### ANNOUNCEMENTS

#### Public Meetings

**The March 10th  
City Council Meeting  
has been cancelled.**

**Historic Preservation  
Commission Meeting**

Thu., 3/13/26, 6pm

### **Congratulations to the Olympus High Basketball State Champs!!**

MILLCREEK. The Olympus High School Titans won the 5A championship last weekend. The victory was made even more special by the contributions of three standout players from the Millcreek area: Luke Owen, Jack Evans, and Malaki Philip.

The Titans' triumph represents a culmination of

City Hall, 2nd Floor  
3330 E Chambers Ave

years of hard work and commitment by the players from Millcreek and their teammates. We congratulate them all!!

## Scoot to the Loop!

Tomorrow is the Last Day  
 for this Season's Ice Skating

MILLCREEK. The seasons may be changing but there's still fun to be had at Millcreek Common. Join us tomorrow, March 8th, from 6 to 8 PM for **The Melter** on the skate loop—the last day of ice skating for the 2024-25 season. Free skating for everyone as we bid adieu to another spectacular season on the ice. The Skate Loop Ice Troupe will do a final 2025 performance at 6:30 pm, then the ice loop will be open for coloring on the ice and one last skate.

**Millcreek Common Ice Skating Season Ends Tomorrow, March 8th**  
**Climbing Wall Opens March 15th**  
**Roller Skating Begins April 1st**  
**Splash Pad Opens May 1st**

Just as one season wraps up, another begins! The Climbing Wall opens on March 15th. Check out the new holds and stay tuned for climbing classes coming in May. The climbing wall provides a fun and challenging experience for climbers of all skill levels. Whether you're a beginner or an experienced climber, the wall will offer different routes and obstacles to test your skills and help you stay active as the days get longer.

Fans of Roller Skating can celebrate the return of quad and inline skating starting April 1st. The rink will soon be ready for those seeking a nostalgic and fun way to get active outdoors. DJ Skate Nights and Food Trucks will return in April.

The Splash Pad at Millcreek Common will start cooling everyone off on May 1st. Grab a treat from the Normal Ice Cream Truck and meet us splash-side.

Don't miss out on your last chance to glide across the ice, mark your calendar for the opening of the climbing wall, and get ready to roll into spring with roller skating and the splash pad.

## SAVE THE DATE

Saturday, 3.15

Represent Utah and be a part of American history by sharing your story, hope, and dreams for our country at the Scrollathon. This **FREE** event, coming to Millcreek Common on Saturday, March 15th, is a collaborative art project that will be on display at the Kennedy Center to commemorate America's 250th birthday.

Registration is required but all are welcome to join. You'll even get to take home a commemorative tin with one of the scrolls you make. The other scroll will be used with over 250,000 others to create a huge display of American Unity at the Kennedy Center as a part of our country's 250th celebration of the signing of the Declaration of Independence.

Spots are limited. Register now!

## MESSAGES FROM OUR PARTNERS

## Cooking Safety

- Cooking fires are the #1 cause of home fires and home injuries
  - Two-thirds of home cooking fires start with the ignition of food or other cooking materials
  - Clothing is the first item ignited in less than 1% of cooking fires but accounts for 8% of home cooking deaths
- Tips:
  - Stay in the kitchen if you are frying, boiling, grilling or broiling.
  - If you are simmering or baking use a timer to remind you that you are cooking
  - Keep combustible items away from the cooktop
  - On a stovetop cover a fire in a pan with the lid
  - In the oven, turn off the heat and keep the door shut
    - Don't touch either until they are completely cooled

Cook Safely!

### Prevent Kitchen Fires

Did you know?  
Cooking is the main cause of home fires and fire injuries. You can prevent cooking fires. Take these steps to keep your family safe!

- **Stand by your pans:**  
If you walk away from the burner, turn the burner off.
- **Watch what you are cooking:**  
Turn back when the food starts to pop. If you see a fire, turn off the burner, leave the kitchen, and call the fire department.
- **Turn pot handles toward the back of the stove:**  
This prevents hot liquid from spilling onto you.
- **Keep a pan lid or baking sheet nearby:**  
Use it to cover the pan if it catches on fire. It will put out the fire.

For more information on fire prevention, visit [www.usfa.fema.gov](http://www.usfa.fema.gov)

# Protect Yourself from Measles

## What is measles?

Measles is an illness that spreads very easily from one person to another. It can cause serious health problems, including pneumonia, brain damage, and death. Measles starts with a fever, cough, and runny nose, and then a skin rash appears. Measles is caused by a virus that spreads through the air when a person with measles coughs or sneezes.

## How can you protect yourself?

The best way to protect yourself and your loved ones from measles is to get vaccinated. The measles vaccine, called MMR, is safe and effective.

Everyone 12 months and older should be vaccinated against measles. Some people who were vaccinated many years ago (before 1968) should get a booster dose.

If you're not sure if you need another dose or if you've been vaccinated, talk to your doctor.

## Where can you get vaccinated?

The MMR vaccine is available through your doctor or at a Salt Lake County Health Department immunization clinic. Call 385-468-SHOT to schedule your appointment.

## What if you've been exposed to measles?

If you find out you were around someone with measles, call your doctor right away. Let them know so they can find a safe way to see you without putting others at risk. A person with measles can spread it even before they have a rash.
