MILLCREEK. Millcreek ordinance requires residents to license their dogs, cats and ferrets. We know that our residents care for their pets and thank the many responsible pet owners in the city who have already licensed their furry family members.

If you have not yet licensed your pets, we

encourage you to do so. Licensing is an easy process and there are many benefits ranging from helping find your pet if they get lost or injured to obtaining FREE micro-chipping. There is no set limit to the number of pets you can have in Millcreek so no reason to not have all pets licensed. Rules are in place to ensure that pets are well taken care of and are not a nuisance to neighbors.

Millcreek contracts with Salt Lake County for Animal Services, which provides many programs and is the largest life saving shelter in Utah, operating 24/7, 365 days a year, to service Millcreek and other areas in the county.

In 2018, Animal Services provided the following services to county residents:

- 14,000 pets were cared for or received services from Animal Services
- 8,500 stray and abandoned pets entered the shelter
- 2,500 pets were returned to their owners
- 1,300 pets were sent to rescue
- 3,500 pets were spayed/neutered by the on-site clinic

Whether you have a pet or may be looking for a new one, check out the Animal Services website for adoption information or programs for you and your current pet to take advantage of. Animal Services has opportunities for you to volunteer or foster pets, as well as free workshops, humane education presentations, sponsorships and events.

To license your pets or learn more about the many services Animal Services provides, [click here](#), call for information at 385-468-7387, check out the Facebook page, email animal@slco.org or visit the shelter at 511 W 3900 S in Millcreek. The shelter is open Monday through Saturday from 10AM-6PM (Closed on Sundays and Holidays). For 24-hour Officer Dispatch call 801-743-7045.

Join us for a fun family-friendly party to celebrate Millcreek's second anniversary. Enjoy food, entertainment, a tour of the newly expanded City Hall, and meet the City's staff.

Proposed Changes to the Current Sign Ordinance

MILLCREEK. The current sign ordinance for Millcreek was inherited from Salt Lake County and has not been updated for 15-20 years. It is the generic ordinance that covered all the unincorporated areas of the County. The

Millcreek General Plan (our community vision process) emphasized the importance of improving the visual quality and creating opportunities for economic development along our corridors and in our centers. More economic activity results in new signs and changes to existing signs. Millcreek would like to have a sign ordinance that is better suited for our unique community needs. In addition to advertising, signs can also impact the safety of streets and the appearance of public spaces. This is why your city is reaching out for feedback to help create a sign ordinance that represents our community values. Please take five minutes to complete the survey: [click here](#). Give your input on this important ordinance change and ask others to do so as well!

Thomas Boyden pictured with another cross country winner

MILLCREEK. Thomas Boyden, a junior at Skyline High has earned All-American Honors at the Footlocker National Cross-Country meet. The competition took place on the Balboa Park course in San Diego in early December, pitting Thomas against some of the best prep distance runners and showing that he has the right stuff to join their ranks.

Congratulations to Thomas for representing Skyline High and Millcreek so well.

ATTENTION: YOUNG ARTISTS

MILLCREEK. Our offices at 3330 South 1300 East are expanding! The many blank walls in the building would be the perfect showcase for young Millcreek residents' artwork.

If you know of an artistic youngster or work with a youth group under the age of 18 who would like to have their artwork displayed, set them to work on the theme: "What You Like About Millcreek".
