Take Time Off From Social Media

MILLCREEK. Millcreek is joining with other cities across the valley and the whole country to encourage residents to join the REAL Day movement.

REAL Day focuses on replacing social media on the first day of every month with alternate activities to improve youth and family mental wellness and happiness. The idea is to take time off social media and do something REAL instead.

REAL Day is coming up on Sunday December 1st. In Millcreek, residents and their families can have fun ice skating or visiting the Holiday Shoppes at Millcreek Common.

Mill Creek Canyon is just minutes away with incredible hiking and skiing trails. City parks are a great place to spend time with family. Millcreek is home to several climbing gyms and a great bowling alley. Visit the county libraries for all sorts of classes and activities.

The point of REAL Day is to recreate, enjoy nature, music, sports, hobbies, art, dance, reading, volunteering, exercising, and playing - whatever interests you. Spend this one day a month with these four rules:

- Go social media silent — off all platforms
- Limit phone use to calls, text, email and camera
- Do something REAL
- Feel connected to your true self

REAL Day is for everyone! Join us!

WINTER PARKING REMINDER

With the snowy season upon us, please remember from November through April, parking on city streets is prohibited when it's snowing or if snow is already on the streets. This ordinance (11.20.130) helps keep our roads safe for everyone and ensures that snowplows can clear streets effectively.

Stay informed, stay safe, and help us keep our community accessible this winter

Green Valley Drive Accessibility Enhancement Update

MILLCREEK. The city, in close coordination with Salt Lake County, has made significant progress in making accessibility improvements in the Green Valley Drive neighborhood. As of this week, the installation of 17 brand-new pedestrian access ramps, complete with efficient new waterways, has concluded. A crucial milestone in ensuring the neighborhood meets ADA standards, mobility and safety for residents and visitors alike has been enhanced.

Though significant progress has been accomplished, more work still needs to be done. The next focus will be addressing trip hazards by replacing sidewalks, followed by restoring sinking curbs and gutters throughout the area. The targeted effort will continue into the spring of 2025.

Residents in the area may experience some disruptions during this process, as crews may need to temporarily pause the construction schedule for other necessary projects outside of Millcreek. We appreciate everyone's cooperation and patience during this time. Stay tuned for more updates!
