Market, and all sorts of fun with magicians, candy cannon, dunk tank, Oompa Lompa Dance Party, Petting Zoo, and much more.

Grab some fabulous food truck munchies, mingle with neighbors and friends and spread out your blanket at dusk to enjoy Wonka (PG) on the giant inflatable movie screen.

The Venture Out! Festival series will run each Friday in June with exciting new fun at each Festival and different family fun movies.

The Friday Twilight Market & Movie Nights will then continue through July 19th. Visit the [Venture Out! website](#) and watch this newsletter for movie and location details for all Friday night fun.

## Millcreek Sidewalks & Trails Master Plan Survey

We have initiated a comprehensive planning study of our city's sidewalks and trails network system. During this study, the planning team will gather key data and information from the public to establish an updated master plan that will enhance the sidewalk and trail network here in Millcreek.

Click the button below or visit [millcreeksidewalksandtrails.org](https://millcreeksidewalksandtrails.org) to complete the public survey and provide your feedback. You can also speak directly with a study team representative by calling (385) 360-1900 if you have any questions. The survey will remain open through **Aug. 16, 2024**.

# MONDAY

## The Millcreek Arts Council Opens Up The 2024 Summer Jam Concert Series

Millcreek Summer Jam Concerts are back, and this year will be continuing June into August! This summer, enjoy a diverse lineup of musicians as concerts return to the shaded open-air amphitheater in Canyon Rim Park at 3100 S 2900 E. Join the Millcreek Arts Council for melodious performances every Monday evening beginning at 7:00pm. Millcreek Summer Jam concerts are free, open to the public, and family friendly. Please visit [www.millcreekartscouncil.org](http://www.millcreekartscouncil.org) for more.

Pompe n' Honey is a tightly knit acoustic swing band out of Salt Lake City that came together over a love of obscure, early 20th-century swing and folk music. Breaking down the wall between high-brow sophistication and raw artistic expression, they are comfort food for your ears.

Specializing in classic country swing and gypsy jazz, Pompe n' Honey play a healthy dose of original tunes, American Songbook standards, and quirky pop

covers to make a dynamic and positively toe-tapping good time

Check out [MillcreekartsCouncil.org](http://MillcreekartsCouncil.org) for more information and see the entire summer lineup in the flyer below.

# TUESDAY

**BUILDING RELATIONSHIPS. ONE CUP AT A TIME.**

**Join your neighbors and police officers for coffee and conversation.**

 First Tuesday of Every Month	 Millcreek Coffee Roasters 1330 E Chambers Ave 1st Floor	 8:00 AM to 9:30 AM
---	--	---

The mission of Coffee with a Cop is to break down the barriers between police officers and the citizens they serve by removing agendas and allowing opportunities to ask questions, voice concerns, and get to know the officers in your neighborhood.

Millcreek Coffee Roasters has generously offered to provide regular coffee to participants, as well as 25% off of specialty drinks during this event.

THIS EVENT IS PRESENTED BY THE:  Millcreek Business Council & Unified Police Department

# Disaster Simulation

June 8 2024  
12:30pm-4:30pm  
Columbus Center  
2531 S 400 E, Salt Lake City, UT 84115

Register at  
<https://forms.gle/nKnJnv5DNstWzMXu9>

## Participate in a Disaster Simulation

The Millcreek Emergency Management is coordinating with the South Salt Lake team to present an exciting volunteer opportunity. There will be a Disaster Simulation event hosted by the Community Emergency Response Team (CERT) on June 8th, 2024, from 12:30 PM to 4:30 PM at the Columbus Center,

located at 2531 S 400 E, South Salt Lake City, UT 84115. This simulation is crucial for enhancing our community's preparedness and response capabilities. If you are CERT trained this will be a great refresher- and if you are not your participation is greatly valued!

Get additional information and sign up for the event [HERE](#).

**GETTING VISUAL AT THE LIBRARY**

The Millcreek Arts Council and Salt Lake County Library Millcreek Branch are excited to start June with a new exhibit at the Library at 2266 Evergreen Ave. The artwork of Happy Online Painters (HOPs) will be displayed throughout the month of June. A reception will be held at the library from 6-6:45 PM on June 7th. Please join us for light refreshments and musical accompaniment by Jason Dreher and Emily Grace Bender.

Happy Online Painters (HOPs) is an online painting class with the Salt LakeCounty virtual senior programing. Each Friday morning a group of friendly, accepting, and gracious artists sign on to a WebEx link for their acrylic painting class. Typically, the class does a painting from start to finish in about one and a half hours. Popular themes include landscapes, animals, birds, flowers and more. There are four leaders that rotate through the monthly schedule. The leader demonstrates, coaches and steps classmates through the entire painting process from start to finish. Occasionally, the class has guest artists. At these times watercolors and oils have been explored. Most of the paintings you will see in this exhibit were completed during the 1.5-2 hours of class time. However, sometimes an individual artist will see the need for a few final tweaks after stepping back from their painting for a deeper look and then do additional touch ups after class. This unique and special class offers an escape into the world of art and provides a valued creative therapy outlet. Our hope for this exhibit is that you will have as much fun viewing our art as we have had in creating it!

Jason Dreher started playing music at age 11, receiving private music tutoring after school on the trombone. He picked up the guitar at age 14. After High School he moved from his home state of Wyoming to California to study for 2 years at Musicians Institute in Los Angeles. Jason has played many styles of music throughout the years including jazz, country, rock, gospel, and classical. Jason recently graduated from the University of Utah with a bachelors degree in jazz guitar performance.

Emily Grace Bender has played guitar for 19 years and has played professionally since 2016. She graduated from the University of Utah in 2017 with a Bachelors degree in Classical Guitar Performance. When she isn't teaching private guitar and drum lessons, she plays in orchestra pits for local theater companies.

---

## *CONSTRUCTION NOTICES*

### **Road Treatment Work Begins**

Now that the weather had warmed up, road treatment work will begin. Each year all Millcreek roads are inspected and prioritized for treatment and how far budget dollars can be stretched to work on the most roads.

We realize that there are many areas where work is needed and determinations are made as to which treatment would work best on which road in order to extend their useable life until funds are found for expensive total rebuilds.

In the last few weeks, crews have been out in certain areas applying crack seal, creating interesting looking squiggly, bumpy lines on the pavement. This was

handled while the weather was still not warm enough for the final treatment and is applied to done to keep water from getting underneath the road, the main culprit that creates road damage.

Slurry seal and micro paving work will begin on Wednesday, June 5th, and will impact College Street, Imperial Street, 1500 East, Connor Street, Lambourne Avenue, and the Forest Hills area.

Residents have begun to receive notifications and a second notice giving 24 hour notice will be distributed when work moves to each individual street.

Residents who have questions or concerns, please call the city offices at 801-214-2700, We understand any road work is disruptive and appreciate resident patience. Please abide by all construction signage, slow down, and be safe.

## ***900 East Construction Nearing Completion***

We are almost there! As we enter the final stages of construction, we appreciate your continued patience.

Starting as early as **Monday, June 10**, crews will begin the final steps of road construction on 900 East between 4500 South and 3900 South. This includes micro surfacing, road striping, and applying thermoplastic road markings.

**During this work, residents can expect to temporarily lose driveway access for 1-2-hour periods while crews pass in front of their property for each construction activity.**

Crews will start this work on the east side of 900 East. Once that is completed, they will shift traffic and finish work on the west side. See the anticipated schedule below.

### **WORK SCHEDULE**

- Micro surfacing: Monday, June 10 – Wednesday, June 12
- Road striping: Thursday, June 13
- Thermoplastic application: Wednesday, June 19 – Friday, June 21

*Please note that all construction activities are weather-dependent and subject to change.*

**As this is a rolling operation, specific dates and times for when crews will**

**be paving in front of your property are unknown.** To avoid interrupted access to your driveway, we recommend parking vehicles on nearby side streets prior to this work. Please note that on-street parking along 900 East is prohibited during construction.
