EASTSIDE

Hometown Values Highlights

Millcreek Promise is a department within the city of Millcreek with a mission to mobilize and support Millcreek residents to build community, bridge divides, and lift all boats. This department was created by Mayor Silvestrini as a way to make the following promises to the community:

- 1 All Millcreek youth have the support to maximize academic success on their path to high school graduation and post-secondary education;
- 2 All Millcreek residents have access to health and safety services and resources; and
- 3 All Millcreek residents have the opportunities to provide a high quality of life for themselves and their families.

With this department, Millcreek has the opportunity to dive deep into the areas of education, health, safety, and economic wellbeing and to connect residents to resources in these areas. Millcreek Promise convenes coalitions of passionate community members, organizations, and businesses for each of these focus areas.

From these coalitions come community programs and initiatives, such as youth programs, service activities, adult classes, and more! Millcreek Promise is committed to wellness and opportunity for all.
