Former Mayor Silvestrini Receives Prestigious Envision Utah Award

MILLCREEK. Former Mayor Jeff Silvestrini was awarded the prestigious **Common Good Award by Envision Utah** at their recent annual luncheon. This award honors individuals, nonprofits, businesses, and associations that make significant contributions to the "common good" of our state and community. Below is the wording from the luncheon awards program.

"As Millcreek's first mayor, Jeff helped guide the city from incorporation to a thriving, unified community, always leading with integrity, transparency, and genuine care for residents. His influence reaches well beyond city borders: through his leadership roles with the Wasatch Front Regional Council and the Utah League of Cities and Towns, he championed smart growth, improved transportation, and long-term quality of life for the entire region. One of Jeff's most beloved legacies is Millcreek Common, a local gem designed for gathering, skating, dining, and creating memories. It's a space that perfectly reflects his belief in connection and place-making. We're grateful for his years of service and excited to recognize the lasting impact he's made on Millcreek and communities across Utah."

Thank you Jeff for the years of amazing leadership.
