Wasatch Front Waste & Recycling District (WFWRD) is Once Again Offering Christmas Tree Pickup

Remember, residents must request a curbside Christmas tree pickup. WFWRD has explained below how the program works.

REMINDER: Christmas Tree Collections

We offer Christmas tree removal for your post-holiday convenience. During the month of January, we will begin picking up trees from residents who complete our request form on our website (www.wasatchfrontwaste.org) or call the WFWRD office at (385) 468-6325.

We ONLY accept REAL trees – no artificial trees. Trees must be free of decorations, ornaments, lights, and snow. Please place trees curbside, not in bins.

To have your Christmas tree picked up, please ensure you remove all decorations and place your tree at the curb. Trees will be collected the day after your regularly scheduled pickup day. Due to high demand, it may take more than one week to complete all requests.

Happy New Year!

Artist Reception 1.3.25

Getting Visual at the Library

The Millcreek Arts Council and It Lake County Library Millcreek Branch will start 2025 with a new exhibit at the Library at 2266 Evergreen Ave. The artwork of **Cara Jean Hall** will be displayed throughout the month of January.

A reception will be held at the library from 6-6:45 PM on Friday, January 3rd. We hope you will join us for an evening of art, light refreshments and musical accompaniment by **Tyler Yentsch!**

Cara Jean Hall's figurative works are highly narrative and combine realistic painting techniques with surrealistic subject matter. They explore the human experience and have covered topics such as mental health, the plight of women, and musical performance. Her abstract nature works sample colors and compositions from nature and present them with planned composition, hard lines, basic shapes as well as happenstance, organic forms, and painterly strokes. They are typically large scale and very colorful.

Cara Jean's work can be found in collections at Salt Lake Community College, Salt Lake County Permanent Collection, Park City Hall, Millcreek City Hall, Daybreak, UT and Henderson, NV.

Cara Jean spent the first 15 years of her adult life raising a family then later received her BA from the University of Houston. She resides in Millcreek where she paints, gardens, and works in Development for KUER 90.1 FM.

Tyler Yentsch is a guitarist as well as a singer/songwriter, who hails from the mountains of Salt Lake City, Utah.

Brought up playing the blues and performing at venues such as The Gallivan Center, Deer Valley amphitheater, and Utah State Fair Park, Tyler has a deep connection and inspiration from past Blues legends. He began writing his own music, in his own style, in 2019.
