Lots of Roads Being Repaired in Millcreek

MILLCREEK. Construction season is well underway all over the valley. Crews in Millcreek are likewise hard at work. Here are some updates on the 2000 E and 900 E projects to let you know

1330 E Chambers Ave
Agenda below

what is going on and what areas you should avoid if possible. In the meantime, slow down to keep yourself and our crews safe.

Remember that fines are doubled in construction areas. It is also important to remember that even if you are riding a bicycle you still need to follow all posted traffic signage. Don't try to sneak through a construction site, it can be very dangerous.

As you make your weekend plans, don't forget that

the **Salt Lake Marathon is happening on Saturday -**

Plan Ahead!!

[\(more information below\)](#)

2000 East - 3300 S to Siggard Avenue

A major road reconstruction along 2000 E between 3300 S and Siggard Avenue is well underway. As work began on this project, a failing storm drain was discovered under the intersection of 2000 E and 3300 S. We are fortunate that the problem was found while work was being done in the area and the construction crews were on hand to replace the pipe. It is unfortunate that this work will cause additional traffic delays along 3300 S.

2000 E Improvements

Phase 1: Siggard Drive to 3300 South

Construction Update - April 19

3300 S Intersection Construction Notice

Crews have begun work to install further irrigation pipe at the intersection of 3300 S and 2000 E. This work is anticipated to last through mid-May.*

What to Expect:

- Construction activities 8 am to 4 pm
- New traffic patterns and restrictions at the 3300 S intersection
- Noise, dust, and vibration
- Construction vehicles, crews, and equipment in the area

New Traffic Pattern

While work is ongoing in this area, a new traffic pattern will be in place for the safety of crews and to allow for construction activity. Drivers are encouraged to

follow posted detours and use caution when near the work zone. Pedestrians on 3300 S are asked to obey posted sidewalk detours.

- Drivers headed *eastbound* on 3300 S cannot turn right or left onto 2000 E
- Drivers headed *westbound* on 3300 S cannot turn left onto 2000 E
- Most traffic restrictions will be removed daily by 4 pm. The southbound closure on 2000 E will remain in place.

**Construction schedules are subject to change due to utility, material, weather, or equipment delays.*

2000 E Update

Project Overview

Millcreek City is performing a roadway and irrigation improvement project on 2000 East. The project began November 2023 and will continue through summer 2024.*

Project benefits include:

- Piping of the west-side irrigation ditch
- Installation of a pedestrian-friendly sidewalk
- New bike lanes for active transportation
- New pavement for road overlay

During construction, residents and drivers can expect:

- Daytime construction work Monday through Friday
- Shifting traffic patterns and travel delays throughout the work zone
- Construction crews, vehicles, and equipment in the area
- Noise, dust, and vibration

Equipment and Materials Staging

An equipment and material staging area has been established in the cul-de-sac at Millcreek Dr. and 3375 S. Access to homes and driveways will be maintained, snow and trash removal will still take place as normal, and the staging area will be secured. Residents with questions are encouraged to contact the project team.

Parking Restriction

Parking on the north and south sides of 3375 S between 2000 E and Millcreek Dr is restricted between the hours of 7 am to 5 pm Monday through Friday to accommodate construction equipment moving through the area.

Ongoing Construction Activities

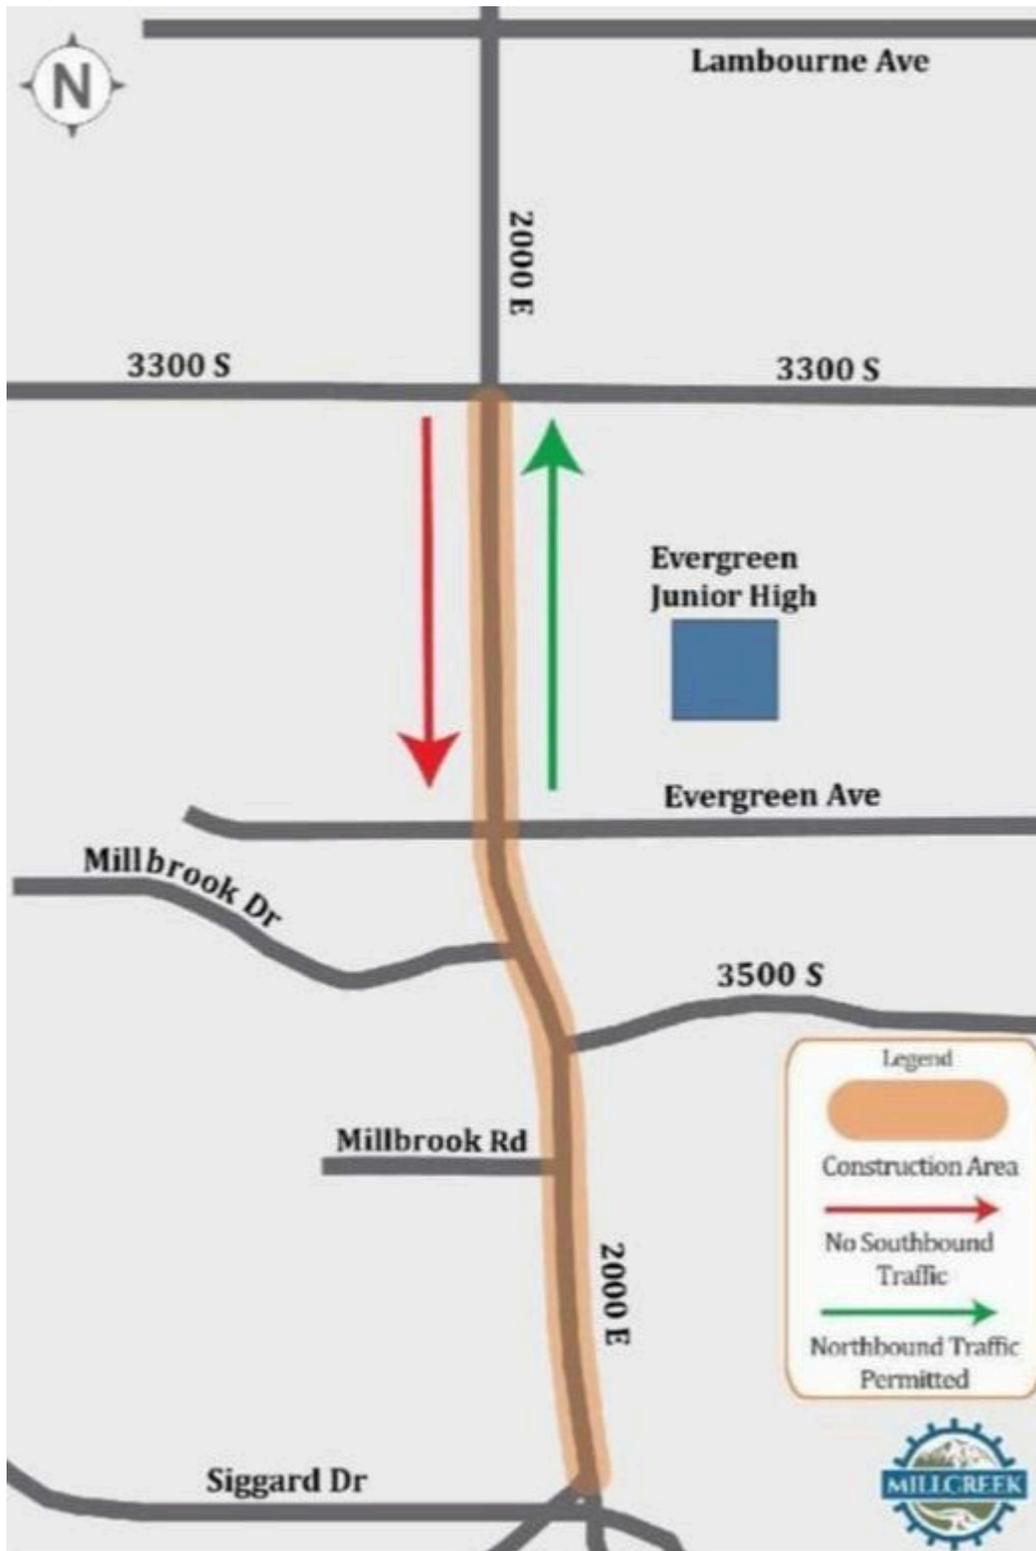

- Fencing is being installed and landscape work is occurring in localized areas.
- New sidewalk, curb, and gutter installation is occurring.
- Roadway signage is being installed in select areas throughout the corridor.
- Tree trimming and stump removal has concluded but may resume on an as-needed basis.
- Garbage Collection Notice: During construction, residents along the west side of 2000 E should place garbage cans on the east side of the roadway for pickup.

Upcoming Construction Activities

- Roadway resurfacing and asphalt restoration is expected to occur from May 13th through 24th. More details on specific impacts including brief driveway closures, intersection closures, and shifting traffic patterns will be made available as paving approaches.
- Irrigation gate installation is expected to conclude at the beginning of May.

Questions about work near your property? Contact the project team.

**Construction schedules are subject to change due to utility, material, weather, or equipment delays.,*

900 E Update

900 East - 3900 S to 4500 S

A second major road reconstruction is underway along 900 E, which is undergoing a complete full-depth construction between 3900 S and 4500 S. A rolling operation is underway for paving that will take approximately one week to complete.

The project is anticipated to be finished by late summer 2024 and will be a complete street with new pavement, bike lanes and contiguous sidewalk.

To keep one lane open in each direction, paving began this week along the west side. Residents have been notified of impacts to driveways. There is no parking throughout the entire construction area.

Salt Lake Marathon Road Closures Tomorrow

To ensure the safety of the participants, course segments are selected that require 100% closure. Many course segments are only restricted to one-way traffic. Some of these select street closures could be for up to seven hours. Be sure to plan ahead for the best routes to your home or business!

Millcreek City Manager Mike Winder, Councilmember Cheri Jackson, Councilmember Silvia Catten, Mayor Jeff Silvestrini, and Councilmember Bev Uipi are all smiles as they are presented a Healthy Utah Community designation by Get Healthy Utah.

Millcreek Retains Title as Healthy Utah Community

ST. GEORGE. Today at the Utah League of Cities and Towns midyear conference, Millcreek was one of the few Utah cities designated by Get Healthy Utah as a "Healthy Utah Community". Millcreek's embrace of outdoor recreation and countless activities to encourage residents to "Venture Out" impressed judges. In addition to boasting the largest outdoor skating loop in Utah, Millcreek has also just opened the largest outdoor climbing wall in the Utah, is constructing ten new pickleball courts at Canyon Rim Park , and is adding park space along Big Cottonwood Creek.

7. Closed Session (If Needed) - The Council may convene in a closed session to discuss items as provided by Utah Code Ann. §52-4-205.

8. Adjournment

In accordance with the Americans with Disabilities Act, Millcreek will make reasonable accommodation for participation in the meeting. Individuals may request assistance by contacting the ADA Coordinator, 801-214-2751 or adainfo@millcreekut.gov, at least 48 hours in advance of the meeting.

Public Comment Policy and Procedure: The purpose of public comment is to allow citizens to address items on the agenda. Citizens requesting to address the Council may be asked to complete a written comment form and present it to the City Recorder. In general, the Chair will allow an individual two minutes to address the Council. A spokesperson, recognized as representing a group in attendance, may be allowed up to five minutes. At the conclusion of the citizen comment time, the Chair may direct staff to assist the citizen on the issue presented; direct the citizen to the proper administrative department(s); or take no action. This policy also applies to all public hearings. Citizens may also submit written requests (outlining their issue) for an item to be considered at a future council meeting. The Chair may place the item on the agenda under citizen comments; direct staff to assist the citizen; direct the citizen to the proper administrative departments; or take no action. Public comment can be submitted via the City's website at: <https://www.millcreekut.gov/FormCenter/Contact-Us-5/Public-Comments-61>.

The meetings will be live streamed via the City's website at: <https://www.millcreekut.gov/373/Meeting-Live-Stream>. The Council may convene in an electronic meeting. Council members may participate from remote locations and may be connected to the electronic meeting by GoToMeeting, Zoom, or telephonic communications. The anchor location will be City Hall.

THE UNDERSIGNED DULY APPOINTED RECORDER FOR THE MUNICIPALITY OF MILLCREEK HEREBY CERTIFIES THAT A COPY OF THE FOREGOING NOTICE WAS EMAILED OR POSTED TO: City Hall; City Website <https://www.millcreekut.gov>; Utah Public Notice Website <https://www.utah.gov/pmn>; Those Listed on the Agenda

DATE: April 3, 2024

RECORDER: Elyse Sullivan

Agenda items may be moved in order, sequence, and time to meet the needs of the Council.
