whether you are looking for a cut or color, this salon has you covered. Le Studio offers high-quality, sunless tanning at an affordable price. Looking for a wide array of beauty products like eyebrow tinting and eyelash extensions for your big night out? We've got you. Opt for one of the salon's massages and banish all your stress. If alternative treatments are more your style, this salon has a range of options perfect for you, including aromatherapy and reflexology.

Makam's Indian Restaurant
894 E 3900 S

Makam's Fresh.Indian.Fast offers a unique dining experience focused on creating your own curry bowls and serving Indian street food classics. Our menu features bowls, wraps, salads, and plates that can be customized with a variety of fresh ingredients, including our delicious naan bread. At Makam's, we specialize in providing quick, affordable, and flavorful Indian food that is perfect for busy individuals on the go. Unlike a traditional Indian restaurant, we focus on serving our food in a fast and convenient way without compromising on quality. Our goal is to provide our customers with a delicious and satisfying meal that can be enjoyed anytime, anywhere.

Answers to Common Snow Removal Questions

Every year, Salt Lake County Public Ops and UDOT are out day and night to get Millcreek streets cleared. We are grateful for the long hours these hard-working crews put in every winter to ensure our streets are safe.

The City works hard in cooperation with our partners to keep the roadways clear and safe, but it takes the help of all of our residents to make sure these storms do not have major impacts. Keeping sidewalks clear, not pushing snow onto streets, and not parking vehicles on the street when snow is on the roadway are important ways residents can help.

City Hall receives many phone calls and emails the day after a major storm from residents wondering about snow removal code or calling to report an unplowed street or sidewalk. Please take a look at these answers to some commonly asked questions.

WHY CAN'T I PARK ON THE STREET WHEN IT'S SNOWING? Millcreek ordinance states (11.20.130 Parking Prohibited When) that no person shall park a vehicle on any city street when it is snowing or snow is on the street during the months of November, December, January, February, March, and April. If there are cars parked on the street, the plows cannot clear the roadway adequately and cars are at risk of being hit by

a plow. If a driver does not feel the plow can be safely maneuvered around illegally parked cars, that street will not be cleared. Residents should remove all vehicles from roadways, including trailers and campers. Garbage and recycling cans should also be removed from the street as soon as possible on collection day.

WHAT ABOUT MY DRIVEWAY APPROACHES? Snowplow drivers make every effort to push snow off of roadways onto park strips or along the edge of roadways, but it is impossible to not push snow into driveway approaches. The City does not have the resources to clear the thousands of driveways throughout the City. Unfortunately, therefore, snow removal on driveway approaches is the resident's responsibility.

WHY CAN'T I SHOVEL MY SNOW INTO THE ROADWAY? It is unlawful for any person removing snow, ice or other material from a sidewalk or driveway to place or deposit said materials on any city roadway (Ordinance 14.20.105 Placing Snow Upon Highway Prohibited). Do not shovel or use your snowblower to push snow onto the street. It makes it more difficult to plow the street later, and the resulting icy patches pose a safety hazard for drivers and pedestrians. Also, please be aware of storm drain inlets and keep them clear of snow and debris so that melting snow

doesn't back up into the streets or the neighborhood yards.

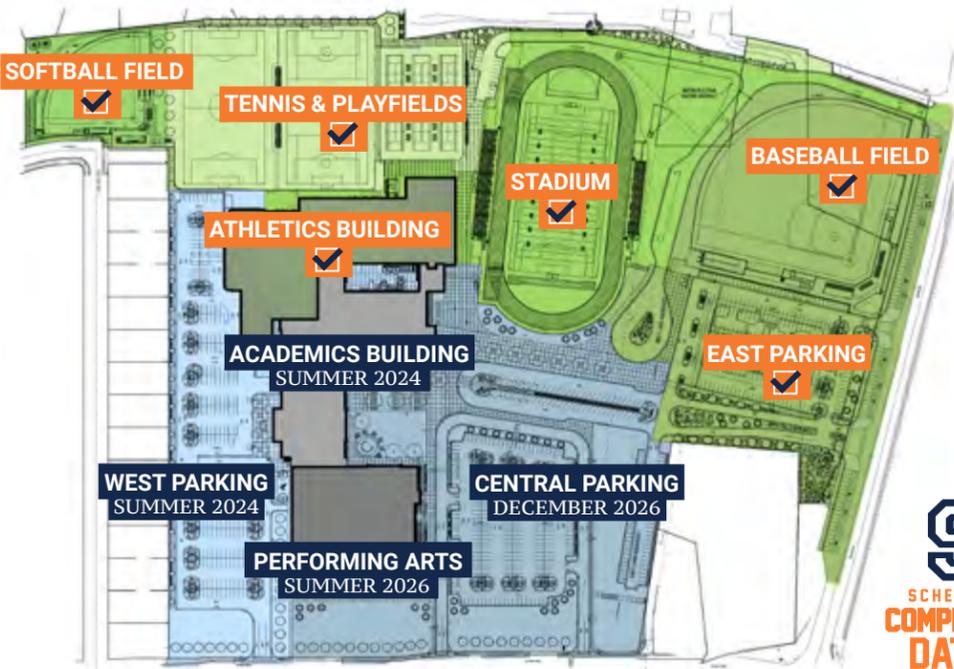

HOW LONG DO I HAVE TO CLEAR MY SIDEWALKS? Clearing sidewalks is the responsibility of the property owner, occupant, or business owner whose property abuts the sidewalk (Ordinance 14.32.100 Snow Removal; Required). Property owners, occupants, or business owners are required to clear snow from sidewalks within 12 hours after the snow has ceased falling. In the case of a storm happening between the hours of 5:00 PM to 6:00 AM, sidewalks should be cleared by 8:00 AM. If you need help clearing your sidewalk, consider reaching out to family, friends, neighbors, or local community groups. Please be considerate of pedestrians and keep your sidewalk clear.

WHAT DO I DO IF MY STREET HASN'T BEEN PLOWED? If your street has not been plowed, please allow at least 24 hours after a storm before calling to report it. The best and most effective way to report a missed street is by calling the Salt Lake County Public Works Operations 24-hour emergency phone number at 385-468-6101 or by emailing pwops-online@slco.org. More information on snow removal can be found on our website by searching for "Snow Removal FAQs."

SKYLINE COMMUNITY,

Progress continues on the rebuild of Skyline High School.

Fields and facilities for athletics are all complete. The Academics Building and west parking will be completed in the summer of 2024, at which point the total project will be 81% completed and open for use.

The rebuild will conclude with the completion of the Performing Arts Building and central parking in 2026.

We appreciate your patience and ongoing support as we work to rebuild the school, which will serve as a place of learning and excellence for decades to come.

For ongoing project updates, visit: gsdfuture.org

A Personal Message From Mayor Silvestrini:

I really appreciate that so many of you have thanked me for serving and encouraged me to run again this election cycle. This job has been one of the most interesting, challenging, and gratifying things I have done, and (almost always) I enjoy it.

It's easy for a politician to justify running again and sometimes I think that is problematic. There are always projects to see through to completion and concern about the stability of the staff and culture. We have the task of ensuring the survival of the Unified Police Department, and I think my leadership on the

UPD Board has been and will continue to be needed there. And it's a priority for me to continue the work of Millcreek Promise and to work with other leaders to address our pressing issues of housing affordability and homelessness. But it's not about the unfinished work—the enjoyment I derive from working to build community and improving our city is what motivates me.

Over the past 6+ years, I am proud of having been able to represent the residents of Millcreek in state and federal politics. This has raised our profile as one of Utah's largest cities and has resulted in benefits we otherwise would not have received. Our six-

year-old city is on a sound fiscal basis. We've made great progress improving our tax base and fixing old infrastructure, while providing quality services to you. So much remains to be done!

While it feels weird to cancel this election, please know that I am still listening to you and I will continue trying to do my best on your behalf, considering your input and the information and resources available to me. I am humbled and grateful for the confidence so many of you have expressed in me and my administration and I look forward to a new term as mayor of the best city in Utah. Best- Jeff
