Churchill Jr. High,

TO DOG BOARD OR TO NOT DOG BOARD?

MILLCREEK. A Millcreek resident recently petitioned the city to consider changing city ordinances to allow residents to board dogs in their homes.

The resident's proposal is that dog-boarding businesses could be located in a single-family zone and on property that is at least 6,000 square feet in area. "Dog boarding" could include anything from dropping off dogs for the day for dog sitting or dog walking, to dropping off dogs for

3450 E. Oakview Drive

an extended overnight stay.

Millcreek Community Council, Tues., 1/8/19, 6:30-8:30 PM, Millcreek Activity Center, (old Hillview School)
1025 E. 4405 S.

The Planning Commission recently recommended that residential dog boarding be allowed, but that only two dogs at a time or four dogs per day would be allowed on a property. The Planning Commission also recommended that regulations include the humane treatment of animals, controls of noise and odor, and limits to pick-up and drop-off times.

Canyon Rim Citizens Association, Wed., 1/9/19, 7-9 PM, Christ United Methodist Church, 2375 E 3300 S.

Some residents have expressed support for the changes, but others are concerned about the impact to surrounding neighbors, particularly in terms of barking and the noise and traffic generated by people picking up and dropping off their dogs at a home.

City Council
Mon., 1/14/19
Time and agenda TBA

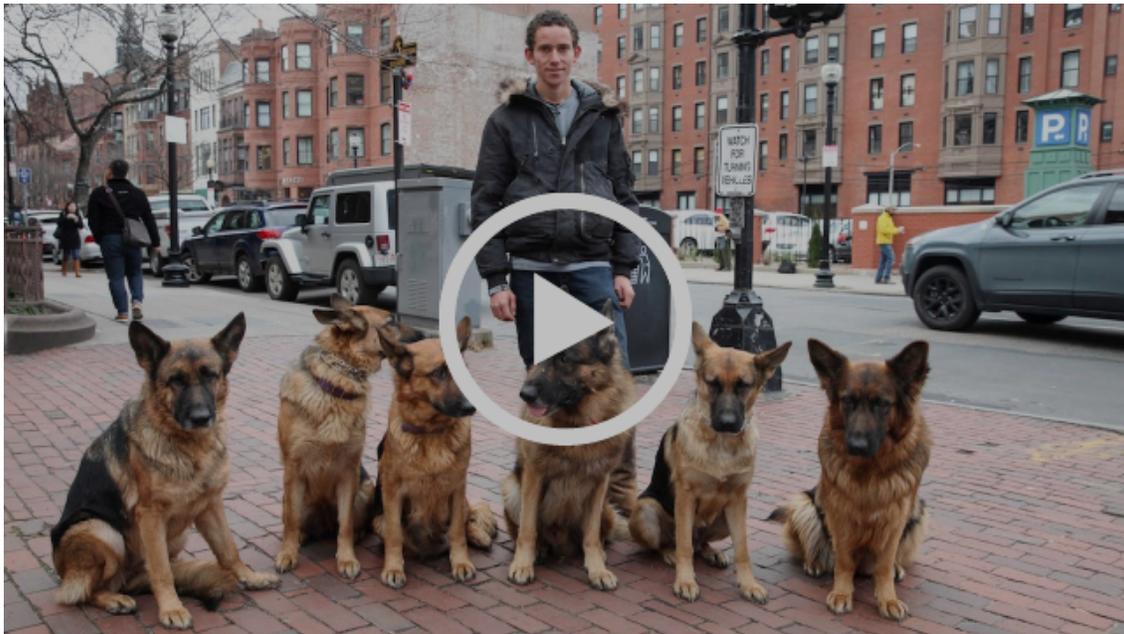

Although Millcreek residents can own as many dogs or cats as they want provided they are not a nuisance, residential dog boarding currently is not allowed in our code.

Planning Commission
Weds., 1/16/19
Time and agenda TBA

Nevertheless, this use is occurring to various degrees in our neighborhoods already. A recent review of [rover.com](https://www.rover.com) (like Uber or airBNB, but for dog boarding) showed that nearly sixty Millcreek residents are currently boarding dogs in their homes for a fee.

Before the Millcreek Council considers this petition, we are looking for your input on whether or not this is a use that you think is compatible with your single-family residential neighborhood.

A SEARCH FOR YOUNG ART

MILLCREEK. Our offices at 3330 South 1300 East are expanding to accommodate the larger staff that now provides many of your city services. The many blank walls in the building would be the perfect showcase for young Millcreek residents' artwork.

If you know of an artistic youngster or work with a youth group under the age of 18 who would like to have their artwork displayed, set them to work on the theme: "What You Like About Millcreek".

Art can be dropped off at the city offices at 3330 South 1300 East any time during regular business hours (8-5). We will display as many pieces as possible (and reserve the right to not display any particular piece at our discretion).

If you have any questions, please contact Rita at (801) 214-2707 or by email at rlund@millcreek.us.

Upcoming Schedule for Millcreek City Offices:

Monday, December 31st - CLOSED

Tuesday, January 1st - CLOSED

HAPPY NEW YEAR!

ABOUT YOUR GARBAGE

Recycle Your Xmas Tree

MILLCREEK. Curbside Christmas tree collection will run Jan 1-31. Trees will be picked up the day after your regularly scheduled collection day. If your tree isn't gone the first week you put it out on the curb, it will be picked up the following week.

Trees will be composted at the landfill. To help ensure your tree can be recycled, please take the following steps:

- Leave the tree on the curb. Do not put trees in your garbage, green waste or recycle can.
- Clean your tree of tinsel, ornaments, stands, lights, and all other decorations.
- Note that flocked trees cannot be recycled, so don't leave them out.
- If your tree is over 8 feet tall, please cut it in half.
- Make sure the tree is visible, free of snow and easy to access.

Pick-up Delays During the Holiday Season

Don't forget that this week and next week, the Tuesday through Friday trash/recycling collections will be delayed by one day due to the holidays. (Monday's collections will not be delayed.) For example, today's and next week's regular Friday collection will occur on Saturday. The normal schedule will resume on Monday, January 7th.

WFWRD Survey

If you haven't completed it yet, the Wasatch Front Waste & Recycling District survey is open until December 31st. Let them know what you think. Your responses are anonymous and will help WFWRD better serve us all.
