City Council Meeting Cancelled - Mayor Silvestrini and City Councilmembers will be in DC lobbying for good things for Millcreek

Millcreek Community

Get to the Skate Loop!! Only One Week Left to Skate!

MILLCREEK. The ice is still cold and ready at Millcreek Common Skate Loop, but only for one more week. Ice skating will shut down on March 16th, so bring the family to enjoy the last days.

Don't fret if you miss it though, as the rink will be ready for roller skating on April 1st. And weather permitting, the splash pad will open May 6th.

Council

The main purpose of all Common events is to provide an exciting and welcoming city center for Millcreek. A great success this season, sales of skate passes and more than 29,000 skate rentals reached a new high of \$377,868. The 2023-24 season was the second one for the skate loop.

**Historic Preservation
Commission**

Thurs., 3/14/24, 6pm
City Hall, 2nd Floor
Community Forum
1330 E Chambers Ave
Agenda below

The rink hosted 27 ice shows this winter, ranging from skating club showcases to New Year's Eve, Valentine's Day, and other special shows, with free admission for spectators. Millcreek's own ice-skating troupe, the Skate Loop Ice Troupe, was formed this season. The troupe's talented skaters' skills were displayed at 15 shows/exhibitions, each free to the public.

Millcreek Common Community Life staff worked with school groups on field trips, often offering discounted skate passes. Kids (and adults) learned how to skate or play ice hockey. The Loop was used by businesses for company events, and great fun was had by all.

We cannot even begin to estimate how many residents and visitors spent time watching performances and enjoying what the Common has to offer. Our City Center is doing very well, meeting the expectations of residents who asked overwhelmingly for a place that included a skate rink where they could mingle and visit with friends and family.

To add to the Millcreek Common fun, the climbing wall on the northeast corner of City Hall will be opening on Saturday, March 23rd with a Grand Opening Ribbon Cutting at 10am. There will be free climbs all day and free top rope belay classics. Meet pro-climbers, connect with climbing clubs, and enjoy giveaways, games, and food. Break in the lead-wall at 5:30pm. Come climb City Hall!!!

We have heard many many compliments from residents about Millcreek Common and all the fun things happening. We are so happy to be able to provide this fun amenity to residents. So come on down and ice skate (until the 16th) and make your summer plans to include roller skating, climbing city hall, and getting wet at Millcreek Common! [Click here](#) to learn more about Millcreek Common or to reserve your skate time. Whether you like to roll around feeling

the wind on your face, get wet, or climb to amazing heights, Millcreek Common is for you.

Roller Skating begins on April 1, and that's no joke!

Volunteers Needed

The response to the Promise Program's Basic Digital Skills Course has been so successful that we need some help. If you have time on Mondays and want to help others to learn basic digital skills, please join us. We are certain you will find the experience rewarding. Scan the QR code below.

BASIC DIGITAL SKILLS COURSE

**Seeking Volunteers for our
Monday Classes!**

MILL CREEK CANYON ROAD IMPROVEMENT PROJECT

The Federal Highway Administration, Central Federal Lands Highway Division (FHWA-CFLHD) announces the availability for public review and comment of the Environmental Assessment (EA) and Draft Section 4(f) Evaluation for the Upper Mill Creek Canyon Road Improvement Project. **The EA will be open for review for 30 days, from March 6 to April 5, 2024.** [Click here](#) to review the draft, as well as the various resource reports on which the draft relies.

FHWA-CFLHD, in cooperation with Salt Lake County, Millcreek, and the Uinta-Wasatch-Cache National Forest (UWCNF), prepared the Upper Mill Creek Canyon Road Improvement Project EA, which examines the potential environmental impacts of the alternatives being considered for improvements to the upper 4.6 miles of Mill Creek Canyon Road, located primarily within the UWCNF in Salt Lake County, Utah. The project would extend from the Winter Gate parking area to the Upper Big Water Trailhead, where the road terminates. Funding for the project is through the Federal Lands Access Program in conjunction with a local funding match.

In compliance with the National Environmental Policy Act (NEPA), as amended, and applicable implementing regulations, FHWA-CFLHD has prepared an EA evaluating the project. Section 4(f) refers to the original section within the U.S. Department of Transportation Act of 1966 which provided for consideration of park and recreation lands, wildlife and waterfowl refuges, and historic sites during transportation project development. The draft Section 4(f) evaluation analyzes potential uses of and impacts to Section 4(f) properties within the project area and outlines measures to minimize harm to such properties. The EA and Section 4(f) Evaluation can be obtained from the following website: <https://highways.dot.gov/federal-lands/projects/ut/flap-sla-10-1>

To request a compact disc (CD) or hardcopy of the document, please send requests to millcreekcanyonroad@dot.gov.

To be considered in the decision-making process, written comments on the EA's analysis and results of the environmental impacts of implementing the proposed action must be received by April 5, 2024. Please provide any written comments to Central Federal Lands Highway Division, 12300 W. Dakota Ave. Suite 380, Lakewood, Colorado 80228 or via email to millcreekcanyonroad@dot.gov.

The Forest Service will issue an independent decision on limited aspects of the project, as described in, and based on the analysis in the FHWA-CFLHD EA. The Forest Service decision is subject to 36 CFR 218 subparts A and B. To be considered in the Forest Service decision-making process, written comments must be submitted to the Central Federal Lands Highway Division, as described above.

Go to slco.to/FLAP to learn more about the Upper Mill Creek Canyon Road Improvement Project, and review the Environmental Assessment, Persons with disabilities who require alternative means

for communication of program information (braille, large print, audiotape, etc.) should make requests using the contact information above.

Last Day to Ice Skate Party!

WFWRD Seasonal Container Reservation Program

MILLCREEK. This year, Millcreek will be the first area that is served by Wasatch Front Waste & Recycling District's Seasonal Container Program.

How It Works

Residents will receive a postcard in the mail with two important dates:

- when the reservation calendar for your Zone opens to make a reservation
- when WFWRD will be dropping off and picking up containers

After you receive your postcard indicating which Zone you are in and when the reservation calendar opens, visit wasatchfrontwaste.org to make a reservation. *Please note that WFWRD is unable to take reservations over the phone. There are no exceptions due to required documentation needed for this program.*

Below are the dates when Millcreek residents in the following zones can make their container reservation at wasatchfrontwaste.org. ***Your postcard will indicate which zone you are in and when the reservation calendar will be open to take reservations:***

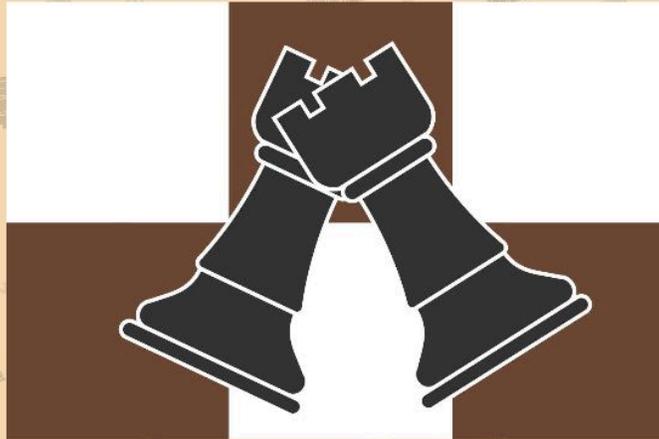

- **Millcreek Zone 1:** March 18
- **Millcreek Zone 2:** March 25
- **Millcreek Zone 3:** April 8

If your reservation is confirmed, containers will be delivered as follows:

- **Millcreek Zone 1:** April 8-16
- **Millcreek Zone 2:** April 17-25
- **Millcreek Zone 3:** April 26-May 6

Make Your Reservation and Get Tips and Guidelines [HERE](#)

ALL AGES CHESS CLUB

Join our chess club to learn, practice, and sharpen your chess skills! Chess boards will be provided and instruction is available for new players.

**2ND WEDNESDAY EACH MONTH
3:30 - 4:30 PM**

The County Library | Millcreek

2266 E Evergreen Ave
Millcreek, Utah 84109 | 801.943.4636

Construction Updates

900 East Reconstruction

Today, crews resumed work on 900 East between 4500 South and 3900 South as part of the full depth roadway reconstruction. Crews will be pouring concrete for driveways and sidewalks along the project. Drivers in the area should anticipate intermittent lane closures and changing traffic configurations. Please stay vigilant and expect travel delays in the project area.

Nearby residents and businesses can expect roadway excavation and intermittent travel delays when entering and exiting their properties. All impacted residents will be notified ahead of any driveway closures or water shut-offs through a door hanger notification. **Access will be maintained to all the surrounding properties**, unless otherwise notified by the project team.

WHAT TO EXPECT:

- One-way flagging operations as needed
- Intermittent driveway, sidewalk and lane closures
- Increased noise, dust and vibration

All construction activities are weather dependent and subject to change.

Construction on 900 East is anticipated to be completed
by the **end of summer 2024.**

For more details and contact information for this project, visit millcreekut.gov/339/Current-Projects.

Signal Box Replacement - Wasatch Blvd & Brockbank Dr.

On Sunday, March 10th, the traffic signal located on the NE corner of Wasatch Blvd and Brockbank Drive will be inoperative for a scheduled signal cabinet replacement from 7 AM to 11 AM. Please drive carefully around this area and obey all traffic laws as crews work to replace the damaged signal cabinet.
