

# Squeaky Clean City Audit

At the final City Council meeting in 2024, the city's independent auditor, Jeffrey Miles, a CPA and partner with Assurance Services, presented the annual audit report to the mayor and council. "In our opinion, the City's financial statements present fairly, in all material respects, the respective financial positions of the governmental activities of the City," his report concluded.

The audit report also noted that "The City's

overall financial position improved in fiscal year 2024" and that "during our audit we did not identify any deficiencies in internal controls over financial reporting that we consider to be material weaknesses." The elected officials were pleased to have such a positive audit and commended city finance/HR director Lisa Dudley, and the entire team for such a well-managed city budget. Residents and interested parties can read the full audit on the city website at [millcreekut.gov/187/Finance](http://millcreekut.gov/187/Finance).

## YOU'RE GOING TO LOVE CELEBRATING WITH US

Heat up this Valentine's Day with our Hearts Afire celebration at Millcreek Common. Enjoy everything we have to offer or choose just a few. The night is yours!

- Learn from our Millcreek Pizza House Chefs how to make perfect wood fired pizza. Meal includes a personal pizza, small salad, and a drink.
- Heat things up with Pyrography, the art of wood burning. Create your own or use one of our designs as a guide. Limited seats.
- Be cool with our Partners Introduction to Ice Skating Class. Singles welcome.

- Our Ice Loop Skate Troupe will set our hearts ablaze with their version of The Dating Game. 7:30 pm on The Loop.
- Photobooth, drinks, games, and more
- All ages welcome

Purchase tickets for Hearts a Fire at [millcreekcommon.org](http://millcreekcommon.org)

# Mercantile Opens Inside Public Market

The Mercantile at Millcreek Common is officially open inside the Public Market on the first floor of Millcreek city hall, the first permanent storefront inside the market. Designed around the success of the local food pop-up markets, the space showcases local food, beverages, and snack items and a limited selection of gifts and handcrafted kitchenware.

"We are especially excited to highlight new and emerging products before they hit the broader market," said Lacy Gill, Public Market Manager. "The Mercantile augments the growing selection of restaurants at Millcreek Common and is a benefit for employees of City Hall and the many visitors coming to Millcreek Common for skating, climbing, events, and other markets."

## COUNCIL CORNER CHERI JACKSON CITY COUNCIL DIST. 3

### Millcreek Promise Encourages Interfaith Community Projects

In 2018, Mayor Silvestrini and the City Council officially launched the Millcreek Promise Program. This initiative was created to mobilize the diverse stakeholders in Millcreek in order to make a collective impact and improve the community in key areas such as safety, health, education, and economic well-being. Stakeholders

involved in Millcreek Promise include representatives from our schools, business community, healthcare providers, and public safety.

Recognizing the significant role that Millcreek's faith leaders play in building and serving our community, the Millcreek Interfaith Council was established in 2022. Under the direction of Millcreek Promise, the Interfaith Council meets quarterly to address the needs of our community. Topics of discussion include food insecurity, emergency preparedness, community belonging, and service opportunities. Members of the Interfaith Council include leadership from Congregation Kol Ami Synagogue, Christ United Methodist Church, Our Savior's Lutheran Church, and The Church of Jesus Christ of Latter-day Saints.

Over the past two years, the Interfaith Council has organized projects and mobilized volunteers for the nationwide 9/11 Day of Service. These projects have

included clearing puncturevine at a local elementary school, preparing sack lunches for youth and individuals experiencing homelessness, collecting and sorting donations for the refugee community, assisting at The Other Side Academy thrift store by sorting and cleaning donated items, cleaning The Sammy Center preschool for children who have experienced trauma, and hosting a Red Cross blood drive.

In February 2024, in celebration of World Interfaith Harmony Week, the Interfaith Council organized and hosted the first-ever Millcreek Interfaith Harmony Music Night. The event featured performers representing many faiths and churches located in or near our city, including Bell Ringers from Christ United Methodist Church, a violinist from Congregation Kol Ami, a vocal trio, called Hinge Point, and a harpist from The Church of Jesus Christ of Latter-day Saints.

World Interfaith Harmony Week is the first week of *cont. on page 8: Interfaith*

# Millcreek—A Love Story

## Why Folks Here Love Where They Live

We absolutely LOVE being a part of such a caring, wonderful community. Since February is the month to celebrate love, we thought we'd share some of the love notes we've received lately

**C SAYS,** 'Love the concept, layout and atmosphere. Had a great time celebrating in the clubhouse and roller skating here with family. The DJ was great also. Glad we were able to experience this "hidden" (lesser known) gem.'

**A SHARES,** 'Was a little astounded that I had frequently driven by this area and not realized all the new development going on! Visited Millcreek Common to eat at Noodlehead (which I highly recommend) and was pleasantly surprised by this building and its surrounding chic offerings—i.e. Ice skating / skating rink outside, climbing wall on the outside corner of the building, cute little market going on with a few local vendors, etc...'

**J AND HER GRANDSON SAY,** 'Great spot in Millcreek for a day of enjoyable, extremely fun and well-priced activities. From the climbing wall to the Public Market (the inside changes so go back often) to the roller skating; it was what my 10-year-old grandson described as one of our best adventures ever and so much fun! We'll definitely be back when we are back in town again to see what's going

on. Also notable about how safe it is here. the Millcreek Police Department is located in the upper portion of the building. There is also a quiet place to read and table to sit at inside and out. I can't remember if there was food/ water but will update after our next adventure.'

**M REPORTS,** 'Fun, exciting and full of energy. If you love skating you have to come down here and enjoy the open environment. There is a section just for learning and a complete loop when you feel brave. Great staff.'

**JB SHARES,** 'A recent guided tour of Millcreek City, led by Economic Director, Mike Winder our members had the opportunity to learn what's new, and soon to come. What our members found most interesting is that this is clearly a city of placemaking. Millcreek Common, inclusive of Millcreek City, is clearly a space for all. Anyone who

enjoys the active life will find a place here to call home. No matter your outdoor activity of interest, there will be something for you. The Millcreek Common is something to see and experience. Thank you, Millcreek for giving our members a sneak peek at the future of the inclusive city of Millcreek and your place of inclusive Common.'

**D SAYS,** 'I have visited the city numerous times regarding some challenging projects and I have worked with the building department. They have always gone way out of his way to attend to my concerns and issues with a great attitude. Thanks for your hard work.'

### WHAT DO YOU LOVE ABOUT LIVING IN MILLCREEK?

## Millcreek City Hall Is Awarded—Again

Millcreek City Hall continues to garner recognition for its exceptional design and community impact! At their annual meeting on December 5th, Utah Construction and Design Magazine honored the building as the 2024 Best Municipal Project.

City officials, along with representatives from MHTN Architects and Okland Construction, proudly accepted this prestigious award. The new city hall has become a standout landmark, celebrated for its innovative design and vibrant community features.

We invite you to visit and experience Millcreek City Hall for yourself! Open Monday through Friday, 8 AM to 5 PM, the building offers more than just city services. Don't miss the Public Market on the first floor, where you'll find locally made items perfect for shopping and supporting local artisans.

Come see why Millcreek City Hall is winning awards and winning hearts!

### THE GRANDVIEW. CREATE EVENTS LIKE NOWHERE ELSE.

From corporate seminars to retreats, weddings to special anniversaries, our team creates memorable events using our excellently staffed amenities.

- Outdoor/Indoor facility rentals, including The Grandview at the top of City Hall
- Rent the Skate Loop and/or climbing wall with friendly, expert staff
- Catering options, sound system, and customizable interactive lighting

Millcreek Common—uncommonly perfect for events. Come, gather, grow closer.

# Millcreek Community Life

here's millie!

Millie Millcreek

February may be the shortest month, but it's packed with significance! From celebrating love and honoring history to embracing global traditions, this month stands out as it's the only month that can pass without a full moon!

Speaking of hearts, February is also American Heart Month. While my darling Milton always manages to get my heart racing, this month I'm channeling that love and energy into something equally thrilling: fitness! We're diving into Millcreek's vibrant gym scene to get our hearts pounding in the best possible way. With so many options to choose from, I'm especially excited to try Hot Yoga for the very first time!

Here's a little tour of the fun and fantastic fitness spots around town that are sure to leave you feeling love-struck (in the healthiest way possible!):

**BTONE FITNESS- 1295 MILLER AVENUE** A gym with a mission: do the most good in the shortest amount of time! Their 45-minute classes blend yoga, pilates, and a little crossfit magic to give you a full-body workout that leaves you feeling strong and energized. It's like speed-dating... but for your muscles!

**EPIC FITNESS- 3065 S. IMPERIAL STREET** Whether you're a busy bee or just looking to unleash your inner superhero, Epic Fitness has something for you. Personal training, sports performance classes, or even corporate wellness programs—they've got it all. And the best part? You can try your first week for free!

**HOTWORX- 3941 S. WASATCH BOULEVARD** You'll get 24-Hour access to virtually instructed infrared sauna workouts. Not sure if you can stand the heat? You can try a free workout by contacting them.

**SALT LAKE COUNTY PARKS & RECREATION: 2266 EAST EVERGREEN AVENUE** You'll find something for everyone in your family- from Pickleball to Active Aging Yoga! With their All-County Pass, you also get access to all Salt Lake County recreation centers, including outdoor pools and public skating.

**SLC STRENGTH & CONDITIONING: 3232 S. HIGHLAND DRIVE** From group classes to personal training, their programs have a strong emphasis on injury prevention, full body strength, movement and nutrition. They pride themselves on their facility and even offer classes for youth.

So, here's to discovering the love you deserve this month—whether it's for yourself, someone special, or the world around you. Grab your sneakers, sign up for a class, and let February's fun fitness opportunities steal your heart!

XOXO, Millie

# Make a Milo Valentine!

**WHAT YOU'LL NEED:**

- Scissors (ask an adult for help!)
- Crayons, markers, or colored pencils
- Stickers, glitter, or any decorations you like

**STEPS:**

- 1. Cut It Out and Glue it:** Cut along the dotted line and glue on some heavier paper.
  - 2. Decorate Your Valentine:** Use your crayons, markers, or colored pencils to add color and designs.
  - 3. Add Fun Decorations:** Stick on stickers, glue on glitter, or add other decorations to make your Valentine extra special.
  - 4. Write a Message:** Words of love!
- You're Done! Now you have a beautiful Valentine to share with someone special!

## Youth Council: Celebrating Accomplishments

This school year's cohort of the Millcreek Youth Council has already accomplished so much! It has so far been a year of growth, leadership, and community impact, which are all things that Millcreek City officials and Youth Council are proud of. Thanks to the dedication, creativity, and hard work of our youth leaders, positive changes have been made in our community and beyond, with another semester of school to go.

**1. YOUTH LEADERSHIP VOLUNTEERING AT VENTURE OUT!**

The Youth Council put in lots of time over this past summer and Fall volunteering at Venture Out! events, including the June festivals, World Refugee Day and Millfreaks. Their service helped these events run much more smoothly and bring community members together.

**2. SUB FOR SANTA PROJECT**

The Sub for Santa Project has become an annual tradition for the Millcreek Youth Council where they, in partnership with Project Connection, help shop for Christmas presents for local families in need. This year, three families directly benefited from what the Youth Council bought for them.

**3. VOLUNTEERING FOR THE CITY**

So far, this school year, the Youth Council have been very involved in the large service projects the city has planned and hosted. The Youth Council came out for the annual 9/11 Day of Service where they helped pack lunches for children in shelters and clean and organize items for local nonprofits. Then the Youth Council participated in the annual Warm Winter Clothing Drive, helping the business

council gather and sort clothing items as well as distribute the items to organizations who need them for the people they serve.

Thank you, Youth Council, for all the good you do,

**VOLUNTEER FOR FUN AND PERKS**  
You are wanted as ambassadors of fun and community. Apply at [MillcreekCommon.org](http://MillcreekCommon.org) to be a volunteer.

# Makaloni (Ronnie) Prescott—Millcreek Officer of the Month

During the month of November and prior, Sgt. Prescott was assigned as the afternoon shift supervisor. Due to staffing issues, his shift was staffed with only two officers. The afternoon shift is typically the busiest shift in Millcreek and always presents a significant call volume, many priority calls for

service, traffic accidents and numerous cases that require in depth investigation and substantial time from officers.

Through his many years of experience, positive attitude and outstanding leadership, Sgt. Prescott was able to keep the morale of his crew high, the officers motivated and most importantly safe. All this while providing the service to the community they deserve and expect.

Additionally, Sgt. Prescott stepped up in the absence of another Sergeant, modified his schedule and assumed supervision of the day shift in addition to his shift. This entailed not only supervising two shifts, but managing overtime, vacations, days off, training and approving reports.

Sgt. Prescott's ability to professionally deal with multiple simultaneous competing demands on a day-in-and-day-out basis was exemplary. His dedication to the Unified Police and his community is evident.

His optimistic outlook is contagious to those around him and has a positive influence on those who work for him.

## Answers To Your Snowplow Questions

During the snowy months we need efficient snow removal to keep our streets safe and accessible. Let's review our frequently asked questions about our snowplowing services and what to expect this winter season!

### Who provides snowplowing services in Millcreek?

We contract with Salt Lake County Operations for all our snowplowing services. Residents can expect the same high-quality service as in previous years.

### In what order are roadways cleared?

**#1 Priority:** Major arterial streets connecting essential services, such as hospitals, fire and police stations, are cleared first.

**#2 Priority:** Minor arterial streets, streets serving public schools, and steep hills are cleared next.

**#3 Priority:** Collector and neighborhood streets will be cleared next, with cul-de-sacs and dead-end streets being the last to be removed.

### Why do trucks come along our street before a storm?

When sub-freezing temperatures are forecasted, plows apply a salt brine solution to prevent icing. They will return as snow accumulates to clear the roadways.

### Why haven't the plows come to my neighborhood?

Storm intensity varies across the city. Plows are dispatched first to areas expecting the most significant snowfall, which can cause delays in regions experiencing light snow.

### Can I park on the street during the winter?

No! Vehicles parked on the streets during snow events hinder plowing efforts and are at risk of damage. We have an ordinance (11.20.130) prohibiting street parking when snow is present from November through April. Please remember to remove garbage and recycling cans promptly on collection days. If plow trucks skip your street, it is most likely due to a car parked on the road!

### Are all the streets in Millcreek city streets?

No, some streets, such as 3300 South, 700 East, State Street, and 4500 South, are state roads maintained by UDOT. Private streets marked with blue street signs handle their own snow removal. For concerns related to state roads, visit UDOT's website.

### What are the steps involved in the plowing process?

Initially, snowplows make a single pass down the road to create a usable pathway. Once the storm has ended, they return to clear the entire width of the road from curb to curb for a more thorough job.

### What are the resident's responsibilities?

**Driveway Approaches:** Snow removal from driveway approaches is the resident's responsibility. Plows prioritize clearing roadways and cannot avoid pushing snow into driveway entrances.

**Placing Snow on Roadways:** Per ordinance 14.20.105, snow may not be deposited from sidewalks or driveways onto city streets.

**Sidewalks:** Property owners must clear sidewalks within 12 hours of snowfall. For storms ending between 5:00 PM and 6:00 AM, sidewalks must be cleared by 8:00 AM.

**Fire Hydrants:** Keep fire hydrants clear of snow to ensure accessibility for emergency services.

### Reporting Missed Streets

If your street still needs to be plowed, wait at least 24 hours after the storm before you report it. Call Salt Lake County Public Works Operations at 385-468-6101 or email [pwops-online@slco.org](mailto:pwops-online@slco.org) to report.

You can also check on Salt Lake County's status by checking out their website: <https://citizeninsights.geotab.com/#/pwops>

Thank you for your cooperation in keeping Millcreek safe and accessible this winter season!

# BUSINESS CORNER

## Mind Body Soul Massage & Wellness

Founder Amanda Dolle has always been one to look at the aspects of Holistic Wellness, not for just her own life but those around her as well. She has spent years training and learning to understand that

wellness is not just a grocery list of things to do, but a way of life and building a caring community to further those towards peace and prosperity. Mind Body Soul Massage and Wellness Center is the place where this is a reality made true for all of those willing to be a part of something better in their lives. Based on 3 core pillars, Putting People First, Believing in Better, and Commitment to the Community are all a part of what you can expect to see when you book with us. See you soon.

# POLICY MAKER FORUM

**ROSALBA DOMINGUEZ**  
HOUSE DISTRICT 35  
REPRESENTATIVE

Hi Millcreek! My name is Rosalba Dominguez and I am proud to be your State Representative of District 35 which includes the West Side of Millcreek, Between 500 East, to the Jordan River Walkway along 3900 South. I have served on the Murray City Council for the last 5 years and I know the importance of advocating for cities, towns and their residents.

As a first-generation Mexican-American born to working class parents, I learned that a strong work ethic and passion for communities is what makes this district such a special place to work, live and raise a family. For the past 20 years, I have been building bridges in the Latino community by serving on various advocacy boards including Utah Coalition of La Raza, Utah Afterschool Network, State of Utah Hispanic Advisory Council and serving as Vice Chair of the Salt Lake County Hispanic Democratic Council. Within my role on the City Council, I served as Chair, Chair of the Cities Budget, Chair of the RDA—Redevelopment Agency and was a voting member for ULCT—Utah League of Cities and Towns.

As I grow into this role, I believe that it is more important now than ever to build community from the bottom up. So please do not hesitate to reach out anytime through text or email. My goal is to attend every church service within the district to begin conversation on how the Legislature can support the congregation they serve. We know that Churches and local nonprofits are the front lines of servicing the needs of our community and I would love to find ways and resources to support your Congregation and/or Organization.

Please do not hesitate to reach out by texting me at 801-382-9674 or email me at [rdominguez@le.utah.gov](mailto:rdominguez@le.utah.gov)

## Traffic Construction Safety Signs And Cones—Sometimes Annoying But Always Necessary.

Road construction often brings inconvenience and frustration—especially when it's in your neighborhood. Thankfully, traffic control devices such as road signs, traffic barrels, cones, and barriers, promote safety for workers, drivers and pedestrians.

The project team strategically places these devices according to a traffic control plan focused on everyone's safety. These devices are assigned to manage traffic flow efficiently while minimizing the risks associated with construction zones. The placement of signs provides a warning to drivers about upcoming changes in road conditions, allowing them to navigate safely. At the same time, traffic barrels and cones create clear lanes for passage and guide travelers away from hazardous areas.

The primary purpose of traffic control is to keep everyone safe. We appreciate your patience and understanding as you take extra caution when traveling through construction areas. Together, we can ensure a secure environment for all as we work towards completing all projects in our city!

## HISTORIC SPOTLIGHT

# A Legacy of Water: The Mill in Millcreek

By Ryan Lufkin, Millcreek Historic Preservation Commission

The City of Millcreek derives its name from the early mills that harnessed the waters of Mill Creek, a vital natural resource for the area's first settlers. In the autumn of 1847, pioneers like Robert Gardner and John Neff built significant lumber and grist mills in East Mill Creek. These mills were among the earliest in the Salt Lake Valley and played a crucial role in supporting the local community by processing grain into flour and sawing the timbers needed for the many new buildings.

The establishment of Neff's Mill and Gardner Mill marked the beginning of industrial development in the area, attracting more settlers and leading to the construction of additional mills along Mill Creek. These mills were essential in transforming the arid landscape into fertile farmland, enabling the growth of orchards and supporting livestock. The abundance of mills along the creek not only provided necessary goods but also

fostered a sense of community among the early inhabitants of the area.

Over time, the area surrounding Mill Creek evolved from a milling hub into a thriving agricultural area, then a residential community. The legacy of these early mills is still evident in the city's name and serves as a reminder of the industrious spirit of Millcreek's founders. Today, while the original mills

no longer operate, their historical significance remains a point of pride for residents, reflecting the city's rich heritage and the pivotal role these structures played in our shared development.

Understanding the origins of Millcreek's name offers residents and visitors alike a glimpse into the city's past, highlighting the importance of the mills that once stood along the creek. These mills were instrumental in the settlement and growth of the area, laying the foundation for the vibrant community that the City of Millcreek has become.

cont. from page 1: Mercantile

The Mercantile operates under a consignment model that Millcreek manages with a central checkout, shelving, display, and refrigeration. While consignors are responsible for delivering products and restocking inventory, Millcreek's consignment model allows makers to build their businesses without worrying about staffing their stores.

The Mercantile is open every day from 11:00 am to 9:00 pm. Purveyors and crafts are scheduled to change on a rotating basis, so the selection of items will never get old.

## HOW TO ENSURE YOUR WASTE & RECYCLE CONTAINERS GET EMPTIED

We face many challenges on Utah's winter roads, including snowy and icy conditions. Waste and recycling drivers encounter these same obstacles, along with other difficulties that may not be immediately obvious.

When snow accumulates near the curb, make sure containers are placed in front of the snowbanks. Containers on top of or behind snowbanks cannot be reached. As a rule of thumb during any season, always place containers in a clear, accessible location for drivers, leaving open a few feet on each side for the truck arms to reach in and grab the container. Thank you, for your cooperation.

**Interfaith  
Harmony  
Event**

An evening with performances from local faith communities

**FEBRUARY 8, 2024 - 6PM**  
**1330 E CHAMBERS AVE**

Games go from 7:00 PM - 8:30 PM.

**Huge prizes. Everyone eligible to play and win.**  
**\$5 suggested donation per bingo card.**

cont. from page 1: Interfaith

February. Proposed by King Abdullah II of Jordan, it was adopted by the United Nations in 2010. According to their website, the World Interfaith Harmony Week builds on the two common fundamental religious commandments: Love of God, and Love of the Neighbor by adding 'Love of the Good'. "This formula includes those of other faiths and those with no faith."

World Interfaith Harmony Week offers a platform once a year for interfaith organizations and other groups of good-

will to demonstrate the strength of their movement to the world. The goal of this initiative is to create a focal point where neighbors can recognize that the shared values they hold far exceed their differences, fostering a powerful sense of peace and harmony within their communities.

This Council aims to celebrate this occasion by inviting performers from congregations in and around Millcreek to showcase their talents at City Hall on Millcreek Common. The second annual

Millcreek Interfaith Harmony Music Night will take place on Saturday, February 8th, 2025, at 6:00 pm at Millcreek City Hall on the first floor. The event is free and open to the public.

We are always looking for new members to join our Interfaith Council, particularly those who represent a faith or congregation not yet represented. If you are interested in joining, please contact Kayla Mayers at kmayers@millcreekut.gov.

**MEET  
WITH THE  
MAYOR**

Meet in-person with Mayor Jeff Silvestrini on Fridays from 2-4 PM for 15 minutes. Call 801-214-2700 to schedule.
