The Summer Fun Isn't Anywhere Near Over

MILLCREEK. We hope you each had a fun, exciting, and safe Independence Day celebration with your fair share of hot dogs, burgers, and watermelon.

The Independence Eve Celebration at Millcreek Common was once again a big hit. The Skate Loop Legends spun around the skating rink, the luchadores tossed each other about in the boxing rink, and the Alta High School drum line got the crowd a-shimmyin' and a-shakin'. The Flying Ace All-Stars flew high in the sky, trampoline jumping in their skis and on snowboards. The fun was capped by a 150-drone light show that lit up the sky with images of the Stars and Stripes, Lady Liberty, and our very own local images, including roller skates and ice skates, Milo the Moose, and the Millcreek logo. Thanks to all of our residents and visitors who came to enjoy the fun.

The fun is not even close to being over yet. **The Friday Twilight Market and Movie continues TONIGHT at Scott Park.** Take a look below at the many events that will continue to be presented by Millcreek. See you there!!

ARTS COUNCIL

July 8th

Enjoy the Reggae sounds of [Master Kennedy](#) this coming Monday, July 8th, at Canyon Rim Park. Reggae music is a genre that originated in Jamaica in the late 1960s. It is characterized by its offbeat rhythm, strong bass lines, and lyrics often focused on social and political issues.

Getting Visual at the Library with the Arts Council

The Millcreek Arts Council and Salt Lake County Library Millcreek Branch start July with a new exhibit at the Library at 2266 Evergreen Ave. The artwork of Brooke Elayne will be displayed throughout the month of July. A reception will be held at the library from 6-6:45 PM on July 12th. Please join us for light refreshments and musical accompaniment by The Two Old Guys.

Brooke Elayne is a Utah-based artist with a background in oil painting, drawing, and digital art. She is inspired by nature and patterns and uses those elements to tell stories viewers can connect to. We are all searching for somewhere to belong and her art is an invitation to reflect on where we have been, where we are going, and where we are now.

The Two Old Guys—Michael Feldman and Tally Evans—are a SLC acoustic duo with a flair for being entertaining and engaging. They play a wide variety of fun, upbeat music that includes folk/rock, blues, ballads, bawdy drinking songs, original covers, and originals.

CONSTRUCTION NOTICES

Canyon Rim Park Improvements

MILLCREEK. The pickleball courts at Canyon Rim Park reached a significant milestone this week with the completion of the concrete pour for the courts. This marks a significant achievement for the project toward substantial completion in August. We are grateful to the residents who likely experienced disturbance while the contractors were doing this work during the early morning on Wednesday and Friday.

Millcreek 900 East & 2000 East Final Project Updates

Construction projects on 900 East between 4500 South and 3900 South and 2000 East from 3300 South to Siggard Avenue are coming to an end. All major construction activities on the projects are complete, however there will be final construction activities as crews finish the last details of this project over the next few weeks.

Independence Holiday Construction Break

All construction activities in Millcreek are on pause for the Independence holiday and will resume on Monday, July 8. Traffic cones and barrels will remain in place to protect the work zones.

Construction Update: 3100 East Storm Water Improvement Project

Construction crews have installed the first 150 feet of storm drainpipes at 3900 South and are progressing northbound toward Upland Drive. Access to 3100 East and 3900 South is expected to be temporarily open for the Independence Day holiday and will resume closure on Monday, July 8.

1300 East Improvements

The top surface of the roadway and sidewalk along the corridor have been removed to allow storm drains, water, and communication utilities to be installed. Drivers should be aware of uneven road surfaces and reduce their speed while passing through the area. Pedestrian access is closed during construction, and you are advised to follow posted detour signs for your safety.
